Indian War Claims.

THE Commission appointed to examine and report upon the expenses incurred in the suppression of hostilities in the late Indian war in Oregon and Washington by the Territorial Governments of said Territories, hereby give notice that hereafter the board will concentrate its work at Vancouver, W. T., where all applications and communications touching its official duties may be made.

The labors of the Commission, under the law and the order organizing the board, are devoted to ascertaining and reporting *the expenses necessarily incurred by the two Territories in suppressing Indian hostilities.* Spoliation claims and claims for the loss of property during the war, not actually in the public service, cannot be entertained or passed upon. Claims of this kind can only be acted upon under further legislation of Congress.

Persons having claims yet unadjusted with the respective Territorial authorities should see to it that such claims be recognized by the proper departments of the late volunteer service, and presented through them to the commission.

Hoping to make a final report to the Secretary of War early in the coming autumn, it is urged by the commission that authorities and claimants interested will exhibit the promptness which will render such consummation practicable.
