Falls City Notes.

Several farmers are cutting hay and hauling it to town.

W. H. Livingston, our city marshal, was a Corvallis visitor this week.

Miss Sadie Myer, of Smithfield, is visiting her sister, Mrs. H. C. Seymour.

Prof. T. J. Newbill, of Independence, and Prof. W. A. Wann, of Eugene, were on our streets one day this week.

The children's day exercises at both the M. E. and Christian churches were well attended and highly entertaining.

O. E. Lest has returned to Falls City from a trip through Idaho, Montana, Utah, Nevada and Colorado, where he is interested in mines.

Falls City is to have a photograph gallery. A photographer of many years' experience is making arrangements to locate here.

The baseball game played here last Sunday afternoon by the Falls City and Rickreall teams resulted in a score of 7 to 2 in favor of Falls City.

Prof. William Bryant, principal of the Moro public school, is at home, visiting relatives and friends. Mr. Bryant goes back to Moro next year at an advanced salary.

The alumni of the Falls City public school will hold their banquet at the schoolhouse on Friday evening, immediately following the eighth grade exercises. Superintendent C. L. Starr will act as toastmaster.

Miss Fern Raymond, who has been attending school here and finishes the ninth grade this year, will start for her home in Idaho next Monday. Her grandmother, Mrs. Thorne, will accompany her, to be gone for the Summer.

Dr. M. L. Thompson is having an addition built to the east side of the drugstore, and will use the new room for a postoffice. The business of the postoffice has increased so rapidly that there is no longer sufficient room in the drugstore, and a new building has become a necessity.

Eastern Star Elects Officers.

The Grand Chapter of Oregon, Order of the Eastern Star, elected officers, Tuesday, as follows: Worthy grand matron, Mrs. Della Houston, Portland; worthy grand patron, O. P. Coshow, Roseburg; associate grand patron, George M. Hyland, Portland; grand secretary, Mary Scott Myers, The Dalles; grand treasurer, Clara F. Lyle, La Grande; grand conductress, Bay L. Sheridan, Ashland; associate grand conductress, Florence Nasberg, Marshfield. The convention voted a fund of $500 to be set aside for use in making an exhibit at the Lewis and Clark Fair.

Sewers Nearing Completion.

Work on the Court street sewer will be finished tomorrow. Two pipe-laying gangs have been working this week, one on Court street and the other on Lyle street. As soon as the Court street sewer is completed, both gangs will be put to work on the Mill street sewer, and the contractors expect to complete the entire system some time next week. A large scraper, drawn by four horses, is used in replacing the earth in the ditches, the filling being done more rapidly and in better shape in this manner than by hand. Water from the city hydrants is used in settling the earth around the pipe.

Heavy Fine For Woods.

T. A. Wood, who was convicted of conspiracy to defraud the Government on pension claims, was fined $1000 by Judge Bellinger, Tuesday. His son, Hosea Wood, also convicted of conspiracy, was fined $250. A motion for a new trial was argued some days ago and denied. The defendants were present Tuesday and stood before the bar of justice while the Judge pronounced the penalty.

Passes Stringent Ordinance.

Monmouth wants no more expensive damage suits because of broken or bruised legs by defective walks. The city council has passed an ordinance demanding the repair or rebuilding of every bad sidewalk in town. The new walks must be completed without delay. This is a sensible move upon the part of the city officials.

Notice.

On June 20, at 10 o'clock a. m., the County Court will receive bids for building a new three-bent bridge and making a 46-foot fill at the Osborn place on the road from Independence to Salem; also, for making a concrete arch and fill at the Hirschberg place on the Independence and Salem road. The Court reserves the right to reject any and all bids.

Driven To Desperation.

Living at an out of the way place, remote from civilization, a family is often driven to desperation in case of accident, resulting in Burns, Cuts, Wounds, Ulcers, etc. Lay in a supply of Bucklen's Arnica Salve. It's the best on earth. 25c, at Belt & Cherrington Drug Store

LEAVE FOR CHICAGO

Oregon Delegates to Republican National Convention Favor Fairbanks for Vice-President.

Five of the delegates selected to represent Oregon at the national Republican convention left for the East Wednesday evening. Ira S. Smith of Malheur, delegate-at-large, and N. C. Richards of Baker, who will help do the honors for the Second congressional district, will leave for Chicago from eastern Oregon. W. B. Ayer, Multnomah delegate-at-large, is now at Bangor, Me., but will arrive at Chicago in time for the convention.

