LA GRANDE HOPES TO RETAIN CUP

Tiger Victory at Baker would Assure Permanent Claim to Cup

By Eldon Banks

When La Grande high goes to Baker next Saturday it will have an important piece of business to transact. Not only is there the usual interest in the coming interscholastic, but because La Grande already has won the cup twice, it can obtain permanent possession next Saturday by winning the meet. For that reason the athletes and the fans too will be much concerned with the outcome. Coach McKenzie is making no predictions except that every event will see the best put forth that is in each contestant.

Word from Baker is to the effect that all officials have been selected. These will be as follows:

Referee—Virgil Earl, University of Oregon.

Starter—J. O. Young, North Powder.

Clerk—George Stewart.

Timers — J. E. Reynolds, La Grande; Walter Freeman, Ernest L. Crockett.

Caller—Jim Hendrys.

Judges, Shot Weight, E. D. Towler, La Grande; I. D. Hollenberg, North Powder.

Preliminary events will begin at 10 a. m. Finals will begin at 2 p. m.

A number of winners from as the Eastern Oregon crews meet. Among these are:

100 and 220-yard dashes—Mccoy (B) Keller (L)-Hatfield (M) Cox (L).

440-yard dash—Mays (C) Smith (L).

880-yard dash—Davis (L) Mays (C).

Mile run—Kraus (L) Barbeau (C) Waite (B) Starmer (B).

120-yard hurdles—Allen (P) Lyman (L).

220-yard hurdles — Duff (B) Price (L) Lyman (L).

Javelin—Hutchinson (C) Price (L) Charlton (L).

Eastern Oregon records now stand as follows:

50-dash—5 4-10 sec.
100-dash—10 sec. flat.
220-dash—22 4-5 sec.
440-dash—53 7-10 sec.
880-run—2 min. 2 sec.
Mile run—4 min. 44 sec.
Broad jump—20 ft. 8 ½ in.
High jump—5 ft. 8-10 in.
Pole vault—11 ft. 3 in.
120-hurdles—16 1-5 sec.
Low hurdles—27 sec. flat.
Shotput—44 ft. 1 in.
Hammer throw—132 ft. 2 in.
Javelin—143 ft. 2½ in.
Discus—118 ft. 10 in.
440-yard relay—1 min. 31 sec.

It is thought that some of the standing records are in danger of being bettered, among the low ones. The pole vault—if the day is good and Lyman is going strong he will have a good chance to better the pole vault record.

The discus—In this event La Grande has two good men entered. Both have a good chance to better the record which is now held by Haight of Union.

The 440-yard dash is about the only other event where standing records is in danger. Stance of La Grande has been going strong all year and is determined to run the greatest race of his career when he enters the Eastern Oregon.

Pirates and Cardinals today were deadlocked for the leadership of the National league, the Giants having lost ground before a persistent Brooklyn foe.

In the Pirate-Cardinal series at Pittsburg the Buccaneers crowded into a tie by winning, 11 to 10, a game marked by terrific hitting. They were seven runs behind at one stage, but the big guns opened with a roar in the fifth for a total of 11 runs from then on. Another hard fall for the Giants at the hands of the Robins left them third on the list and still trailing the Brooklyn Indian sign. It was working overtime yesterday when Robins's erstwhile cellar dwellers won, 7 to 4, for their fifth straight victory.

The White Sox fell before the Tigers by 4 to 1 after winning seven games in a row and changing to third place in the American league.

With Goslin and Ruth out of the lineup because of sudden attacks of gloomy and stress trouble respectively, the Senators lost to the Yankees by 4 to 6.

The Chicago Cubs hatched hits enough to defeat Cincinnati 4 to 3.

Dapping the heels of the league leading Yankees, the athletics moved within one game of a tie for second place by whipping the Red Sox while the Braves made the deep inroads into between Philadelphia and Boston by walloping the Phillies, 7 to 4. The smart of a clinch rating defeat for the Cleveland Indians the previous day was wiped out when they came back to beat the St. Louis Browns by 3 to 2.

MASS GAMES TO BE TOMORROW

Several Hundred Children Will Participate in Track Meet

The second annual mass games for championship of city grade schools to be held at the high school grounds next Friday afternoon have really more importance than that which will be seen during the meet in which many hundred children will participate. "Future high school stars will ramble on the track and field, but that is only one phase of it all," explained J. T. Langthorne, school superintendent, in discussing the big event. "The primary purpose of the meet is to engender interest in physical activities in the track and field of grade children rather than a few. The ways we hope to do this is to gain their personal interest; to do this we must provide games and activities for the masses rather than a few stars; the long and many practices in preparation for the meet by hundreds of school children is after all more important than the meet because the daily rehearsals have been of lasting benefit in developing physical bodies. There are so many events that there is something of interest to everyone, either in individual competition or mass games."

There will be 12 teams of girls with 12 in each team, there approaching in various kinds of mass games.

There are three divisions for boys who compete. The first one is 11 and up; 12 to 14 inclusive and 3rd is under 12. These place eliminate grades. The events include dashes from 25 to 100 yards, relays ranging from 100 to 440, broad and high jumps, basket ball and throw and a tug of war.

The events in which girls will participate are: Over the top game, foot dribble race and pyramid relay and in-and-out race.

The officials for the meet are:

J. T. Langthorne, general chairman.

Walter Sears, marshall of the day; Jess Andrews, assistant.

Field Meet Officials:

Earl C. Reynolds, director of meet.

Referee and starter, Lee Reynolds.

Clerk of course, Sam V. MacKenzie.

Timers, J. E. Pearce, J. E. Reynolds, Wm. Pearce.

Judges at finish, W. C. Perkins, Duane Crowe, I. D. Smith, E. M. DeLong.

Judges of broad jumps, Lynn Smith, Floyd Stone.

Judge of high jumps, Irvin Butzer.

Inspectors of track, Kenneth Dustin, Frances Nevin, Shirley Price, Leslie Keller.

Official scorer, Noble Hall; assistants, Owen H. Richelieu, E. A. McEachern.

Charles Brown of Central, Nitzel of Greenwood, and Gilbert, of Elgin, have been working diligently for the past several weeks with their respective teams and all are optimistic as to their chances at victory.

Here's Joe Meyer, one of the two track aspirants at Rigsen college in Wisconsin. He holds the mid-west conference record in the 100 and 220-yard events. His time in the hundred being 9.8 seconds. Meyer is only a sophomore but he has won every race he has been entered in the last two years.

Loughran Wins From Stribling In Hectic Scrap

NEW YORK, May 4 (AP)—Tommy Loughran of Philadelphia boomed today as the outstanding contender for the light heavyweight crown as a result of a decisive victory over Young Stribling, pride of Georgia.

Taking seven of the ten rounds fought, the clever young Philadelphian stood for two collective defeats in punching sessions by winning the unanimous decision of three judges after a fifty round battle at Ebbets Field last night.

Flashing their fistes for a time hard on the outset, both fighters battled furiously all the way, with greater edge on Loughran, who at the close changed of the Southerner with jarring smashes to the head and body. Again and again he hit home the wild swings of his opponent with telling effect.
