God's Diary.—Some men are very careful not to put on paper anything that may prove injurious to them.—The caution is a wise one, and ought to be practiced by all. An injurious sentence committed to paper may remain and do harm, long after the hand that penned it is mouldering in the dust. Some men keep a diary. They make a daily record of their actions, and, to some extent, of their thoughts. No man ever kept a full diary. The completest one ever made, recorded only a small portion of the acts of the subject. A great many thoughts pass through men's minds which they would not like to see expressed on paper. They would not like to see them spread out before their own eyes, much less before the eyes of their fellow men. How miserable it would make one to have a complete diary of his life published.

No created hand can record such a diary. Such a diary is kept only in the memory of God. Every action of our lives is, as it were, photographed in Heaven the instant it is performed. The most secret thought is registered in the diary of God. What folly for men then to attempt to sin in secret!

Are their acts recorded in vain, or shall the record one day be exhibited to the universe? When all secret things shall be brought into judgment, shall they be made publicly manifest, that the grounds of the sentence may be seen.—*Pres. Banner.*

The longest liver must die at last.

Lines suggested by the death of Rev. Andrew Given Carruthers, "the frail and youthful pastor," late U. S. Consul at Martinique.

From earth's pleasures and pains he is gone,
All triumphant his spirit has fled,
The walls of his prison are broken,
It is only the mortal that's dead.

As his beautiful life had been calm,
So its premature closing was fair,
For the Savior, whom early he loved,
With the light of his presence was there.

Blighted his years ere manhood's full prime,
But why mourn that his labors are done,
That earth's sorrows and dangers are past,
And in heaven a home he has won?

When foul treason had taken the sword,
And war swept like a tempest of flame,
As a patriot faithful he stood,
And fair the wreath entwining his name.

Fondly cherished his mem'ry shall be,
Though all silent and lone he now sleeps
In a grave on that green, sunny isle
Where Death sternly his vigils still keeps.

For a season we'll bid him farewell,
Not long shall the mists that enfold him
Intercept between him and our souls,
If through grace we're saved to behold him.

Dr. Baker's Pain Panacea
Is composed entirely of healing gums, and vegetable oils and herbs. It is perfectly safe for the most delicate to use. I can most sincerely say that I have never known any, however delicate, to be injured by it in the least. I will continue to ask the afflicted, who have not used it, to try it for the following diseases. If they are not satisfied with its healing properties, the money will be cheerfully refunded by the agent where the medicine is for sale.
If you have pain in the Stomach or Bowels, try a dose of Pain Panacea internally, bathe externally over the parts affected, and you will at once restore the proper action and relieve the pain.
If you have a Bruise or Wound, bathe it well with the Pain Panacea four times a day. It will relieve the pain, and take out all the poison, and heal the wound in a short time.
If you are suffering from Neuralgia or Rheumatic Pains, apply the Pain Panacea freely, and take a dose of it internally, morning noon and night; it will not only cure the pain, but will remove the cause of the disease.
If you have the Dyspepsia, and your food distresses your stomach after eating, take a dose of Pain Panacea after each meal.
If you have a Cankered or Sore Mouth or Throat, apply the Pain Panacea to the affected parts, and gargle the mouth or throat three or four times a day.
If you have the Diarrhœa, or a relaxed state of the bowels, take a few doses of Pain Panacea, and they will soon be restored. If you have a painful swelling, bathe the parts freely, and you will soon relieve the pain, and the swelling will be reduced. If you have a severe headache, apply the Pain Panacea on a piece of cotton, and bathe the gum at the same time; it will stop the pain instantly.
If you have a pain in the Breast, Side, Back, or Kidneys, bathe the parts affected nearly and night; at the same time take a dose of the Panacea internally.
If a Mother has a Caked breast, apply the Pain Panacea as hot as can be borne.
If you feel chilly or cold, as though you were going to have a fever, take a dose of Panacea.
If you have a wound, cut, or galls on your horse, apply the Pain Panacea; it will take out all the inflamation, and heal the sore in a short time. Sold by all the principal druggists, and by

ANY ONE who professes to understand all trades or sciences, assumes to impose an absurdity upon the public. On the same principle, any one medicine which professes to cure all diseases is unworthy the slightest confidence, and should at once be denounced as a quack nostrum. The

Sick and Diseased
IN OREGON,
You can be cured!
An Honest Appeal to All with Bad or Failing Health.