The members of the party which left for the windy city Wednesday evening are: C. H. Carey of Multnomah, representing the Second congressional district; J. U. Campbell of Clackamas, and Dr. J. M. Keene of Jackson, the First congressional district; C. W. Hodson of Multnomah and S. L. Kline of Benton, delegates-at-large. The party will journey by the Northern Pacific to St. Paul, and from that point on the Burlington.

It is probable that Mr. Carey will be elected chairman of the delegation. The delegates say the nomination of Roosevelt is a "cinch." Their belief is that Senator Fairbanks will be the nominee for vice-president. The convention will be a tame affair, it is prophesied, as everything will be conducted according to a pre-arranged program.—Portland Journal.

BRIGHT'S DISEASE.

The largest sum ever paid for a prescription, changed hands in San Francisco, August 30, 1901. The transfer involved in coin and stock $112,500.00 and was paid by a party of business men for a specific for Bright's Disease and Diabetes, hitherto incurable diseases.

They commenced the serious investigation of the specific Nov. 15, 1900. They interviewed scores of the cured and tried it out on its merits by putting over three dozen cases on the treatment and watching them. They also got physicians to name chronic, incurable cases, and administered it with the physicians for judges. Up to Aug. 25, eighty-seven per cent of the test cases were either well or progressing favorably.

There being but thirteen per cent of failures, the parties were satisfied and closed the transaction. The proceedings of the investigating committee and the clinical reports of the test cases were published and will be mailed free on application. Address JOHN J. FULTON COMPANY, 420 Montgomery St., San Francisco, Cal.

An Alarm Clock for 25c.

If you want to get up early and feel good all day take a Little Early Riser or two at bedtime. These famous little pills relax the nerves, give quiet and refreshing sleep, with a gentle movement of the bowels about breakfast time. W. H. Howell, Houston, Tex., says, "Early Risers are the best pill made for constipation, sick headache, biliousness, etc." Sold by Belt & Cherrington.

In every place but one, so far as has been reported, the late election in Oregon "passed off quietly," but the North Yamhill Record says: "Monday's election was the most riotous and degrading affair that has occurred in this town in 15 years."

A Strong Heart.

is assured by perfect digestion. Indigestion sweals the stomach and puffs it up against the heart. This causes shortness of breath, palpitation of the heart and general weakness. Kodol Dyspepsia Cure cures indigestion, relieves the stomach, takes the strain off the heart and restores it to a full performance of its function naturally. Kodol increases the strength by enabling the stomach and digestive organs to digest, assimilate and appropriate to the blood and tissues all of the food nutriment. Tones the stomach and digestive organs. Sold by Belt & Cherrington.

Kodol Dyspepsia Cure
Digests what you eat.

Thousands Have Kidney Trouble and Don't Know it.

How To Find Out.

Fill a bottle or common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also convincing proof that the kidneys and bladder are out of order.

What to Do.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in 50c. and $1. sizes.

You may have a sample bottle of this wonderful discovery and a book that tells more about it, both sent absolutely free by mail, address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper.

Home of Swamp-Root.

Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

Excursion Rates to Yaquina Bay.

On June 1st the Southern Pacific Company resumed sale of Excursion tickets to Newport and Yaquina Bay. Both Season and Saturday-to-Monday tickets will be sold. This popular resort is growing in favor each year, hotel rates are reasonable and the opportunities for fishing, hunting and sea bathing are unexcelled by any other resort on the Pacific Coast.

Chamberlain's Stomach and Liver Tablets Better than a Doctor's Prescription.

Mr. J. W. Turner, of Truhart, Va., says that Chamberlain's Stomach and Liver Tablets have done him more good than anything he could get from the doctor. If any physician in this country was able to compound a medicine that would produce such gratifying results in case of stomach troubles, biliousness or constipation, his whole time would be used in preparing this one medicine. For sale by Wilson Drug Co.

Young trout are being sent from the Clackamas hatchery to Umatilla county streams.

Thrown From a Wagon.

Mr. George K. Babcock was thrown from his wagon and severely bruised. He applied Chamberlain's Pain Balm freely and says it is the best liniment he ever used. Mr. Babcock is a well known citizen of North Plain, Conn. There is nothing equal to Pain Balm for sprains and bruises. It will effect a cure in one-third the time required by any other treatment. For sale by Wilson Drug Co.

One ranch in eastern Washington contains 66,000 acres.

For a Hundred Years.

