their part means "no beet sugar" on imports become recognized. The Hamburg official returns for March show that promises a rapid expansion of trade."
All this is very encouraging to farmers and stockmen. Everything seems to indicate that the indicate that the cattle business has touched its lowest point in the matter of prices. The opening of European mar-There can scarcely be a reasonable doubt that this increase will continue, with spection law which Secretary Rusk is spection law which Secretary Rusk is spection law which Secretary Rusk is carefully enforcing is gradually removing every vestage of excuse against the reception of American beef by European countries which hitherto practically excluded it under pretext that it was discased. With the embargo removed from our cattle and hog products, an immense increase in exportation will ensue and prices are bound to keep place with the increase in exportation.

To be sure one hears every day of somebody who made a lucky investment the date of such notice, enter into a regular contract with the company for purchase of the lands, and if he fails to do so, the company may sell the lands to any other person.

The punishment which follows wrong doing is sometimes so evidently just and appropriate that it is natural to speak of purchase of the lands, and if he fails to do so, the company may sell the lands to any other person.

That subsequently to-wit: on the fourth day of January, 1878, another resolution to the same effect was passed by the said Board of Directors:

That actual settlement on the land was not an essential requirement, but bonather the date of such notice, enter into a regular contract with the company for purchase of the lands, and if he fails to do so, the company may sell the lands to any other person.

The punishment which follows wrong doing is sometimes so evidently just and appropriate that it is natural to speak of it as "poetic justice." The penalty is not on the fourth day of January, 1878, another resolution to the same effect was passed by the said Board of Directors:

The punishment which follows wrong doing is sometimes so evidently just and appropriate that it is a "poetic justice." The penalty is not of so, the company for purchase of the lands to any other person."

The punishment which follows wrong doing is ometimes so evidently just and appropriate that it is natural to speak of it as "poetic justice." The penalty is not of so, the company for purchase of the lands to so, the doing is ometimes of the lands to any other person."

T spection law which Secretary Rusk is are mossbacks and silurians. the increase in exportation.

A FAIR DEFENCE.

Section 8 of The Dalles charter bill divided the city, for the purpose of municipal representation, into three wards. The present division, it is well known, comprises two wards, the first embracing all the city north of Third street and the street. This arrangement makes all the business part of the city into one ward and all or nearly all the residence part all that part of the city lying west of The arrangement suggested by the new charter would have divided this vote so nearly as convenient among each of the three wards. But the transparent fair-three wards. But the transparent fair-three wards and the transparent fair-three wards. The number of deliveries and this division, the very thing that the passage of the act, authorizing the building of the Cascade portage railroad, and that officer forwarded our proposition, with his recommendation, to the war department. As we are unable to ward experience and this division, the very thing that the passage of the act, authorizing the building of the Cascade portage railroad, and that officer forwarded our proposition, with his recommendation, to the war department. As we are unable to was superstitions, with his recommendation, to the war department. As we are unable to was superstitions, was greatly perplexed as to what evil might follow, as he had been told that to

cases these same lands so filed on have been improved by others and were occupied by them at the time of the passage of the act. It is quite plain that the company did not regard a mere filing in the light of a contract, apart from bona the light of a contract part of tally from which most of the light of a contract part of tally from which most of the important part of tally from which most of the part of tally from which most o embraced in the forfeiture provisions were to be offered for sale by the company, tants of the state, between the ages of twenty-one and fifty, to pay a poll tax of
