FREEDOM FROM DISEASES AND DISPAIR.

Mrs. C. Wolfer, the home healer, is now prepared to treat all manner of diseases with magnetism and without the use of medicine or the surgeon's knife, no matter what your disease may be, consumption, cancer or any other trouble there is a cure for you through this wonderful power. All cases taken where medicine has failed. All can be treated at their own home and through the mail. For further particulars write me at my home and full instructions regarding this treatment will be sent you by return mail. Anyone wishing to learn this wonderful science I will also teach them through mail only. Address all letters to Mrs. C. Wolfer, The Home Healer, Comstock, Oregon.

Trent, Ore., March 31st, 1900.

This is to certify and is a statement to all those who may be suffering from diseases or any ills of the flesh.

That I have suffered for the past 18 years with catarrh of the stomach, which resulted in giving me at times the nervous headache of a most excruciating and distressing character. I was so weakened that I was unable to perform any manual labor, my stomach would not retain scarcely any food. In connection with this malady I had rheumatism for the past six years which greatly distressed me when moving about. I have in vain tried many doctors also patent medicines recommended to me by my friends. As a last resort with but little hope I called on Mrs. C. Wolfer the magnetic healer of Comstock, Oregon, on Dec. 13th, 1899. After relating my case to Mrs. Wolfer she kindly gave me assurance that I could be healed and began my treatment that day. I improved from the first, and after taking two months treatment, I can say that I am sound and well in every respect. My trouble of the stomach and rheumatism has entirely disappeared as if by magic. I am now in my 66 year of age and feel like I did when a young man. I have taken no medicine of any kind since beginning this treatment.

Very Respectfully,
SAMUEL GARTIN.

Trent, Ore., March, 31st, 1900.

I wish to make a statement for the benefit of parents or those who may be suffering in any way the ills that all flesh is heir to. Our little girl 6 months old was afflicted with scrofula on the cords of the neck which gave us great anxiety hardly knowing what to do, in from our experience doctors seem to know little of any certain treatment of such cases. Mrs. C. Wolfer the magnetic healer of Comstock was in the neighborhood and wife and I decided to call her in. Mrs. Wolfer informed us that she was able to treat and cure such cases. She gave the baby one treatment and the scrofulous swellings soon disappeared in three days and have not returned, this being three months treatment.

Very Resc't,
MRS. OLA HOWARD

REMARKABLE CURES OF RHEUMATISM.

From the Vindicator, Rutherfordton, N. C.

The editor of the Vindicator has had occasion to test the efficacy of Chamberlain's Pain Balm twice with the most remarkable results in each case. First, with rheumatism in the shoulder from which he suffered excruciating pain for ten days, which was relieved with two applications of Pain Balm, rubbing the parts afflicted and realizing instant benefit and entire relief in a very short time. Second, in rheumatism in thigh joint, almost prostrating him with severe pain, which was relieved by two applications, rubbing with the liniment on retiring at night, and getting up free from pain. A vein of bituminous coal has been discovered near Springfield, Ore., which may prove very valuable. Local blacksmiths have tried the coal and pronounce it of a good quality.

BANKER ROUTS A ROBBER.

J. R. Garrison, Cashier of the bank of Thornville, Ohio, had been robbed of health by a serious lung trouble until he tried Dr. King's New Discovery for Consumption. Then he wrote: "It is the best medicine I ever used for a severe cold or a bad case of lung trouble. I always kept a bottle on hand." Don't suffer with Coughs, Colds, or any Throat, Chest or Lung trouble when you can be cured so easily. Only 50c and $1.00. Trial bottles free at BENSON DRUG CO's Drug Store.

The heirs of the Matthew Wallis estate have refused seventeen thousand dollars for their farm 4 miles west of Eugene. This is a valuable piece of land and it is admirably situated.

A FIENDISH ATTACK.

An attack was lately made on C. F. Collier of Cherokee, Iowa, that nearly proved fatal. It came through his kidneys. His back got so lame he could not stoop without great pain, nor sit in a chair except propped by cushions. No remedy helped him until he tried Electric Bitters which effected such a wonderful change that he writes he feels like a new man. This marvelous medicine cures backache and kidney trouble, purifies the blood and builds up your health. Only 50c at BENSON DRUG CO's Drug Store.

SOUTHERN CALIFORNIA.

Notably among the pleasures afforded by the Shasta Route is the winter trip to Southern California and Arizona. Renewed acquaintance with this section will ever develop fresh points of interest and added sources of enjoyment, under its sunny skies, in the variety of its industries, in its prolific vegetation and among its numberless resorts of mountain, shore, valley and plain.

The two daily Shasta trains from Portland to California have been recently equipped with the most approved pattern of standard and tourist sleeping cars, but the low rates of fare will still continue in effect.

Illustrated guides to the winter resorts of California and Arizona may be had on application to

United States Official Report

MADE TO

Commissioner of the U. S.

General Land Office. Washington, D. C.

by a geologist and mining expert of world-wide reputation, Prof. Benjamin Silliman, who spent several months there, then being connected with the United States surveying corps, and in his official report says:

"Here are countless millions of tons of rich gold quartz reduced by the great forces of nature to a condition ready for the application of of the hydraulic process, while the entire bed of the Rio Grande for over 40 miles is a sluice, on the bars of which the gold derived from the wearing away of the gravel banks has been accumulating for countless ages, and now lies ready for extraction by the most approved methods of river mining. The thickness of the Rio Grande gold gravel exceeds in many places **600 Feet,** or nearly THREE TIMES that of the like beds in California, while the average value per cubic yard is believed to be greater in the New Mexico beds than in any other such accumulation yet discovered."

"I have made a reconnaisance of the whole of this gravel along the Rio Grande, and have examined with all the care possible in the time at my command, the character of the gravel and its contents of gold. Nothing, I am persuaded, since the discovery of California and Australia is comparable for its measurable resourses of gold available by the hydraulic process to the deep placers of the Rio Grande."

Other reports from eminent mining experts of National reputation pronounce the property of this company the richest and most extensive known.

COTTAGE GROVE is the second city in Lane county, Oregon. Has a population of about 1200. The center of the four points of the compass when it comes to ingress or egress. Bohemia with its vast mining resources only thirty-five miles south east, with a good wagon road leading from the S. P. R. R. depot right here in town. Prospective railroad to the mines. The Coast Fork of the Willamette river, on which are situated the Black Butte quicksilver mines sixteen miles south, flows through the center of the city, furnishing abundant water facilities. It is only a mile and a half to its confluence with Row river, the outlet of the great timber ranges to the south east. Westward toward the coast range is an inexhaustable supply of timber, interspaced with numerous rich farming lands well improved and cultivated.

North or south from here on the S. P. railroad you can reach either Portland or San Francisco and be in touch with the whole world on short notice.

Water works in full operation. Electric lights and telephone system complete.

☞ The best agricultural lands in Lane county lie in the vicinity surrounding Cottage Grove on either side, fit for farming or stock raising.
