Anniversary Sale!

Servewel Pioneered as the First Low-Priced Service Grocery

This January marks the completion of our first year in La Grande and throughout the Grande Ronde and Wallowa valleys. A year ago housewives felt that delivery and credit conveniences must go hand-in-hand with higher prices for food. Servewel has proved to this territory that service and low prices can be found together.

Backed by a great chain of strong wholesale grocery houses—units that are an integral part of the retail store chain—Servewel has been able to bring the lowest price level ever known to the buyers of food at service stores in La Grande.

Large and varied stocks such as are possible only with wholesale backing—highest quality foods, many of them selected and packed in our own big plants — perfect cleanliness — carefully trained and experienced men. These are the features that have won regular, continuous growth for SERVEWEL.

This Anniversary Sale is our way of expressing appreciation for the fine patronage we have enjoyed—of emphasizing again the degree of fine service we can render you in your food buying.
