THE BATTLE OF ANTIETAM.—The correspondent of the Boston *Journal*, who furnished by far the best account of the battle of Antietam, writes to that paper a resume of the engagement, and collates from details in the rebel papers. He says pointedly:

In reviewing the contest, aided by the Southern account, it seems that all throughout the day complete, decisive, annihilating victory lay within our grasp, and yet we did not take it. In saying this, I raise no criticism, make no question of blame, but prefer to look upon it as a controlling of that Providence which notices the fall of every sparrow. The time had not come for complete victory—for annihilation of the rebel army. We are not yet over the Red Sea. The baptism of blood is not yet complete. The cause of the war is not yet finished. We must suffer yet again.—With firmer faith than ever in the ultimate triumph of right, truth and justice, let us accept the fiery ordeal.

EMANCIPATION.—A Kentucky Unionist writes to Gen. W. O. Butler:

I am a slaveholder, most of my property consists in slaves; yet I say, let all go rather than my Government. In my opinion, the President will be sustained by a large majority of the Union men of Kentucky.—All who do not sustain the principles of his proclamation are merely pandering to secession strength.

☞ The Manchester (England) *Examiner and Times* admires the pluck of our troops, and says:

The Americans know, at least, how to fight. Whatever fault may be found with their generalship, it must be admitted that no troops in the world ever fought better.

VICTORIES.—An enthusiastic "Democrat," of an undoubted character, was crowing last night in this wise: "We have gained two victories; we whipped the Yankees at Bull Run, and the Republicans in New York!"—*S. F. Call.*

ANTIETAM.—The Baltimore American says the correct pronunciation of this word, which is henceforth to be celebrated, is with the accent on the second syllable, thus—Ante-tam.

Dr. Baker's Pain Panacea
Is composed entirely of healing gums, and vegetable oils and herbs. It is perfectly safe for the most delicate to use. I can most sincerely say that I have never known any, however delicate, to be injured by it in the least. I will continue to ask the afflicted, who have not used it, to try it for the following diseases. If they are not satisfied with its healing properties, the money will be cheerfully refunded by the agent where the medicine is for sale.

If you have pain in the Stomach or Bowels, try a dose of Pain Panacea internally, bathe externally over the parts affected, and you will at once restore the proper action and relieve the pain.

If you have a Bruise or Wound, bathe it well with the Pain Panacea four times a day. It will relieve the pain, and take out all the poison, and heal the wound in a short time.

If you are suffering from Neuralgia or Rheumatic Pains, apply the Pain Panacea freely, and take a dose of it internally, morning noon and night; it will not only cure the pain, but will remove the cause of the disease.

If you have the Dyspepsia, and your food disagrees your stomach after eating, take a dose of Pain Panacea after each meal.

If you have a Cankered or Sore Mouth or Throat, apply the Pain Panacea to the affected parts, and gargle the mouth or throat three or four times a day.

If you have the Diarrhœa, or a relaxed state of the bowels, take a few doses of Pain Panacea, and they will soon be restored. If you have a painful swelling, bathe the parts freely, and you will soon relieve the pain, and the swelling will be reduced. If you have a severe tooth-ache, apply the Pain Panacea on a piece of cotton, and bathe the gum at the same time; it will stop the pain instantly.

If you have a pain in the Breast Side, Back, or Kidneys, bathe the parts affected morning and night; at the same time take a dose of the Panacea internally.

If a Mother has a Caked breast, apply the Pain Panacea as hot as can be borne.

If you feel chilly or cold, as though you were going to have a fever, take a dose of Panacea.

If you have a wound, cut, or galls on your horse, apply the Pain Panacea; it will take out all the inflamation, and heal the sore in a short time. Sold by all the principal druggists, and by

SANDS' SARSAPARILLA,

Original and Genuine Article!
ACKNOWLEDGED TO BE
The Best Sarsaparilla Ever Made!

THIS universal preparation has performed some of the most astonishing cures that are recorded in the history of Medicine. The rapidity with which the patient recovers

Health and Strength
under its influence is surprising. Each new case in which it is applied furnishes in the result a new certificate of its efficacy and excellence; and we have only to point to the accumulated testimony of multitudes who have experienced its beneficial effects, to convince the most incredulous of its value. Do not forget to ask for Sands' Sarsaparilla.

