It is much cooler in Washington, but in Eastern Oregon and Southern Idaho there has been but little abatement in the hot weather of the last few days. The indications are for fair weather in this district Thursday. It will be slightly warmer in Western Oregon, and decidedly cooler in Eastern Oregon and Southern Idaho.

IN EXPLANATION.

The State Board of Education has decided that an applicant for a state paper need not write on all branches required for the same at any one examination. The work may be made to extend over three consecutive examinations, the applicant choosing the branches to be taken at each. The writing on the different branches must be done on the particular days above designated, and all applicants who choose a certain branch must begin thereon at the same time.

An applicant for a county certificate, but a state paper, who has made a standing of 90 per cent or more, on any branch, at the last two examinations taken in Oregon, is entitled to exemption thereon at the next examination taken by such applicant. Such branch or branches may be taken, in order to make a higher standing, if the applicant so elects.
