PROPOSALS FOR CLOTHING AND EQUIPage—Depot Quartermaster's Office, 36 New Montgomery St., San Francisco, Cal., Oct. 8, 1901.—Sealed proposals, in triplicate, will be received at this office until 10 o'clock A. M., Thursday, Oct. 24, 1901, Pacific standard time, and then opened, for furnishing campaign hats, arctic overshoes, russet shoes, D. B. cloth, S. B. Kersey. Quantities to be subject to 20 per cent increase, if desired, by this department. Bids will be opened for the delivery of the same articles at either the San Francisco, Boston, Chicago and Philadelphia depots. To avoid misunderstanding as to the exact nature of the articles to be furnished, bidders will carefully examine the standard samples and specifications, so that proposals may be submitted by them with a full knowledge of what will be required. An absolute compliance with standard and specifications will be insisted upon in the inspection of the goods. Unguaranteed bids, and bids upon samples differing from standard and specifications, will under no circumstances be considered. Proposals for less quantity than advertised for will be entertained. Bids for delivery or inspection at other points than those named above will not be considered. Early deliveries are essential. Bidders must state in their proposals the rate and time of delivery should contract be awarded to them, and that no proposition should be made which they are not positive that they can absolutely fulfill. The articles advertised for are the same for which bids will be opened at the other depots. Preference will be given to articles of domestic production and manufacture, conditions of price and quality being equal (including in the price of foreign production and manufacture the duty thereon), and such preference will be given to articles of American production and manufacture produced on the Pacific Coast, to the extent of the consumption required by the public service there. The United States reserves the right to accept or reject any or all proposals or any part thereof. Information and blanks for proposals will be furnished on application. Envelopes containing proposals will be indorsed "Proposals No. 0600," and addressed to MAJOR C. P. MILLER, Quartermaster, U. S. Army, Depot Quartermaster.

All bids must be made out upon blank forms of proposals furnished by the architect, and all bids must be accompanied by a certified check to the amount of five hundred dollars ($500), payable to J. K. Weatherford, President of the Board of Regents, this check to be a guarantee that in the event the bid is accepted the bidder will give an approved bond to the amount of twenty thousand dollars ($20,000), within 10 days after the awarding of the contract.
