A SPECIFIC

—FOR—

La Grippe, for Colds, Coughs,

AND LUNG TROUBLES,

AYER'S CHERRY PECTORAL

"Two years ago, I had the grippe, and it left me with a cough which gave me no rest night or day. My family physician prescribed for me, changing the medicine as often as he found the things I had taken were not helping

me, but, in spite of his attendance, I got no better. Finally, my husband,—reading one day of a gentleman who had had the grippe and was cured by taking Ayer's Cherry Pectoral,—procured, for me, a bottle of this medicine, and before I had taken half of it, I was cured. I have used the Pectoral for my children and in my family, whenever we have needed it, and have found it a specific for colds, coughs, and lung troubles."—EMILY WOOD, North St., Elkton, Md.

No people suffer so much from physical disabilities as those whose business requires little or no muscular exertion. The lack of exercise causes the liver to become sluggish and the result is constant constipation, indigestion, biliousness and sick headache. To prevent this take Simmons Liver Regulator; it keeps the liver active and makes one's condition as comfortable as those who have much exercise.

We Call the Attention

OF THE PUBLIC

TO THE FACT that when a merchant advertises that he or they can undersell anyone else, he is talking through his hat; or, in other words, he is a liar and the truth is not in him. We do not claim to undersell every one else, but we defy any man to undersell us; that is an advantage that no man has over another providing they be truthful to their brother merchants (which we are sorry to say is not the case with Heppner merchants.)

• • • •

We invite the public to inspect our stock, and believe you will find it a clean, fresh, first-class stock and well selected, and our prices are as cheap as any store in Eastern Oregon.

• • • •

Call and see us and you will find we mean just what we say.

Very Respectfully Yours,

HORNER & RHEA.

We've tried a port,
We'll let you go it.
And the public will hear what he'll say.
He'll truthfully tell you
That no one can sell you
Cheaper than Horner & Rhea.

Other posts have boasted,
But now they'll get roasted,
For the people don't care what they say.
Stop in for a minute,
You'll find we are in it,
And you'll buy of Horner & Rhea.

Step into the store
And look the stock o'er,
You'll find us the same every day.
You want to be treated,
And we'll be satisfied,
When you purchase of Horner & Rhea.

Here and There.

The O. R. & N. Co.'s new time card goes into effect Monday on the branch. The train will leave Heppner at 10:30 p. m, and return 6:15 a. m., making close connection with the overland train at Willows Junction. We believe this change will give better satisfaction than the present schedule.

In speaking of the stock show at the state fair, the Rural Northwest, of Portland, says: "Mr. N. C. Maris, of Heppner, who has come to the front in Oregon very recently as a Shorthorn breeder, had a good display and although his cattle were taken directly from the pasture and not in show condition took the sweepstakes premium on bull as well as a number of first premiums." The same paper also made complimentary notice of W. O. Minor's stock exhibit. Mr. Minor and Mr. Maris are very much interested in the raising of good stock and give much of their attention to it. We are glad to note their success at the state fair.

"The Common People."

As Abraham Lincoln called them, do not care to argue about their ailments. What they want is a medicine that will cure them. The simple, honest statement, "I know that Hood's Sarsaparilla cured me," is the best argument in favor of this medicine, and this is what many thousands voluntarily say.

Hood's Pills are the best after-dinner pills, assist digestion, cure headaches. 25c.

These races are to continue five days and promise to be of much interest to horsemen and others interested in this kind of sport. We have not been able to learn just how many horse owners are here with fast stock, but have got the following names: Harve Summerville, of Eugene, with Black Prince; J. L. Van Winkle, of Grass Valley, with Wild Bill; Ebb Boyenton, of The Dalles, with Hot Stuff; Andy Allen, of The Dalles, with Cracker Jack; Elzy Pickard, of Eugene, with Black Alder; Cass Matlock, of Pendleton, with Baby Ruth and Hermann; Pat Kine, of Pendleton, with Celam; Fred Patton, of Yakima, with Jubilum. Matlock's May; T. J. Matlock's Theresa; G. B. Tedrow's Umatilla Queen and Oregon Danger, and Jim Jones' four horses whose names we did not learn. Jim Cowins, of Haystack, is here with a horse, also, and it is expected that several more will arrive from other points in the interior.

None But Ayer's at the World's Fair

Ayer's Sarsaparilla enjoys the extraordinary distinction of having been the only blood purifier allowed an exhibit at the World's fair, Chicago. Manufacturers of other sarsaparillas sought by every means to obtain a showing of their goods, but they were all turned away under the application of the rule forbidding the entry of patent medicines and nostrums. The decision of the World's fair authorities in favor of Ayer's Sarsaparilla was in effect as follows: "Ayer's Sarsaparilla is not a patent medicine. It does not belong to the list of nostrums. It is here on its merits."

PORTLAND EXCURSIONS.—For the Oregon Industrial Exposition which opened at Portland on the 5th inst., the O. R. & N. will make a rate from Heppner and return at $4 50. However, on every Tuesday during the Exposition, excursion tickets to Portland and return will be sold at $9 90 for the round trip, including two tickets of admission to the Exposition. On the excursion of the 10th inst., two tickets of admission are included. The limit of time is the same for the Tuesday excursions as for the special excursion of Oct. 10th. Those who go on excursions should provide themselves with accident insurance.

There can be no pleasure or happiness for persons whose liver or kidneys are unhealthy. They are weak, sick and irritable, and find it burdensome to perform work of any kind. What they need is a thorough treatment with Dr. J. H. McLean's Liver and Kidney Balm. This remedy is recognized by many of the best medical authorities as without a peer for the cure of diseases of the kidneys or liver. It rapidly drives out diseased conditions, restores health and strength, vigor and cheerful spirits. Price $1.00 per bottle.

Hints for Advertisers.

Newspaper space may be compared to a garden, it is a success or a failure, just as it is cultivated.

The first requisite toward convincing the public that your goods are superior to others is to believe it yourself.

The principles of economy are not best followed by stopping your advertising, but by advertising more judiciously.

When the days are stormy and the people stay at home, your advertisment in the proper medium is right there with them.

A gold mine ceases to pay the instant you cease to work it. No one has ascertained when an ad. ceases to pay dividends.

Advertising has long been considered the business magnet to draw trade. But it seems not always to be understood that it is like the electro-magnet; it draws proportionately as the current is strong and continuous.

BIG PROFITS —ON— SMALL INVESTMENTS

Returning prosperity will make many rich, but nowhere can they make so much within a short time as by successful speculation in Grain, Provisions and Stock.

Can be Made by Our

Systematic Plan of Speculation

originated by us. All successful speculators operate on a regular system.

It is a well known fact that there are thousands of men in all parts of the United States who, by systematic trading through Chicago brokers, make large amounts every year, ranging from a few thousand dollars for the man who invests a hundred or two hundred dollars up to $50,000 to $100,000 or more by those who invest a few thousand.

It is also a fact that those who make the largest profits from comparatively small investments on this plan are persons who live away from Chicago and invest through brokers who thoroughly understand systematic trading.

Our plan does not risk the whole amount invested on any trade, but covers both sides, so that whether the market rises or falls it brings a steady profit that piles up enormously in a short time.