ARE you languid, inanimate, restless, appetite poor, digestion bad, and PAINS IN THE LIMBS, BODY, BACK, and HEAD? Reader, much of this is caused from COLD caught unwittingly, or, in seven cases out of ten, sluggishness of the liver and blood, and want of natural perspiration, indiscretion in the use of food and drink, or from a dryness in the atmosphere—which is a very unhealthy part of this climate—many of the awful, violent, and SUDDEN DEATHS that occur here must be attributed to this. Now, reader, I have made this my study for many years, and I do assure you that my DR. WEBBER'S INVIGORATING CORDIAL will cure these causes—it will insure animation of the LIVER, BLOOD, and BRAINS—it strengthens the nerves, and gives to the sufferer a lightness of spirits, a mental and bodily feeling of strength, that is delightful. The many respectable persons who have been benefited by and certified to its extraordinary qualities in curing any of the following diseases, must satisfy all but the self-wise and ignorant sceptic—
Dyspepsia, or indigestion; loss of muscular or bodily strength and mental energy; Fever, Ague, or chills; rheumatic, neuralgic or other pains; depletion and weakness of the natural functions, debility from disease, dissipation, too much doctoring, debauchery, and
OTHER CAUSES.
In case of excitement from constant
INTEMPERANCE,
and where
DELIRIUM TREMENS
has occurred, I have seen it change the sufferer in half an hour from the most horrible state to calmness and placidity. It can, indeed, be conscientiously recommended to all suffering, and the proprietor regrets deeply that it is necessary thus to advertise it, in order that its merits may be known. Sold highly concentrated. Price reduced to $3, two for $5—large quart bottles.—Sold by every respectable druggist.
The Rev. Robert Schuyler, of Petaluma, says: "For years, both myself and brother have suffered so from dyspepsia, weakness of and sour stomach, indigestion, and flatulence, that life at times was a burden. We have used your Cordial (Dr. Webber's Invigorating Sanguifier) four days, and feel better than we have for years.

SCOVILL'S
SARSAPARILLA
AND
STILLINGIA!
OR
Blood & Liver Syrup.

IT is hereby recommended by Physicians to cure the following diseases having their origin in a disordered state of the blood:
Canker, Ulcerations and Enlargement of the Joints, Cancerous Tumors, Erysipelas, King's Evil, St. Anthony's Fire, White Swellings, Obstinate Eruptions, Pimples on the Face, Rheumatism, Blotches, Pustules, Dyspepsia, etc.; Syphilitic and Mercurial Affections are cured; Chlorosis or obstructions in females; Leucorrhœa or Whites, are relieved by the use of this Medicine.
The medical properties of Sarsaparilla in conjunction with Stillingia are well known by all medical men to be the best compound yet discovered to cleanse and purify the blood, and eradicate all humors from the system.
We have given the recipe to most physicians in the country, that they may know what they are using, and will continue to send it by mail to those desirous of knowing the ingredients entering into its composition, that that they may prescribe it in their practice.
This preparation stands at the head of the list of remedies for curing all diseases arising from impurities of the blood or diseased matter lurking in the system.
Thousands who have used the Stillingia and Sarsaparilla will testify to its remarkable effect in moving all impurities from their blood, giving tone and vigor to the whole human frame, and restoring a healthy action to all the functions of the body.
The testimonials received in its favor from many members of the Medical Faculty would, were we to publish them, fill a large volume.
It is prepared under the supervision of one of the oldest and best practical chemists in the country, (Mr. W. S. Merrill, Cincinnati,) so as to insure a uniformity of composition and purity in all the ingredients.
As a spring remedy, to purify and cleanse the blood, leaving it free from all humors and impurities, we assert with confidence there is no better remedy.
Sold by all Druggists, and by

PURIFY THE BLOOD.
MOFFAT'S
Vegetable Life Pills
AND
PHŒNIX BITTERS.

THE high and envied celebrity which these preeminent Medicines have acquired for their invariable efficacy in all the diseases which they profess to cure, has rendered the usual practice of puffing not only unnecessary, but unworthy of them. They are known by their fruits; their good works testify for them, and they thrive not by the faith of the credulous.
In all cases of asthma, acute and chronic rheumatism, affections of the bladder and kidneys, bilious fevers and fever complaints,—in the south and west, where these diseases prevail, they will be found invaluable. Planters, farmers, and others, who once use these Medicines, will never afterwards be without them.
Dyspepsia.—No person with this distressing disease should delay using these medicines immediately. Eruptions of the skin, erysipelas, flatulency, fever and ague—for this scourge of the western country, these medicines will be found a safe, speedy, and certain remedy. Other medicines leave the system subject to a return of the disease—a cure by these medicines is permanent. TRY THEM, BE CONVINCED, AND BE CURED.
Mercurial Diseases.—Never fails to eradicate entirely all the effects of Mercury infinitely sooner than the most powerful preparation of Sarsaparilla.
Night Sweats, Nervous Debility, Nervous complaints of all kinds, Organic Affections, Palpitation of the Heart, Painter's cholic.
Piles.—The efficacy of these medicines in the cures of Piles of 35 years' standing by the use of these Life Medicines alone. **Worms** of all kinds are effectually expelled by these medicines. Parents will do well to administer them whenever their existence is suspected. Relief will be certain.
The Life Pills and Phœnix Bitters
Purify the blood, and thus remove all disease from the system. A single trial will place the *LIFE PILLS* and *PHŒNIX BITTERS* beyond the reach of competition in the estimation of every patient. ☞ Prepared by
