Henry Clay on Rebellion.

"If any one State, or any portion of the people of any State, choose to place themselves in array against the Government of the Union, I am for trying the strength of this Government, I am for ascertaining whether we have a Government or not—practicable, efficient, capable of maintaining its authority and upholding the powers and interests which belong to a Government.—Nor, sir, am I to be alarmed or dissuaded from any such course by intimations of the spilling of blood. If blood is to be spilt, by whose fault is it to be spilt? Upon the supposition, I maintain, it will be the fault of those who choose to raise the standard of disunion, and endeavor to prostrate the Government. And, sir, when that is done, so long as it pleases God to give me a voice to express my sentiments, or an arm, weak and enfeebled as it may be by age, that voice and that arm will be on the side of my country, for the support of the general authority, and for the maintenance of the Powers of the Union.—[Speech of Henry Clay, August 1st, 1850.

The Bayonet Charge

OF HAWKINS' ZOUAVES AND THE MASSACHUSETTS 21st AT ROANOKE ISLAND, FEB. 8, 1862.

The war-flags paint the morning sky,
And Valor's hidden fires burn high
In hearts whose current, soon will dye
The scarlet path to victory.

Then as the calm precedes the storm,
The ranks in dreadful silence form;—
Then trump and drum the warriors charm
With notes of martial melody.

Then clouds of sulphur rolled amain,
And balls drank from the warrior's vein,
As hissing iron swept the plain,
Hurled from the red-mouthed battery.

Then squadrons with suspended breath
Swept sternly o'er the field of death—
While mangled heroes gasped beneath—
To storm the frowning parapet.

The Union troops, with battle-cry,
Anc tattered banners streaming high,
Rush on the fort and madly ply
The sword and dreadful bayonet.

Our troops prevail—the foe have flown—
Then blent the war note and the groan;
While o'er the bristling ramparts shone
The bannered star of Liberty.

Dixie Land.

By the fifing and the drumming,
We hear the Northern fleet a-coming!
Run away—run away—run away from Dixie land!

They come with men, they come with cannon,
We can't fool Lincoln as we did Buchanan!
Run away—run away—run away from Dixie land!

The Northern "mudsills" have taken Beaufort!
And to save our neck let's *cut and* go for't!
Run away—run away—run away from Dixie land!

GRAND CHORUS.

They come with men—they come with cannon,
We can't fool Lincoln as we did Buchanan!
Run away—run away—run away from Dixie land!

Dr. WM. HALL'S BALSAM

CURES all diseases of the *LUNGS* and throat. For the cure of consumption, decline, asthma, bronchitis, wasting of flesh, night sweats, spitting of blood, whooping cough, difficulty of breathing, colds, coughs, influenza, phthisic, pain in the side, and all diseases of the lungs, it

Is Unequaled!

Hall's Lung Balsam, in all cases, gives the best satisfaction;
Has wrought more cures since its introduction than any other cough medicine;
Is endorsed by our leading physicians as the safest and best remedy now before the public;
Is safe to use among children, yet powerful in cases of chronic pulmonary disease;
Brings in certificates almost daily of its wonderful cures in all parts of the country.
There is no medicine within our knowledge that has acquired so great and wide-spread popularity, in so short a space of time, as DR. HALL'S *BALSAM FOR THE LUNGS*. Its balsamic and healing properties are magical. It is highly expectorant and tonic. It contains not a grain of opium or morphine, the narcotic and astringent properties which have created so much prejudice against similar preparations.
We believe that a medicine possessing real merits will effect cures whenever it is used, at home or abroad. Dr. Hall's Balsam for the Lungs is no paregoric preparation, but one which, if used in season, will save the lives of thousands. The most distressing cough is frequently relieved by a single dose, and broken up in a few hours' time. The afflicted do not have to take bottle after bottle before they find whether this remedy will afford relief or not.
Hear what Physicians say of Dr. Hall's Balsam. Says one: "I, with confidence, recommend the Balsam as superior to any preparation." Another says: "I have used it with uniform success, and can confidently recommend it for all those complaints for which it is offered as a remedy." Still another writes: "I have no hesitation in saying that it is a safe, convenient, and efficacious medicine."
Sold by all Druggists.

SANDS' SARSAPARILLA,
REMEMBER, THIS IS THE
Original and Genuine Article!
ACKNOWLEDGED TO BE
The Best Sarsaparilla Ever Made!

