NORTH PORTLAND IS STRONG POINT AGAIN IN SWINE OFFERINGS

(Courtesy the Journal.)

PORTLAND, Ore.—The general livestock situation was stronger with some advances in the price at North Portland at the week's opening. The big run of 10,000 head of hogs which had been forecast for the day by some of the trade and rumor quickly spread over the entire northwest failed to materialize.

The rumor probably had a good effect upon the market for while the run of swine totaled 6355 head, still the showing was disappointing as compared with what had been expected. Even though the run was larger than last Monday and only a fraction below the record of the previous week, still buyers were inclined to take hold early and sales of good stuff were made early at $6.10, or fully 5@10c advance for the general run of stuff.

General hog market:

Best light	$6.05@6.10
Medium light	5.90@6.00
Good to heavy	5.70@5.80
Rough to heavy	5.00@5.50

Cattle Prices Are Lifted.

With sales of fancy steers at $7.00 and ordinary stuff in better demand, the market at North Portland was 10@15c higher, taken as a whole, than a week ago.

Feeling in the cattle market was plainly strong when the week's market opened and while there was a fractional increase in the volume of offerings as compared with last Monday, killers were more inclined to take hold.

General run in the cattle market is showing somewhat better quality than during the recent weeks. This is a big help to the trade.

General cattle market range:

Best hay fed steers	$6.75@7.00
Good to choice	6.25@6.60
Ordinary to fair	5.00@6.00
Best cows	5.25
Good to prime	4.50@5.00
Select bulls	4.00@4.25
Fancy bulls	4.00@4.25
Ordinary bulls	2.50@3.00
Best calves	7.00@7.50

Mutton Strength Maintained.

Strength in the mutton market was fully maintained when the week's trade at North Portland opened. There was another decrease in offerings, total arrivals over Sunday being but 925 head, compared with 1325 last Monday and 1238 head for the same day a year ago.

Real good stuff is scarce in both the mutton and lamb pens and the demand continues at the extreme point of the season.

General mutton and lamb prices:

Select interior lambs	$ 7.50
Ordinary interior lambs	7.25@7.35
Willamette valley lambs	7.25@7.35
Wethers	6.00@6.25
Select ewes, light	5.25@5.50

NEWEST BEAUTY DISCOVERED FOR MOVIES

Margaret Gale.

Margaret Gale is the newest beauty discovered for the movies, and she has created something of a sensation. Lee Kugel, a prominent figure in the movie business in New York, found her photograph in a studio window. He asked for her at once, and she looked even better than her studio pictures.

"How much are you making now?" asked Kugel.

"Thirty dollars a week," she said.

"I'll give you $200 if you can act," said he.

Now he is glad he signed a contract with her.

Agent Must Explain.

OLYMPIA, Wash., Nov. 23.—John F. Gillies, head claim agent in the state industrial insurance department, will be called upon to explain why warrants aggregating $15,032.40 obviously forgeries, had been allowed to pass through his hands, covering a period of several months. This announcement was made by Flordy L. Doggett, chairman of the industrial insurance commission, following disclosures on startling shortages in the department's funds. Thirteen suspicious claims have been passed and paid since last spring, all for employes on county roadwork, it is alleged.

German Sub Blamed.

WASHINGTON, Nov. 23.—A German submarine, not an Austrian, sank the Ancona, according to the Ancona captain's statement received by the state department from Ambassador Page at Rome. Secretary Lansing said there was no evidence to support the claim.

Lansing characterized the captain's statement as "vague and indefinite." It renewed, however, the question of the nationality of the attacking submarine as affecting America's future action, though Lansing indicated he regarded its nationality as practically determined by Austria's admission of its identity.

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.
