THE SOLDIER TO HIS MOTHER.

"Kiss my little brother and my sisters, and tell them I died for my Country."

On the field of battle, mother,
All the night alone I lay,
Angels watching o'er me, mother,
Till the breaking of the day.
I lay thinking of you, mother,
And the loving ones at home,
Till to our dear old cottage, mother,
Boy again I seemed to come.

He to whom you taught me, mother,
On my infant knee to pray,
Kept my heart from fainting, mother,
When the vision passed away.
In the grey of morning, mother,
Comrades bore me to the town;
From my bosom tender fingers
Washed the blood that trickled down.

I must soon be going, mother,
Going to the home of rest;
Kiss me as of old, mother,
Press me nearer to your breast.
Would I could repay you, mother,
For your faithful love and care;
God uphold, and bless you, mother,
In this bitter woe you bear.

Kiss me for my little brother,
Kiss my sisters, loved so well;
Where you sit together, mother,
Tell them how their brother fell.
Tell to them the story, mother,
When I sleep beneath the sod,
That I died to save my country,
All from love to her and God.

Leaning on the Saviour, mother,
Of the one who died for all,
Peace is in my bosom, mother—
Hark! I hear the angels call!
Don't you hear them singing, mother?
Listen to the music's swell!
Now I leave you, loving mother—
God be with you—farewell.

The certainty that life cannot be long, and the probability that it will be much shorter than nature allows, ought to awaken every man to the active prosecution of whatever he is desirous to perform. It is true that no diligence can ascertain success; death may intercept the swiftest career, but he who is cut off in the execution of an honest undertaking, has at least the honor of falling in his rank, and has fought the battle, tho' he missed the victory.—*Dr. Johnson.*

Dr. Baker's Pain Panacea

is composed entirely of healing gums, and vegetable oils and herbs. It is perfectly safe for the most delicate to use. I can most sincerely say that I have never known any, however delicate, to be injured by it in the least. I will continue to ask the afflicted, who have not used it, to try it for the following diseases. If they are not satisfied with its healing properties, the money will be cheerfully refunded by the agent where the medicine is for sale.

If you have pain in the Stomach or Bowels, try a dose of Pain Panacea internally, bathe externally over the parts affected, and you will at once restore the proper action and relieve the pain.

If you have a Bruise or Wound, bathe it well with the Pain Panacea four times a day. It will relieve the pain, and take out all the poison, and heal the wound in a short time.

If you are suffering from Neuralgia or Rheumatic Pains, apply the Pain Panacea freely, and take a dose of it internally, morning, noon and night; it will not only cure the pain, but will remove the cause of the disease.

If you have the Dyspepsia, and your food distresses your stomach after eating, take a dose of Pain Panacea after each meal.

If you have a Cankered or Sore Mouth or Throat, apply the Pain Panacea to the affected parts, and gargle the mouth or throat three or four times a day.

If you have the Diarrhœa, or a relaxed state of the bowels, take a few doses of Pain Panacea, and they will soon be restored. If you have a painful swelling, bathe the parts freely, and you will soon relieve the pain, and the swelling will be reduced. If you have a severe toothache, apply the Pain Panacea on a piece of cotton, and bathe the gum at the same time; it will stop the pain instantly.

If you have a pain in the Breast, Side, Back, or Kidneys, bathe the parts affected morning and night, at the same time take a dose of the Panacea internally.

If a Mother has a Caked breast, apply the Pain Panacea as hot as can be borne.

If you feel chilly or cool, as though you were going to have a fever, take a dose of Panacea.

If you have a wound, cut, or galls on your horse, apply the Pain Panacea; it will take out all the inflammation, and heal the sore in a short time. Sold by all the principal druggists, and by

Sick and Diseased
IN OREGON,
You can be cured!

An Honest Appeal to All with Bad or Failing Health.

ARE you languid, inactive, nervous, appetite poor, digestion bad, and PAINS IN THE LIMBS, BODY, BACK, and HEAD? Reader, much of this is caused from COLD caught on waterways, or in wet clothes out of sun, sluggishness of the liver and blood, and want of natural perspiration, inactivity in the use of food and drink, or from a dryness in the atmosphere—which is a very unhealthy part in this climate—many of the nasal, vocal, and SUDDEN DEATHS that occur here must be attributed to this. Now, reader, I have made this my study for some years, and I do assure you that my DR. WEBBER'S INVIGORATING CORDIAL will cure these causes—it will invigorate the LIVER, BLOOD, and BRAINS—it strengthens the nerves, and gives to the sufferer a lightness of spirits, a mental and bodily feeling of strength, that is delightful. The many respectable persons who have been benefited by and testified to its extraordinary qualities in curing any of the following diseases, must satisfy all but the self-wise and ignorant sceptic—

Dyspepsia, or indigestion; loss of muscular or bodily strength and mental energy; Fever, Ague, or chills; rheumatic, neuralgic or other pains; depletion and weakness of the natural functions, debility from disease, dissipation, too much doctoring, debauchery, and
OTHER CAUSES.

In case of excitement from constant
INTEMPERANCE,
and where
DELIRIUM TREMENS
has occurred, I have seen it change the sufferer in half an hour from the most horrible state to calmness and quietude. It can, indeed, be conscientiously recommended to all suffering, and the proprietor regrets deeply that it is necessary thus to advertise it, in order that its merits may be known. Sold highly concentrated. Price reduced to $3, two for $5—large quart bottles.—Sold by every respectable druggist.
The Rev. Robert Schuyler, of Petaluma, says: "For years, both myself and brother have suffered so from dyspepsia, weakness of and sour stomach, indigestion, and flatulence, that life at times was a burden. We have used your Cordial (Dr. Webber's Invigorating Sanguifier) four days, and feel better than we have for years.

