says "It is worth a great deal to us to have you try *Schilling's Best* baking powder and tea."

Money-back says "We have a great deal of confidence in your good faith and in *Schilling's Best* baking powder and tea."

Schilling's Best baking powder and tea are _____ because they are money-back.

What is the missing word?—not SAFE, although *Schilling's Best* baking powder and tea *are* safe.

Get *Schilling's Best* baking powder or tea at your grocers'; take out the ticket (brown ticket in every package of baking powder; yellow ticket in the tea); send a ticket with each word to address below before December 31st.

Until October 15th two words allowed for every ticket; after that only one word for every ticket.

If only one person finds the word, that person gets $2000.00; if several find it, $2000.00 will be equally divided among them.

Every one sending a brown or yellow ticket will receive a set of cardboard creeping babies at the end of the contest. Those sending three or more in one envelope will receive an 1898 pocket calendar—no advertising on it. These creeping babies and pocket calendars will be different from the ones offered in the last contest.

Better cut these rules out. 2081

LOCAL SQUIBS.

Bob Watkins was down from the mountains Saturday.

Mrs. Os. Mitchell, from Lower Willow creek, visited her relatives at Heppner Saturday.

Tom Howard has a big stock of both lined and unlined gloves in all grades. Prices 'way down. tf

Condon Globe: J. J. McGee, the Morrow county surveyor, is in town on business before the county court.

Ed. R. Bishop returned from a business trip to Portland, on last Sunday. Business is improving in the metropolis.

The family of Vawter Crawford is afflicted with measles, their little daughter Virgie, being down with this disease at present.

Oscar Minor got in from the cow ranch Saturday. He says snow fell to the depth of three inches on Ditch creek Friday night.

Dan Lamont, the well known vice-president of the Northern Pacific, and who served the last administration as secretary of war, was in Portland last week.

J. N. Elder and family are now occupying their old home property in the north end of the city, and Mr. Elder is busy making some needed improvements to the place.

It was a Dakota editor who wrote: "the price of this paper is not increased by the Dingley bill, but we wish to correct the misapprehension of some of our subscribers who appear to think it was placed on the free list."

No man or woman can enjoy life or accomplish much in this world while suffering from a torpid liver. DeWitt's Witch Hazle Salve. It soothes, strengthens and heals. It is the great pile cure. For sale by Conser & Brock. *

Vince Kelley was over from Long Creek last week for a load of freight for Wm. Rudio. He reports that his wife, who was very low with consumption, is gradually improving under the treatment of Dr. Swinburne, of Heppner.

On Thursday a convict named Otto Krahn, serving an eight-year sentence from Multnomah county, was shot and killed by Jay McCormick, one of the guards, while attempting to escape from the penitentiary at Salem. McCormick was a new man.

If you have ever seen a little child in a paroxysm of hooping cough, or if you have been annoyed by a constant tickling in the throat, you can appreciate the value of One Minute Cough Cure, which gives quick relief. Sold by Conser & Brock. *

Rural Spirit: The American Sportsman says: "The Oregon pacer, Chehalis, holder of the two mile record, has broken down, and that Blondie, another Oregon horse, held the two mile trotting race record up to 1895." Chehalis has not broken down though he pulled up quite lame in some of his exhibitions. Blondie holds the two mile race records for stallions up to Nov. 5th, 1896.

Small precautions often prevent great mischiefs. DeWitt's Little Early Risers are very small pills in size, but are most effective in preventing the most serious forms of liver trouble and stomach troubles. They cure constipation and headache and regulate the bowels. For sale by Conser & Brock. *

Grant Co. News: The sale of the Bonanza mine is off, says the Baker City Epigram. It is understood that Eastern parties who were to put up $750,000 as the purchase price of the mine, discovered that middle men were to get a rake-off of $250,000 and this they did not propose to stand, hence they forfeited the $25,000 made as the first payment and declared the buy off.

How to Cure Bilious Colic.