THIS unrivaled preparation has performed some of the most astonishing cures that are recorded in the history of Medicine. The rapidity with which the patient recovers

Health and Strength

under its influence is surprising. Each new case in which it is applied furnishes in the result a new certificate of its efficacy and excellence; and we have only to point to the accumulated testimony of multitudes who have experienced its beneficial effects, to convince the most incredulous of its value. Do not forget to ask for Sands' Sarsaparilla.

Wistar's Balsam of Wild Cherry.—The only pure and genuine Balsam is, and for the last twenty years has been, prepared by Seth W. Fowle & Co., of Boston; and their printed name, as well as the written signature of *I. Butts*, appear on the outer wrapper. As you would *avoid* the spurious and *have* the genuine, *take no other!*
Wistar's Balsam of Wild Cherry.—This invaluable remedy is the best one extant for the safe, sure, speedy, and permanent cure of *coughs, colds, sore throat, bronchitis, asthma, pleurisy, pneumonia, croup, whooping cough, bleeding at the lungs, pain in the breast or side*, and in fact every form of throat, chest, and lung complaint, as well as Consumption itself.
This household remedy should be in the hands of every family and individual, as a timely application of it to a slight cold will cause immediate relief; while cases of long standing, obstinate, and apparently incurable character, will surely yield to its wonderful curative powers and its great adaptation to the wants of man when affected.

Mill Seat and Land.

I HAVE an excellent MILL SEAT, surrounded with excellent TIMBER, which I would like to have improved. I will give some millwright who wishes to invest in a saw mill or grist mill, or both, a good chance. The location is one of the very best for selling lumber—a level way to the mill seat, no hills to pull over, and handy to heavy settlements.
I wish also to sell half a section of LAND near by. The place is six miles west of Lafayette, Yamhill county.

CLOVE ANODYNE
Tooth-ache Drops.
Complain no more of Aching Teeth!

THESE Drops have been extensively used by thousands whose experience has proved that the Anodyne will give immediate and permanent relief after the failure of every other remedy. It is pleasant to the taste and smell, and a few applications will entirely remove the pain and soreness from a decayed tooth, so that it may be filled and rendered as useful as ever. When the pain proceeds from the face, or from the gums around a tooth apparently sound, this Anodyne will give speedy relief by rubbing a few drops on the part affected. It has only to become generally known to be as highly appreciated by the Public as it is by Dentists.

Roman Eye Balsam.
FOR WEAK & INFLAMED EYES.

THIS BALSAM was used for many years in the private practice of a celebrated Oculist, with remarkable success, for diseases of the Eye and Eyelids.
There are many persons who would rather suffer from pain and disease through life, than credit or try the efficacy of any new discovery; all such had better not read this, but to all reasonable persons this preparation is recommended as a most safe and effectual cure for inflammation of the Eye and Eyelids, caused either by too close application to minute objects, scrofulous habit, exposure to cold, blows, contusions, or irritation from any extraneous body under the eyelids. It is remarkably soothing in its effect, and has cured thousands who would otherwise have lost their sight.
In cases the Eyelids are inflamed, or the ball of the Eye thickly covered with blood, it acts almost like magic and removes all appearances of inflammation after two or three applications. There is a numerous class of persons that are peculiarly exposed to accidents or diseases that weaken and inflame the Eyes, and perhaps destroy the sight, who, from the nature of their employments, are compelled to work in a cloud of dust and grit. Such should never be without this BALSAM.

PURIFY THE BLOOD.
MOFFAT'S
Vegetable Life Pills
AND
PHŒNIX BITTERS.

THE high and envied celebrity which these preeminent Medicines have acquired for their invariable efficacy in all the diseases which they profess to cure, has rendered the usual practice of puffing not only unnecessary, but unworthy of them. They are known by their fruits; their good works testify for them, and they thrive not by the faith of the credulous.
In all cases of asthma, acute and chronic rheumatism, affections of the bladder and kidneys, bilious fevers and liver complaints,—in the south and west, where these diseases prevail, they will be found invaluable. Planters, farmers, and others, who once use these Medicines, will never afterwards be without them.
Dyspepsia.—No person with this distressing disease should delay using these medicines immediately. Eruptions of the skin, erysipelas, flatulency, fever and ague—for this scourge of the western country, these medicines will be found a safe, speedy, and certain remedy. Other medicines leave the system subject to a return of the disease—a cure by these medicines is permanent. TRY THEM, BE SATISFIED, AND BE CURED.
Mercurial Diseases.—Never fails to eradicate entirely all the effects of Mercury infinitely sooner than the most powerful preparation of Sarsaparilla.
Night Sweats, Nervous Debility, Nervous complaints of all kinds, Organic Affections, Palpitation of the Heart, Painter's cholic.
Piles.—The original proprietor of these medicines was cured of Piles of 35 years' standing by the use of these Life Medicines alone. **Worms** of all kinds are effectually expelled by these medicines. Parents will do well to administer them whenever their existence is suspected. Relief will be certain.
The Life Pills and Phœnix Bitters
Purify the blood, and thus remove all disease from the system. A single trial will place the *LIFE PILLS* and *PHŒNIX BITTERS* beyond the reach of competition in the estimation of every patient. ☞ Prepared by

