The Medical and Surgical Institute
Of Dr. L. J. CRAPHAY, is already secured in a position which places it, as well as its proprietor, far above the assaults of envy and professional malice. In the schools of France, the highest prizes are often awarded to practitioners in this department of Medical Science, and they occupy with others, an equally lofty position in the profession. Ricord is an illustrious example, a shining light among the philosophical stars of his age in Europe, and Dr. Craphay has fully equalled him in this country, as a proof of which, the Philadelphia College of Medicine complimented him with a Diploma, and the honorary of common degree. Entering this as his field of operation, although qualified as a graduate of the University of Paris, and late Chief Surgeon of the Hungarian Revolutionary army, for more extended labors, Dr. L. J. Craphay has bent his earnest attention to the cure of chronic and private diseases, in which he has become so great an expert that he is now regarded as the leader in this branch of his profession throughout the United States, and his portrait and biography are published as matter of interest to their readers in the most exclusive journals. The Doctor's offices are at his Medical and Surgical Institute, 0 Sacramento street, corner of Leidesdorff, nearly opposite the buildings of the Pacific Mail Steamship Company.

☞ We ask particular attention of our readers to the unorn certificates of remarkable cures, in another column of this paper. 46m3

DALY'S
Aromatic Valley Whisky,

Its universal use by the
MEDICAL PROFESSION
Is most urgently recommended. Already has it found its way into the principal public and private Hospitals in the country, and wherever it has been once used, it forthwith becomes a necessity.

JAMES J. MAPES, Chemist.

CAUTION.

It has come to my knowledge, that parties in San Francisco have resorted to the base artifice of attempting to forge my label, with some slight alterations, using the name "DELAY'S" instead of "DALY'S Aromatic Valley Whisky," and also using the word "CUMBERLAND" instead of "MONONGAHELA."
These Bogus Labels have been put on Bottles of entirely different shape from mine, containing the commonest trash, and packed in cases, intended to imitate and branded similar to the genuine, using the name "DELAY'S" instead of "DALY'S."
Dealers in the interior as well as consumers are cautioned not to be imposed upon by this Bogus article.
Particular attention is called to the shape of my Bottle, which is unlike any other, and also to the name "WM. H. DALY," which is blown in each Bottle.
I have no fears of this or any other spurious article interfering with the sale of my
AROMATIC VALLEY WHISKY,
but I cannot allow such a base fraud to be practised upon honest Merchants and the unsuspecting Consumer without noticing it. WM. H. DALY,
Sole Proprietor, New York.
NOTE.
☞ Daly's Aromatic Valley Whisky is for sale by most of the respectable Liquor Houses in California.