I suffered for weeks with colic and pains in my stomach caused by biliousness and had to take medicine all the while until I used Chamberlain's Colic, Cholera and Diarrhoea Remedy which cured me. I have since recommended it to a good many people. Mrs. F. Butler, Fairhaven, Conn. Persons who are subject to bilious colic can ward off the attack by taking this remedy as soon as the first symptoms appear. Sold by Conser & Brock. *

Corvallis Gazette: Congressman Ellis, when in town last week, stated prejudice against any further Yaquina improvements, exists in powerful quarters. He urged the people of Oregon to work incessantly and in every suitable manner impress congress and the administration with the importance of the desired improvement. Congressman Tongue will visit Yaquina soon in company with Mr. Ellis, and the two representatives will thoroughly post themselves for the coming Yaquina campaign. Arrangements should and doubtless will be made for prominent local citizens to accompany them to the bay and assist them in gathering needed information.

"The worst cold I ever had in my life was cured by Chamberlain's Cough Remedy," writes W. H. Norton, of Sutter Creek, Cal. "This cold left me with a cough and I was expectorating all the time. The remedy cured me, and I want all of my friends when troubled with a cough or cold to use it, for it will do them good." Sold by Conser & Brock. *

In making reference to the retirement of our friend Col. Redington, from the ownership of the Puyallup Commerce, the Gazette made mention that his caustic remarks usually struck the right place, or words to that effect. This paper had in view his good work on the Sound with which it is familiar. As to conditions that prevailed in Heppner before the present manager came to this section, he knows nothing. The Gazette did not intend to rake up old "by-gones." If it did so it was done innocently.

Seriously Injured.

Long Creek Eagle.

Joseph Laconna, who came up from Haystack Wednesday, informs us that Leslie Donovan, a resident of that valley, was seriously injured last Monday while hauling wood down from the Tamarack mountain. Late in the afternoon of that day Mr. Donovan wandered in to the ranch of William Brown in a semi-unconscious condition. He was badly hurt about the head and face and unable to tell how he received his injuries. He was kindly cared for and as soon as possible, removed to his home. Parties immediately started in search of his team, which they found at the foot of the mountain unhitched from the wagon and tied to a tree. Everything was in good shape, and the supposition is Mr. Donovan was kicked by one of his horses while hitching or unhitching his team.

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the eustachian tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

Getting Out of Debt.

The mortgage indebtness of individuals in Umatilla county was decreased during the month of September last by $60,572 26. Mortgages amounting to $109,305.58 were cancelled, and during the same time those filed for record amounted to only $48,733.58. During October the amount of recorded mortgages was $38,141 53, and of those cancelled $94,429 71. So that the mortgage debt during these two months has been reduced $116,213.69, and only about three fifths of the wheat crop has been sold.

The three-year-old son of J. A. Johnson, of Lynn Center, Ill., is subject to attacks of croup. Mr. Johnson says he is satisfied that the timely use of Chamberlain's Cough Remedy, during a severe attack, saved his little boy's life. He is in the drug business, a member of the firm of Johnson Bros. of that place; and they handle a great many patent medicines for throat and lung diseases. He had all these to choose from, and skilled physicians ready to respond to his call, but selected this remedy for use in his own family at a time when his child's life was in danger, because he knew it to be superior to any other, and famous the country over for its cures of croup. Mr. Johnson says this is the best selling cough medicine they handle, and that it gives splendid satisfaction in all cases. Sold by Conser & Brock. *

Made It a Railroad Wedding.

There was a wedding out in Ohio the other day, and the groom's name was Puffer, while the lady's name was Train. The preacher was in a humorous mood, and before commencing the regular ceremony said: "Mr. Puffer, are you willing to take this Train in tow and haul it through to destination faithfully and in accordance with the matrimonial schedule? If you consent to take her along carefully without giving yourself too many puffs and without giving her any jolts, and if you will see that she is kept warm and comfortable, just as long as she follows you on the right track, then we will proceed with the marriage rites."

