AMUSEMENTS.

ALISKY'S WINTER GARDEN CAFE.
THIRD AND MORRISON.
There is no abatement of the tremendous patronage. Fourth of July is over, and still it continues. Tonight there will be a popular Sunday 50-cent dinner, never before equaled in this city. The demand for reserved seats was so great the management had to decide that first come, first served. The dinner will open promptly at 5 P. M., continue until 8 P. M. The orchestra has been augmented for Sundays, and a select musical programme will be given until midnight. The 25 electric fans are keeping things cool and comfortable, to which next week, on the arrival of the big motor and fan, there will be added ventilation through and direct to the roof. Manager Harvey says things must be right and up to date. Portland says we want the Winter Garden, and they must have it. To please them no expense will be spared to perfect everything as fast as brains and labor can accomplish it.
Tonight prompt, courteous and efficient service will be given by the new corps of waiters. The dinner will be up to the highest expectations, and, with the fine musical programme, no one can fail to enjoy themselves.
