## NOTICES

**NOTICE OF RESOLUTION FOR STREET PAVING.**

Notice is hereby given that at a regular meeting of the Common Council of The City of Pendleton, held at the Council Chambers in Pendleton, Oregon, on October 1st, 1919, the following resolutions were adopted, viz:

Whereas, the City Surveyor of the City of Pendleton did on the 1st day of October, 1919, under direction and by requirement of the Common Council filed in the office of the Recorder of The City of Pendleton, plans and specifications for an appropriate improvement of the following streets in the said city:

Mark street from the east line of Matlock street to the west line of Bush street.

Perkins avenue from the south line of Raley street to the northerly line of Walter's Mill Race.

Logan street from the south line of Raley street to the north line of Mark street.

Together with the estimate of the work to be done and the probable cost thereof with a statement of the lots, parts of lots and parcels of land to be benefited by such improvement and the percentage of the total cost of improvement, which each of such lots, parts of lots and parcels of land should pay on account of the benefits to be derived from such improvement; and

Whereas, the council has examined such plans and specifications and estimates and found the same satisfactory and the estimates therefor to be in accordance with the probable cost of such work, and

Whereas, the property recommended by the City Surveyor to be included within the boundaries of the district benefited is in the judgment of the Common Council properly to be included within such improvement district and no property is excluded therefrom which should properly be included therein; and

Whereas, the improvement of the hereinabove described portions of Mark street, Perkins avenue and Bush street with gravel bitulithic pavement is at this time necessary, be it,

Resolved by the Common Council of The City of Pendleton that it is expedient to improve and it is hereby proposed to improve Mark street, Perkins avenue and Bush street by paving the same with Gravel Bitulithic pavement; such pavement to be constructed and the surface thereof to be finished upon the established grade of said streets and the streets to have curbs and gutters and all other things in accordance with and as shown in the plans and specifications for the improvement of said portions of Mark street, Perkins avenue and Logan street, prepared by F. B. Hayes, City Surveyor, filed with the recorder of said city, on the 1st day of October, 1919, which plans and specifications are hereby particularly referred to; and be it further

Resolved, that the engineer's estimates of the probable total cost of such improvement, which said City Engineer's estimates were made and prepared by F. B. Hayes, City Surveyor of said city, in the sum of $30,278.64, and was filed with the Recorder of said city on the 1st day of October, 1919, is hereby included and hereby referred to particularly, and be it further

Resolved, that the plans and specifications and estimates for such improvement as prepared by the City Surveyor and filed with the Recorder of the City of Pendleton on the 1st day of October, 1919, be and they are hereby adopted and approved, and be it further

Resolved, that the cost of making such improvement shall be a charge and lien upon all lots, parts of lots and parcels of land to be benefited by such improvement, and the owners of such lots, parts of lots and parcels of land so specifically benefited by such improvement shall be liable for the payment of the costs thereof, and be it further

Resolved, that an assessment district is hereby created to be known as "Assessment District No. 70," embracing the property benefited and to be assessed for the payment of such improvements, which Assessment District shall include all lots, parts of lots and parcels of land lying and being within the district bounded and described as follows, to-wit:

**Description for Assessment District No. 70.**