Chronicle: Congressman W. R. Ellis left La Grande this morning for a visit in Baker City. Mr. Ellis' trip through this section at this time has no especial purport, so the gentleman says, beyond that of seeing a number of people in this part of the state as to congressional interests before his departure for Washington, which will probably be about the 22d of the month.

In New Quarters.

Willis Stewart, the old reliable livery stable man of Heppner, has moved into the Red Front stable, just north of the Gazette office, where he would be pleased to see all his old friends and make new ones. He has baled hay for sale and stalls to let at very reasonable rates. Also rents buggies, hacks, teams and saddle horses. Remember Willis when you come to town. Old stand, formerly occupied by Billie Gordon. tf

THE WONDERS OF SCIENCE

LUNG TROUBLES AND CONSUMPTION CAN BE CURED.

An Eminent New York Chemist and Scientist Makes a Free Offer to Our Readers.

The distinguished chemist, T. A. Slocum, of New York City, demonstrating his discovery of a reliable cure for Consumption (Pulmonary Tuberculosis), bronchial, lung and chest troubles, stubborn coughs, catarrhal affections, general decline and weakness, loss of flesh, and all conditions of wasting away, will send THREE FREE BOTTLES (all different) of his New Discoveries to any afflicted reader of this paper writing for them.

His "New Scientific Treatment" has cured thousands permanently by its timely use, and he considers it a simple professional duty to suffering humanity to donate a trial of his infallible cure.

Science daily develops new wonders, and this great chemist, patiently experimenting for years, has produced results as beneficial to humanity as can be claimed by any modern genius. His assertion that lung troubles and consumption are curable in any climate is proven by "heartfelt letters of gratitude," filed in his American and European laboratories in thousands from those cured in all parts of the world.

The dread Consumption, uninterrupted, means speedy and certain death.

Simply write to T. A. Slocum, M. C., 98 Pine street, New York, giving post-office and express address, and the free medicine will be promptly sent direct from his laboratory.

Protection from Cranks.

Spokane Chronicle.

There are signs that the threatening crank is being taken more seriously. A lunatic who declared that unless propitiated he would assassinate President McKinley, was promptly arrested by the Chicago police and is likely to be placed where he cannot execute his professed designs. Threatening cranks are embryonic assassins. Whether they possess or lack the energy to carry out their wild plots nobody knows until too late. At all events, such dangerous characters cannot safely be permitted to run about ready to strike down innocent men.

This Is Your Opportunity.

On receipt of ten cents, cash or stamps, a generous sample will be mailed of the most popular Catarrh and Hay Fever Cure (Ely's Cream Balm) sufficient to demonstrate the great merits of the remedy.

ELY BROTHERS,
56 Warren St., New York City.

Rev. John Reid, Jr., of Great Falls, Mont., recommended Ely's Cream Balm to me. I can emphasize his statement, "It is a positive cure for catarrh if used as directed."—Rev. Francis W. Poole, Pastor Central Pres. Church, Helena, Mont.

Ely's Cream Balm is the acknowledged cure for catarrh and contains no mercury nor any injurious drug. Price, 50 cents.

Walt. Thompson runs stage between Heppner and Monument, arriving every day except Monday and leaving every day except Sunday. Shortest and cheapest route to the interior. E. J. Slocum, agent. *

FOR YOU!

Now Prepared to do Any Kind of Printing----Don't Send Your Orders Away 'Till You Get the Gazette's Estimates

Heretofore the Gazette's job department has tried to do no work other than plain printing. However, this shop is now prepared to tackle anything in any line and will meet prices of any person under the sun in the line of druggists supplies, blank books, bank work county work, or any sort of book binding—work that you have heretofore sent away to get done.

The Gazette shop is not a charity concern but if you will give us a chance we will see that you are satisfied in every particular.

Buy your goods at home. Remember that Abe Lincoln said that when one bought goods away from home the foreigner got the money and we got the goods. But when the goods were bought at home we had *both* money and goods. This is good doctrine. We are willing to abide by it. When the printing drummer comes to town, remember it and call up 'phone No. 3. 560-tf