For a hundred years or more Witch Hazel has been recognized as a superior remedy, but it remained for E. C. DeWitt & Co. of Chicago, to discover how to combine the virtues of Witch Hazel with other antiseptics, in the form of a salve. DeWitt's Witch Hazel Salve is the best salve in the world for sores, cuts, burns, bruises and piles. The high standing of this salve has given rise to counterfeits, and the public is advised to look out for the name "DeWitt" on the package, and accept no other. Sold by Belt & Cherrington.

By a large majority Jackson county voters decided to allow hogs to run at large.

Startling Evidence.

Fresh testimony in great quantity is constantly coming in, declaring Dr King's New Discovery for Consumption Coughs and Colds to be unequaled. A recent expression from T. J. McFarland Bentonville, Va. serves as an example. He writes: "I had Bronchitis for three years and doctored all the time without being benefited. Then I began taking Dr. King's New Discovery, and a few bottles wholly cured me." Equally effective in curing all Lung and Throat troubles, Consumption, Pneumonia and Grip. Guaranteed by Belt & Cherrington Druggist. Trial bottles free, regular sizes 50c, and $1.00.

The Republican candidate for treasurer of Umatilla county had 1,578 majority; the Democratic candidate for sheriff, 1,568; they must be "good men." Queer thing, politics.

Worst of All Experiences.

Can anything be worse than to feel that every minute will be your last? Such was the experience of Mrs. S. H. Newson, Decatur, Ala. "For three years" she writes, "I endure insufferable pain from indigestion, stomach and bowel trouble. Death seemed inevitable when doctors and all remedies failed. At length I was induced to try Electric Bitters and the result was miraculous. I improved at once and now I am completely recovered." For Liver, Kidney, Stomach and Bowel troubles Electric Bitters is the only medicine. Only 50c. It's guaranteed by Belt & Cherrington Druggist.

Sued by His Doctor.

"A doctor has sued me for $12.50, which I claim was excessive for a case of cholera morbus," says R. White, of Cosehella, Cal. "At the trial he praised his medical skill and medicine. I asked him if it was not Chamberlain's Colic, Cholera and Diarrhoea Remedy he used as I had good reason to believe it was, and he would not say under oath that it was not." No doctor could use a better remedy than this in a case of cholera morbus, it never fails. Sold by Wilson Drug Co.

Triumphs of Modern Surgery.

Wonderful things are done for the human body by surgery. Organs are taken out and scraped and polished and put back, or they may be removed entirely; bones are spliced; pipes take the place of diseased sections of veins; antiseptic dressings are applied to wounds, bruises, burns and like injuries befor inflammation sets in, which causes them to heal without maturation and in one-third the time required by the old treatment. Chamberlain's Pain Balm acts on this same principle. It is an antiseptic and when applied to such injuries, causes them to heal very quickly. It also allays the pain and soreness. Keep a bottle of Pain Balm in your home and it will save you time and money, not to mention the inconvenience and suffering which such injuries entail. For sale by Wilson Drug Co.

LIVER TROUBLES

"I find Thedford's Black-Draught a good medicine for liver disease. It cured my son after he had spent $100 with doctors. It is all the medicine I take."—MRS. CAROLINE MARTIN, Parkersburg, W. Va.

If your liver does not act regularly go to your druggist and secure a package of Thedford's Black-Draught and take a dose tonight. This great family medicine frees the constipated bowels, stirs up the torpid liver and causes a healthy secretion of bile.

Thedford's Black-Draught will cleanse the bowels of impurities and strengthen the kidneys. A torpid liver invites colds, biliousness, chills and fever and all manner of sickness and contagion. Weak kidneys result in Bright's disease which claims as many victims as consumption. A 25-cent package of Thedford's Black-Draught should always be kept in the house.

"I used Thedford's Black Draught for liver and kidney complaints and found nothing to excel it."—WILLIAM COFFMAN, Marblehead, Ill.

Weak Hearts

Are due to indigestion. Ninety-nine of every one hundred people who have heart trouble can remember when it was simple indigestion. It is a scientific fact that all cases of heart disease, not organic, are not only traceable to, but re the direct result of indigestion. All food taken into the stomach which fails of perfect digestion ferments and swells the stomach, puffing it up against the heart. This interferes with the action of the heart, and in the course of time that delicate but vital organ becomes diseased.

Mr. D. Kauble, of Nevada, O., says: I had stomach trouble and was in a bad state as I had heart trouble with it. I took Kodol Dyspepsia Cure for about four months and it cured me.

Kodol Digests What You Eat

and relieves the stomach of all nervous strain and the heart of all pressure.

Bottles only. $1.00 Size holding 2½ times the trial size, which sells for 50c.
