Scrofula

Few are entirely free from it.

It may develop so slowly as to cause little if any disturbance during the whole period of childhood.

It may then produce dyspepsia, catarrh, and marked tendency to consumption, before causing eruptions, sores or swellings.

To get entirely rid of it take the great blood-purifier,

In usual liquid form or in chocolated tablets known as **Sarsatabs.** 100 doses $1.

The president has warned employes in the classified service not to become to active in politics. The cabinet officers are not in the classified service.

Beginning this week the Itemizer will hereafter issue a colored supplement as all up to date papers do. The Itemizer is the first Polk county paper to do so. The expense of such an edition is considerable, but our subscription and advertising list has grown to such dimensions that a regular supplement became absolutely necessary. We now have plenty of advertising space, and can still give our 1,500 readers all the county news. The colored portion is printed in the east and is unlike any of the supplements issued in Portland—and is to our notion best of them all. One side is printed here at home, and will hereafter be filled with county news. Both old and young can now take a few moments of leisure and have a good hearty laugh over the funny incidents so artistically depicted on our fifth and eighth pages.

The days are now growing shorter.

Just think of it. Our cherries are to go to California to make cocktails for effete eastern louis s.

The cannery trust did not make their little scheme to lower the price of cherries work, as Sea tle stepped in and gobbled the pot.

Traveling men all say that Dallas is the most prosperous town of her size that they encounter on the road, and they always praise our hotels.

The planet Mars will come nearer the earth this summer, than ever before. And with Teddy in the White House, we may have a war with one of the neighbors yet.

"If dollar wheat makes $6 flour," asks the St. Albans Messenger "where does the great public benefit come in?" Why the public has less trouble getting rid of its money of course. Ask us another.

A federal inspector is now in Oregon looking up the matter of the S. P. land grants. He and our congressmen think it only a matter of time until the railroad will be compelled to comply with the terms of their land grant.

Lillies insect powder will kill lice on poultry in one minute—For sale at Lee Smith's Cyclery.

It looks as if the Itemizer's continual hammering about a night watch is about to bring results.

BUILT THE FIRST HOUSE

In Corvallis—That was 62 Years Ago—Back After 50 Years.

A visitor in Corvallis this morning, was a man who was on the town site before the first building was erected. He is W. S. Gilliam, 78 years old, now a resident of Walla Walla. His father was Col. Gilliam, one of the original settlers of the town site of Dallas, and the man after whom Gilliam county takes its name. Col. Gilliam was an old Indian fighter who had won distinction in the Florida wars, who was at one time brigadier general of the militia in the state of Missouri, and who was killed in the Cayuse war in this country.

Col. Gilliam built the first house in Corvallis. It was the J. C. Avery cabin and was constructed in 1845. Mr. Avery had taken the well known Avery donation land claim, but was temporarily engaged at Oregon City, so he hired Col Gilliam to come here and build the cabin, which was necessary in order to hold the claim. Col. Gilliam and his son came to do the work and Mr. Avery gave them a cow.

Col. Gilliam was the first sheriff of Polk county, one term. He also served a term as representative in the territorial legislature.

The present visit of W. S. Gilliam, the son, to Corvallis, is the first in 50 years. He has been a guest at the Tarter home, being related to the family.—Corvallis Times.

Miss Loisel Blair, of Buell, has 150 votes to her credit in the Newport contest, which we overlooked in the count Tuesday night.

Assessor Graves is working on the assessment roll, with his assistants, Mrs. Graves and Mrs. Smith. The equalization board does not meet this year until October.

The following Oregon patents were granted during the week: R. H. Beebe, St Johns, hydraulic elevator; S. W. Bower, Junction City, rail joint; A. A. Churchill, Portland, track sanding device; A. J. Colvin, Grants Pass, handhold forming machine; A. L. Crosby, Portland, means for propelling and steering; E. Mingus, Marshfield, anchor projectile; E. E. Straw, Marshfield, tonsilotome.

No more vitally interesting article has appeared for a long time than "Brain and Brain" in the July Everybody's. The author, Dr. William Hannah Thompson, a recognized authority, presents what to most of us will be an entirely new conception of the brain, facts of the greatest practical importance in mental training, and he puts it in a simple, easily comprehended form unusual in a scientific writer. It is a notable consribution.

DO YOU GET UP WITH A LAME BACK?

Kidney Trouble Makes You Miserable.

Almost everybody who reads the newspapers is sure to know of the wonderful cures made by Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.

It is the great medical triumph of the nineteenth century; discovered after years of scientific research by Dr. Kilmer, the eminent kidney and bladder specialist, and is wonderfully successful in promptly curing lame back, kidney, bladder, uric acid troubles and Bright's Disease, which is the worst form of kidney trouble.

Dr. Kilmer's **Swamp-Root** is not recommended for everything but if you have kidney, liver or bladder trouble it will be found just the remedy you need. It has been tested in so many ways, in hospital work, in private practice, among the helpless too poor to purchase relief and has proved so successful in every case that a special arrangement has been made by which all readers of this paper who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root and how to find out if you have kidney or bladder trouble. When writing mention reading this generous offer in this paper and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The regular fifty cent and dollar sizes are sold by all good druggists.

House of Swamp-Root.

Do not make any mistake, but remember the name, Swamp-Root, Dr Kilmer's Swamp-Root, and the address Binghampton, N. Y. on every bottle.

HIDDEN DANGERS.

Nature Gives Timely Warnings That No Dallas Citizen Can Afford to Ignore.

DANGER SIGNAL, NO. 1 comes from the kidney secretions. They will warn you when the kidneys are sick. Well kidneys excrete a clear, amber fluid. Sick kidneys send out a thin, pale and foamy, or a thick, red ill-smelling urine, full of sediment and irregular of passage.

DANGER SIGNAL NO 2 comes from the back. Back pains, dull and heavy, or sharp and acute, tell you of sick kidneys and warn you of the approach of dropsy, diabetes and Bright's disease. Doan's Kidney Pills cure sick kidneys and cure them permanently.

Mrs. A. R. Hill, of 331 E. Fifth St., Albany, Ore., says: "Not a word too much is said in praise of Doan's Kidney Pills, and it ought to be proof enough of their merit when people living right here in Albany recommend them, instead of some unknown person in Texas or some other faraway place. I have used Doan's Kidney Pills myself and know of many more who have used them. In my case they cured back ache and other troublesome symptoms of kidney complaint. Everyone else who has used them to my knowledge have had the same satisfaction and that is why I lend my name in endorsing the remedy."

Remember the name, Doan's, and take no other. For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo. New York, sole agents for the United States.

JUDGE SIBLEY HONORED.

Asked to Become a Member of a Woyup Committe.

Through Organizer V. P. Fiske, Judge J. E. Sibley was today tendered a membership in the Woodman committee of Rulings, Appeals and Pending Claims. A greater honor could not be conferred on any Woodman. This committee will meet in Seattle on July 17th, a week prior to the meeting of the head camp, and their business is to go over the divisions as indicated by the name of the committee. A man placed in that advantageous position secures information about the order hardly obtainable by a lay member, and it also puts him in line for further promotion, Judge Sibley is to be congratulated on the preferment, and Dallas can be assured that gain will come to her by reason of such. A number from Dallas will attend the meeting on July 24th.

We understand that Mr. Frank W. Fawk, a prominent young farmer of the Salt Creek vicinity, and Miss Esther Savage, of this city, were married in Portland Wednesday. We have been unable to obtain the particulars.
