NOTICE
Oregon Construction Contractors Law (ORS 701) requires that all businesses that advertise remodeling, repair, home improvements or new construction be registered with the Construction Contractors Board. Registration means contractors have a bond and insurance. Home inspection businesses also must be certified which means the inspector has passed a test and must comply with standard of practice and behavior. For your protection, call 503-378-4621, ext. 4900 to check an inspector's certification.

Notice to Contractors
Washington State Law (RCW 18.27.100) requires that all advertisements for construction-related services include the contractor's current Department of Labor and Industries registration number in the advertisement. Failure to obtain a certificate of registration from L & I or show the registration number in all advertising will result in a fine up to $5000 against the unregistered contractor. For more information, call Labor & Industries Specialty Compliance Services at 1-800-647-0982 or check L & I's Internet site at www.wa.gov