Wistar's Balsam of Wild Cherry.—The only pure and genuine Balsam is, and for the last twenty years has been, prepared by SETH W. FOWLE & Co., of Boston; and their printed name, as well as the written signature of *I. Butts*, appear on the outer wrappers. As you would avoid the spurious and have the genuine, *take no other!*

WISTAR'S BALSAM OF WILD CHERRY.—This invaluable remedy is the best one extant for the safe, sure, speedy, and permanent cure of *coughs, colds, sore throat, bronchitis, asthma, pleurisy, pneumonia, croup, whooping cough, bleeding at the lungs, pain in the breast or side*, and in fact every form of throat, chest, and lung complaint, as well as CONSUMPTION itself.

This home-tried remedy should be in the hands of every family and individual, as a timely application of it to a slight cold will cause immediate relief; while cases of long standing, obstinate, and apparently incurable character, will surely yield to its wonderful curative powers and its great adaptation to the wants of man when afflicted.

Sick and Diseased
IN OREGON,
You can be cured!

An Honest Appeal to All with Bad or Failing Health.

ARE you languid inanimate, restless, appetite poor, digestion bad, and PAINS IN THE LIMBS, BODY, BACK, and HEAD? Reader, much of this is caused from COLD caught unwittingly, or, in seven cases out of ten, sluggishness of the liver and blood, and want of natural perspiration, indiscretion in the use of food and drink, or from a dryness in the atmosphere—which is a very unhealthy part of this climate—many of the awful, violent, and SUDDEN DEATHS that occur here must be attributed to this. Now, reader, I have made this my study for many years, and I do assure you that my DR. WEBBER'S INVIGORATING CORDIAL will cure these causes—it will insure animation of the LIVER, BLOOD, and BRAINS—it strengthens the nerves, and gives to the sufferer a lightness of spirits, a mental and bodily feeling of strength, that is delightful. The many respectable persons who have been benefited by and certified to its extraordinary qualities in curing any of the following diseases, must satisfy all but the self-wise and ignorant sceptic—

Dyspepsia, or indigestion; loss of muscular or bodily strength and mental energy; Fever, Ague, or chills; rheumatic, neuralgic or other pains; depletion and weakness of the natural functions, debility from disease, dissipation, too much doctoring, debauchery, and
OTHER CAUSES.

In case of excitement from constant
INTEMPERANCE,
and where
DELIRIUM TREMENS

has occurred, I have seen it change the sufferer in half an hour from the most horrible state to calmness and placidity. It can, indeed, be conscientiously recommended to all suffering, and the proprietor regrets deeply that it is necessary thus to advertise it, in order that its merits may be known. Sold highly concentrated. Price reduced to $3, two for $5—large quart bottles.—Sold by every respectable druggist.

The Rev. Robert Schuyler, of Petaluma, says: "For years, both myself and brother have suffered so from dyspepsia, weakness of and sour stomach, indigestion, and flatulence, that life at times was a burden. We have used your Cordial (Dr. Webber's Invigorating Sanguifier) four days, and feel better than we have for years.

CLOVE ANODYNE
Tooth-ache Drops.
Complain no more of Aching Teeth!

THESE Drops have been extensively used by thousands whose experience has proved that the Anodyne will give immediate and permanent relief after the failure of every other remedy. It is pleasant to the taste and smell, and a few applications will entirely remove the pain and soreness from a decayed tooth, so that it may be filled and rendered as useful as ever. When the pain proceeds from the face, or from the gums around a tooth apparently sound, this Anodyne will give speedy relief by rubbing a few drops on the part affected. It has only to become generally known to be as highly appreciated by the Public as it is by Dentists.

Roman Eye Balsam,
FOR WEAK & INFLAMED EYES.

THIS BALSAM was used for many years in the private practice of a celebrated Oculist, with remarkable success, for diseases of the Eye and Eyelids.
There are many persons who would rather suffer from pain and disease through life, than credit or try the efficacy of any new discovery; all such had better not read this, but to all reasonable persons this preparation is recommended as a most safe and effectual cure for inflammation of the Eye and Eyelids, caused either by too close application to minute objects, scrofulous habit, exposure to cold, blows, contusions, or irritation from any extraneous body under the eyelids. It is remarkably soothing in its effect, and has cured thousands who would otherwise have lost their sight.
In cases the Eyelids are inflamed, or the ball of the Eye thickly covered with blood, it acts almost like magic and removes all appearances of inflammation after two or three applications. There is a numerous class of persons that are peculiarly exposed to accidents or diseases that weaken and inflame the Eyes, and perhaps destroy the sight, who, from the nature of their employments are compelled to work in a cloud of dust and grit. Such should never be without this BALSAM.

