67 Pigs Bring Average Price Of About $28.50

FRUITLAND, Ida., — D. B. Coates, a farmer of the lower Payette valley, has just sold 67 six-months' old pigs for $1924, an average price of $27.71 each. The pigs were largely fattened on skimmed milk and averaged 210 pounds in weight when marketed, it is said by Mr. Coates.

Mr. Coates raises hogs on a large scale in connection with his dairying, poultry raising and general farming, and expresses it as his belief that the cow, the hog and the hen are the biggest factors in successful farming in the Payette valley.

Wins 7-Year Fight for Health

Portland City Employee After 7 Years Suffering From Indigestion and Run-down Condition Wins Back Health. Takes Tanlac. Gains 20 Pounds

Mr. Otto Segrin, a well-known Municipal Officer, living at 91 E. 76th Street, N. Portland, Ore., says: "After 7 years of despair, pain and worry, I am strong and healthy again...thanks to Tanlac.

"Imagine what I went through! Not able to eat without suffering tormenting pains and burning indigestion. That suffering sapped my strength and wore me to a shadow. I grew nervous and was always tired. I dragged through the days, getting thinner and weaker, fighting off vomiting spells and dizzy headaches that nearly drove me mad. I had to get relief.

"A friend persuaded me to try Tanlac; the results amazed me. I began to sleep better, ate my food with relish and without indigestion pains. I gained weight, too; put on 20 lbs.

"Now I enjoy robust health, sleep like a child. I have not stopped taking Tanlac for it is the one remedy for continued good health, for keeping strong. It certainly made a new man of me."

Tanlac has helped many Oregon men and women. It is Nature's own remedy made from roots, barks and herbs. The first bottle usually brings relief. Keep up the treatment and you grow stronger, healthier, more robust.

Don't neglect your health, don't suffer needlessly—begin taking this wonder tonic now. Ask your druggist for Tanlac—today!

WEATHER LIKELY TO MAKE PRICES

Northwest Condition to Have Important Bearing on Produce Sales

PORTLAND, Ore., Sept. 28. (AP).—Steadiness of the local butter market is noted along with increased consumption and a tendency to advance. Production is increasing slightly but not at a pace proportionate with larger consumption. Dealers predict that prices will advance before they decline.

Eggs are firm with a tendency toward higher prices. Fresh receipts are decreasing and storage stocks are being drawn upon to supply demands. Some shipments are going east, where demand at rising prices is becoming stronger.

Weather conditions in the Pacific northwest will have an important influence upon early future prices. Producers and dealers in eggs and butter are watching weather bureau reports more closely now than is customary at this season of the year.

Prices' Course Turns Upward in Today's Market

NEW YORK, Sept. 28 (AP).—Heavy buying of half a dozen high rated industrial stocks turned the course of the prices upward in today's market after an early period of irregularity.

Year traders, taking advantage of stiff call money rates and the heavy calling of loans, endeavored to unsettle the general list during the morning but they made little headway and rushed to cover when large buying orders appeared in U. S. Steel common, American Smelting, General Motors and Dupont. Steel again crossed 150, General Motors was marked up to 161¼, a new record high, for the present issue, before the end of the third hour. American Smelting rallied 5 points from yesterday's low. Dupont soared nearly 10 points to a new record high around 335.

Special buying took place in such issues as Commercial Solvents "B," South Porto Rican sugar, Congress Cigar, Air Reduction and Cudahy Packing, all of which sold 2½ or more points above yesterday's final quotations.

Rails were firm but quiet.

The closing was irregular. Price movements were confused in the late trading when releasing and bear selling forced sharp recessions in the equipment shares, Mack Trucks, Chesapeake and Ohio and Southern Railway.

Total sales approximated 1,400,000 shares.

More Than Day Needed to Read Notice of Sale

ASTORIA, Ore. Sept. 28—The gigantic tax sale of 26,800 pieces of Clatsop county property on which the county has foreclosed opened at the court house recently with the reading of the notice of sale.

This consumed several days as it fills more than 100 typewritten pages.

The opening of the sale was something of an anti-climax. While no more than a dozen persons gathered for the initial proceedings, none of those present understood that the entire notice had to be read before the auction is begun.

Clem Ingalls, chief deputy sheriff, who is conducting the sale, is seated at a table in the court house lobby, droning through the interminable description of the property to be sold.
