CGTV on Channel 38.3 Returns!

Many viewers of South Lane Television's free over-the-air TV service will remember Dan Holt's videos that aired for several years on channel 38.2. When the channel owner (His Word Broadcasting) decided to add more religious programming to Channel 38, CGTV was displaced.

Now through the diligent work of Dan Hill, a local film and documentary producer, a new agreement has been reached with Channel 38 allowing CGTV to put two hours of CGTV programming on Channel 38.3 between 7:00 and 9:00 each weekday evening. The programs are typically documentary, travelogue, or musical in nature. For example, Saturday (April 29) at 7:00 p.m. the documentary titled "Rails to Redwoods" will be shown and Sunday (April 30) at 7:00 p.m. enjoy the "Great Train Rides of Wales" followed by "War Trains" and "Train to the Moon". Then on Monday (May 1) at 7:00 p.m. enjoy "The Great Smokies."

I want to also call your attention to South Lane Community Broadcasting on Channel 14.4. This channel is run by the media class at Cottage Grove High School. For a number of years now, Cottage Grove High School news and features have been presented on 14.4, along with the NASA Education Channel. The students have now added the Classic Arts Showcase, a culturally rich and diverse network featuring three to five minute videos of live stage, visual arts, and film performances. NASA will still be available overnight, and The Classic Arts Showcase will run throughout the day and evening hours around the high school productions. A schedule of 14.4's new line up is in the skinny box above and to the right.

Happy Viewing,
Lloyd Williams, President