PURIFY THE BLOOD.
MOFFAT'S
Vegetable Life Pills
AND
PHŒNIX BITTERS.

THE high and envied celebrity which these pre-eminent Medicines have acquired for their invariable efficacy in all the diseases which they profess to cure, has rendered the usual practice of puffing not only unnecessary, but unworthy of them. They are known by their fruits; their good works testify for them, and they thrive not by the faith of the credulous.
In all cases of asthma, acute and chronic rheumatism, affections of the bladder and kidneys, bilious fevers and liver complaints,—in the south and west, where these diseases prevail, they will be found invaluable. Planters, farmers, and others, who once use these Medicines, will never afterwards be without them.
Dyspepsia.—No person with this distressing disease should delay using these medicines immediately. Eruptions of the skin, erysipelas, flatulency, fever and ague—for this scourge of the western country, these medicines will be found a safe, speedy, and certain remedy. Other medicines leave the system subject to a return of the disease—a cure by these medicines is permanent. TRY THEM, BE SATISFIED, AND BE CURED.
Mercurial Diseases.—Never fails to eradicate entirely all the effects of Mercury infinitely sooner than the most powerful preparation of Sarsaparilla.
Night Sweats, Nervous Debility, Nervous complaints of all kinds, Organic Affections, Palpitation of the Heart, Painter's Colic.
Piles.—The original proprietor of these medicines was cured of Piles of 35 years' standing by the use of these Life Medicines alone. **Worms** of all kinds are effectually expelled by these medicines. Parents will do well to administer them whenever their existence is suspected. Relief will be certain.
The Life Pills and Phœnix Bitters
Purify the blood, and thus remove all disease from the system. A single trial will place the *LIFE PILLS* and *PHŒNIX BITTERS* beyond the reach of competition in the estimation of every patient. ☞ Prepared by

This is to certify that Joseph Meyer, Practical Chemist, has, by the use of his preparations, driven all the rats from Government Store No. 6 of this Inspection, which was infested with these destructive animals, and that I witnessed an extraordinary destruction of cockroaches, by Mr. Meyer; although, when he applied his powder about their places of resort, only a few were seen, soon after, in less than fifteen minutes, the floor of the room was literally covered with them, some already dead, others dying, and I feel assured that by a few applications of his Chemical Powder, (which is certainly very efficacious,) Mr. Meyer would entirely rid a house of these obnoxious insects.

The present critical state of European affairs will render these publications unusually interesting during the forthcoming year. They will occupy a middle ground between the hastily written news-items, crude speculations, and flying rumors of the daily Journal, and the ponderous tome of the future historian, written after the living interest and excitement of the great political events of the time shall have passed away. It is to these Periodicals that readers must look for the only really intelligible and reliable history of current events, and as such, in addition to their well-established literary, scientific, and theological character, we urge them upon the consideration of the reading public.
The receipt of **Advance Sheets** from the British publishers gives additional value to these Reprints, inasmuch as they can now be placed in the hands of subscribers about as soon as the original editions.

To cure all scrofulous and other diseases that originate from the BLOOD OR LIVER.

READ THE STATEMENT OF MR. M. McWILLIAMS,
Who is Elder in Rev. Horace Bushnell's church, regarding the cure of his daughter, who was to all appearances crippled for life with the terrible disease, SCROFULA:
CINCINNATI, Feb. 28, 1859.
MESSRS. A. L. SCOVILL & CO.—
Dear Sirs:—I feel it my duty to write you, and let you know what your Blood and Liver Syrup has done for my daughter, and that by publishing it others who suffer with the same disease may know of it, and by its use derive great benefit.—My daughter Eliza has been sorely afflicted with SCROFULA, attended with great pain, for more than two years. She had some five or six running Ulcers on one of her feet, one on her hip, and one on her back. They caused contraction of the limbs so that she could not walk. At the time, from the high recommendation of your Blood and Liver Syrup in curing such diseases, I was induced to try it. She commenced using it, and as the medicine acted on the blood, the sores commenced to heal. The limbs are getting straight—she is now gaining strength. I have only used three bottles of the medicine, and she can now walk quite well. Your Blood and Liver Syrup has done wonders in restoring her health.
With the greatest respect, I remain yours,
H. MCWILLIAMS.