Sands' Sarsaparilla,
For Purifying the Blood,
AND FOR THE CURE OF
Scrofula, Mercurial Diseases, Rheumatism, Cutaneous Eruptions, Stubborn ulcers, Liver complaint, Dyspepsia, Bronchitis, Salt Rheum, Lumbago, White Swellings, Hip Disease, Enlargement of the Bones and Joints, Fever Sores, Female Complaints, Erysipelas, Loss of Appetite, Pimples, Biles, General Debility, &c., &c.

It has long been a most important desideratum in the practice of medicine, to obtain a remedy similar to this, and accordingly we find it resorted to almost universally in all those tormenting diseases of the skin so trying to the patience, and injurious to the health. It is a tonic, aperient, and diaphoretic. It acts simultaneously upon the STOMACH, the CIRCULATION, and the BOWELS, and thus three processes, which are ordinarily the result of THREE different kinds of medicine, are carried on at the same time through the instrumentality of this one remedial agent. Its great merit is that it *meets and neutralizes* the active principle of disease itself, and when that is gone, the symptoms necessarily disappear. The rapidity with which the patient recovers health and strength under this triple influence is surprising.

REMARKABLE CURE.
LINN COUNTY, Oregon Ter., }
March 11, 1859. }
Messrs. A. B. & D. Sands, New York: Gentlemen,—In the spring of 1853, while on our way from Indiana to this place, our eldest boy was seized with a swelling and severe pains in the legs which day by day grew worse, until his legs contracted, and became so painful that he could not walk, and we had to carry him about like an infant. We reached Albany on the 3d of October, completely worn out by fatigue. By this time, he was reduced to a perfect skeleton. Here we were enabled to consult a physician (Dr. Hill), who honestly confessed he could not cure him, although he could give him medicine that would relieve the pain. In this exigency something must be done, or death was inevitable. Being recommended to try your Sarsaparilla, I procured a bottle. After taking some, he appeared worse; but persevering with it, I obtained a second bottle, which seemed to grapple with the disease, and caused a marked improvement; the swelling and pain in the legs were reduced, his appetite improved, and his color began to return. Thus encouraged, I purchased a third bottle; while taking it the swellings in his legs broke, and some pieces of bone one eighth of an inch long came out, after which his legs straightened and healed up. He is now perfectly recovered, has no appearance of being a cripple, and can perform most kinds of common labor, as all our neighbors can certify. Yours, respectfully,
CALEB DAVIS.

READ THE STATEMENT OF MR. M. McWILLIAMS,
Who is Elder in Rev. Horace Bushnell's church, regarding the cure of his daughter, who was to all appearances crippled for life with the terrible disease, SCROFULA:
CINCINNATI, Feb. 28, 1859.
MESSRS. A. L. SCOVILL & CO.—
Dear Sirs:—I feel it my duty to write you, and let you know what your Blood and Liver Syrup has done for my daughter, and that by publishing it others who suffer with the same disease may know of it, and by its use derive great benefit.—My daughter Eliza has been sorely afflicted with SCROFULA, attended with great pain, for more than two years. She had some five or six running Ulcers on one of her feet, one on her hip, and one on her back. They caused contraction of the limbs so that she could not walk. At this time, from the high recommendation of your Blood and Liver Syrup in curing such diseases, I was induced to try it. She commenced using it, and as the medicine acted on the blood, the sores commenced to heal. The limbs are getting straight—she is now gaining strength. I have only used three bottles of the medicine, and she can now walk quite well. Your Blood and Liver Syrup has done wonders in restoring her health.
With the greatest respect, I remain yours,
H. McWILLIAMS.
