New York Markets

By VICTOR EUBANK

NEW YORK, Jan. 28—(AP)—Emphasis remained on the recovery side of today's stock market with selected steels, motors, rails, coppers and pivotal industrials adding fractions to around 2 points.

While slowdowns were plentiful after a hesitant opening, activity picked up at intervals as more urgent bids arrived. Transfers of about 1,000,000 shares for the full proceedings were among the best of the past two weeks. Profit taking on Monday's late rally made for considerable irregularity in the forenoon. Thereafter the direction generally was upward. Top marks were shaded here and there at the close and minor losses persisted.

In the gaining division were U. S. Steel, Bethlehem, Chrysler, General Motors, Woolworth, Kennecott, Phelps Dodge, American Smelting, Santa Fe, Norfolk & Western, Du Pont, Pepsi-Cola and Eastman Kodak.

Coppers were aided by the action of American Smelting in boosting the price of the red metal a cent a pound.

Reorganization railway bonds strengthened. Cotton futures, toward the last, were up $1.15 to $1.70 a bale.

Weddings by telephone are legal in Washington, D. C., and Minnesota.

The widely used counting device, the abacus, is believed to have been introduced into China during the 12th Century and adopted in Japan 400 years later.