SCOVILL'S
SARSAPARILLA
AND
STILLINGIA!
OR
Blood & Liver Syrup.

IT is hereby recommended by Physicians to cure the following diseases having their origin in a disordered state of the blood:
Canker, Ulcerations and Enlargement of the Joints, Cancerous Tumors, Erysipelas, King's Evil, St. Anthony's Fire, White Swellings, Obstinate Eruptions, Pimples on the Face, Rheumatism, Blotches, Pustules, Dyspepsia, etc.; Syphilitic and Mercurial Affections are cured, Obstructions or obstructions in females; Leucorrhœa or Whites, are relieved by the use of this Medicine.
The medical properties of Sarsaparilla in conjunction with Stillingia are well known by all medical men to be the best compound yet discovered to cleanse and purify the blood, and eradicate all humors from the system.
We have given the recipe to most physicians in the country, that they may know what they are using, and will continue to send it by mail to those desirous of knowing the ingredients entering into its composition, that they may prescribe it in their practice.
This preparation stands at the head of the list of remedies for curing all diseases arising from impurities of the blood or diseased matter lurking in the system.
Thousands who have used the Stillingia and Sarsaparilla will testify to its remarkable effects in moving all impurities from their blood, giving tone and vigor to the whole human frame, and securing a healthy action to all the functions of the body.
This preparation is received in its favor from many members of the Medical Faculty, would, were we so publish them, fill a large volume.
It is prepared under the supervision of one of the ablest and best practical chemists in the country (Mr. W. S. Merrick, Cincinnati) so as to ensure a uniformity of composition and purity in all the ingredients.
As a spring remedy, to purify and cleanse the blood, leaving it free from all humors and impurities, we assert with confidence there is no better remedy.

PURIFY THE BLOOD.
MOFFAT'S
Vegetable Life Pills
AND
PHŒNIX BITTERS.

THE high and varied celebrity which these pleasant Medicines have acquired for their invariable efficacy in all the diseases which they profess to cure, has rendered the usual practice of puffing not only unnecessary, but unworthy of them. They are known by their effects, their good works testify for them, and they thrive not by the fight of the crowd.
In all cases of sallowness, acute and chronic rheumatism, all cases of the bladder and kidneys, bilious fevers and liver complaints, in the south and west, where these diseases prevail, they will be found invaluable. Planters, families, and others, who make use of these Medicines, will never stir towards his without them.
DYSPEPTICS.—No person with this distressing disease should delay using these medicines immediately. Eruptions of the skin arising from dyspepsia, liver and system in the sewage of the western country, these medicines will be found a sure, speedy and certain remedy. Other medicines leave the system subject to a return of the disease—these and those only cure it permanently. Try them, gentlemen, and be cured.
MERCURIAL DISEASES.—Never before have any medicines so the effects of Mercury in healing so much than the most powerful preparations of mercury.
Night Sweats, Nervous Debility, Nervous complaints of all kinds, Organic Affections, Palpitation of the Heart, Painter's Colic.
PRICES.—The original proprietor of these medicines was cured in Paris of a long standing by the use of these Life Medicines alone. Worms of all kinds are effectually expelled by these medicines. Parents will do well in administering them whenever their services are required. Relief will be certain.
The Life Pills and Phœnix Bitters
Purify the blood, and thus remove all humors from the system. A single trial will prove the *LIFE PILLS* and *PHŒNIX BITTERS* beyond the result of puffing, as the cures are every point. ☞ Prepared by

The present critical state of European affairs will render these publications unusually interesting during the forthcoming year. They will occupy a middle ground between the hastily written newspaper, crude speculations, and flying rumors of the daily journal, and the ponderous tome of the future historian, written after the living interest and excitement of the great political events of the time shall have passed away. It is to these Periodicals that readers must look for the only really intelligible and reliable history of current events, and as such, in addition to their well-established literary, scientific, and theological character, we urge them upon the consideration of the reading public.
The receipt of **Advance Sheets** from the British publishers gives additional value to these Reprints, inasmuch as they can now be placed in the hands of subscribers about as soon as the original editions.

To cure all scrofulous and other diseases that originate from the BLOOD or LIVER.

READ THE STATEMENT OF MR. M. McWILLIAMS,
Who is Elder in Rev. Horace Bushnell's church, regarding the cure of his daughter, who was to all appearances crippled for life with the terrible disease, SCROFULA:
CINCINNATI, Feb. 28, 1859.
MESSRS. A. L. SCOVILL & CO.—
Dear Sirs—I feel it my duty to write you, and let you know what your Blood and Liver Syrup has done for my daughter, and that by publishing it others who suffer with the same disease may know of it, and by its use derive great benefit.—My daughter Eliza has been sorely afflicted with SCROFULA, attended with great pain, for more than two years. She had some five or six running Ulcers on one of her feet, one on her hip, and one on her back. They caused contraction of the limbs so that she could not walk. At this time, from the high recommendation of your Blood and Liver Syrup in curing such disease, I was induced to try it. She commenced using it, and as the medicine acted on the blood, the sores commenced to heal. The limbs are getting straight—she is now gaining strength. I have only need three bottles of the medicine, and she can now walk quite well. Your Blood and Liver Syrup has done wonders in restoring her health.
With the greatest respect, I remain yours,
H. McWILLIAMS.
