BUTTER AND EGG PRICES STEADY

Week Starts Off with Considerable Activity in Vegetable Market

PORTLAND, Ore., Feb. 20 (AP)—Butter and egg prices held steady at Saturday's quotations today and receipts were comparatively heavy with demand in proportion.

Supplies of country killed meats were well cleaned up early today at steady figures and firmness prevailed in all classes. Slightly better tone prevailed in the beef division due to better demand, but the market is weak compared with a few weeks past. Retailers have been prone to pay the higher prices which have prevailed, on grounds that the sharp advances were not fully justified by reported shortages. Stockyard quotations in eastern markets have shown similar reaction, under higher prices and showed considerable easier tone last week.

Poultry movement early today was light, but prices were firm.

Cauliflower prices are easier, with supplies plentiful, practically all from California. Best stock was bringing $1.25@1.35 early today. Rosburg shipments have ceased temporarily, but a car is expected from that district about the middle of the week.

Rhubarb was becoming more plentiful and selling around $2.50@2.75 per box.

Potatoes and onions are steady but trading is light.

Trade Irregular In Stock Market; Close Is Steady

NEW YORK, Feb. 20 (AP)—The stock market went through a secondary reaction today after an early rally failed to hold. U. S. Steel common and several other leaders touched new lows on the current decline on setbacks of 1 to 2 points, while several of the speculation brol— 4 to nearly 7 points on a renewal of bear selling and long liquidation. Trading was in larger volume than Friday, but failed to maintain the terrific pace set in Saturday's record-breaking half-holiday session.

The closing was steady. Necessitous selling appeared to be completed for the time being, at least in the final hour, when the market staged an impressive rally under the leadership of Montgomery Ward, Freeport Texas, Vanadium Steel, and Greene Cananea Copper. Some isolated stocks continued weak, especially among the tobacco groups. Total sales approximated 2,600,000 shares.

Roseburg Prune Growers Select Their Officers

ROSEBURG, Feb. 20 (AP)—At a meeting of prune growers held in Roseburg Saturday the board of directors of the Douglass County Co-operative Prune association was completed by the election of G. A. Maupin, of Kellogg, and Frank Brown, of Roseburg, as directors. The executive board in turn elected the officers of the association, Arthur Marsh being made president, Dave Busenbark, vice president and H. E. Cully, secretary and treasurer. All officers serve without pay, the only salaried man in the organization being the sales manager, who is still to be named.

Changes on the executive board may be made at a later date in order to give representation to the southern part of the county, which has not yet been organized.

Over 1500 acres have been signed up in the association, and with meetings to be held in Oakland, Myrtle Creek and Riddle this week and in Canyonville and Yoncalla next week, it is believed that the total acreage necessary to complete the association will be obtained before the first of March.

Quality is the Important Consideration

We celebrate this week the birthday of a great man. A man who had the vision to conceive a mighty plan and the courage to fight for its fulfillment.

There is little new that one can say about Washington—few tributes that have not already been paid to his memory. He died over a century and a quarter ago, yet the quality of his deeds and thoughts lives on—the quality of his life will remain, long after the details are forgotten.

Quality or the lack of it! It spells the whole difference between success or failure in life, whether your business is shoes or sermons.

For 26 years, the J. C. Penney Company has kept the quality of the goods we offered uppermost in our thoughts. We have worked steadily that you might be contented and pleased with their inherent worth. Quality, not low price, has been the solid rock on which we founded our business, for quality alone survives, whether in merchandise or men.
