A Summer Suit with the same distinctive cut that you want in your winter clothes

Exactly the right cut, two and three-button models. It's hard to get that artistically. Few clothes makers give their summer suits that degree of care. These have had it; they show it all through. Utterly correct—wonderfully good-looking.

WATER DAMAGES CROP OF BERRIES

Price Adjustments Downward in Portland Market Result of Rains

PORTLAND, June 26.—Rain in quantity—Rain damage showing on best strawberries marketed in the local wholesale market, has caused price adjustments downward in quotations of strawberries. Much of the Hammond strawberries being now marketed sells in the low to $1.25 crate.

Good prime are still quotable at $1.50 and $1.75 per crate, according to quality.

The cherry market has strengthened to from $1.50 to $1.75 per crate for prime with a few premium lots fetching the top.

Bing are the star.

Bing and Lambs are practically alike with a slight advantage in the price of Lambs that sells for $1.75 per crate. The best Bings are the most valuable.

Cherries showing rain cracks are not wanted and should sell at close prices.
