## 96 Runners Left In Bunion Derby; Souminen Leads

LUPTON, Ariz., Mar. 22 (AP)—Ninety-six runners in the Los Angeles-New York cross-country marathon pushed toward today from here toward their 21st control at Gallup, N. M., a distance of 24 miles. Stepping across California and Arizona the derby men have left 438 miles of their 2448 mile race behind them.

Thursday's lap in the marathon ended in a tie between Ed Gardner of Seattle, and Seth Gonzales of Denver. The two runners jogged into Lupton from Navajo, Ariz., completing the 24.7-mile run in five hours, 3 minutes and 30 seconds. For the 438 miles from Los Angeles the elapsed time for the two runners were: Gardner 111:29:16, Gonzales 111:17:17.

Other early finishers Thursday were: Oli Wasihun, New York 5 hours 12 minutes 30 seconds, and Peter Gavuzzi of Southampton, 5 hours, 22 minutes, 30 seconds. Arne Suominen, Detroit, Mich., who finished yesterday's lap in 5:43:12, now leads the race with an elapsed time of 118 hours, 22 minutes. Suominen who finished the run from Navajo Thursday includes Allen Caseline, Grants Pass, 6:19:30.

## Former Grid Star Appeals Conviction

BOSTON, Mar. 21 (AP)—Charles E. Brickley, captain of the Harvard football team of 1916 and one of the greatest drop kickers ever in the game, today was at liberty on $20,000 bail pending an appeal for a sentence of 18 months in Charles street jail for conducting a bucket shop and forgery from clients.

Brickley who sentenced late yesterday afternoon in the Suffolk superior criminal court by Justice Warwick Keating, himself a Harvard graduate after Brickley's counsel William H. Lewis, all-American and Harvard center of 20 years ago, had made a pleading plea for leniency.

Brickley in a brief address to the court said: "I am sorry among some fine names through my conduct in the stock market and if the wheel of fortune ever turns my way again, I hope to pay back all my obligations."

## RAISE RECORDS FOR STATE MEET

### Changes Made in Qualifications for High School Athletes of Oregon

OREGON AGRICULTURAL COLLEGE, Corvallis, Mar. 23 (Special)—Qualifications for field events in the annual state high school track and field meet at Corvallis, May 12, 1928, have been raised over those of last year, according to a list released by Carl Ladell, graduate manager of the Oregon Agricultural college, which is sponsoring the track meet. Three of the changes were in field events and the other was a run.

In order to be eligible for entrance in the 440-yard run the candidate must be able to negotiate the distance in 2:14. This is 2 seconds lower than the time required for entrance in 1927. The distance for the shotput has been increased from 38 to 39 feet; the discus from 95 to 100 feet; and the broad jump from 18 to 19 feet.

**Arbitrary Marks Changed**

Arbitrary marks have been set in each of 12 events aside from the relay that entrants must be able to equal or better in order to be eligible for competition in the meet. This has been done in order to enable athletes to calculate whether or not it would be worth while for them to compete. It would be a waste of time and energy for an athlete to enter in a certain event if he had absolutely no chance of placing. These standards will obviate any such unfortunate occurrences.

Last year being the first time that the all-school state meet was held, the college officials had some difficulty determining standards. A careful study of past marks and performances of Oregon high school athletes, however, gathered from as many sources as possible, resulted in a fairly efficient list of marks, all of which were close enough to carry over but for the four changes noted above.

"These changes in qualifications have been agreed at after a careful study of the time and distances made in the meet last year," said Manager Ladell. "Officials have believe these qualifications to be very fair."

**Qualification Standards Given**

Marks made by men making fifth place have been considered in arriving at the standards so all deserving athletes will be enabled to compete. In the meet points are allowed for the first five places.

Qualifications for the 12 events:

| | |
|---|---|
| 100-yard dash | 11 sec. |
| 220-yard dash | 25 sec. |
| 220 low hurdles | 29 sec. |
| 120 high hurdles | 20 sec. |
| 440-yard run | 58 sec. |
| 880-yard run | 2 min. 10 sec. |
| Mile run | 5 min. |
| Shotput | 34 feet |
| Discus | 100 feet |
| Javelin | 140 feet |
| Pole vault | 10 feet |
| Broad jump | 18 feet |
| High jump | 5 feet 4 inches |

## Name J. H. Peare Eastern Oregon A. A. U. Official

J. H. Peare, who has been identified with amateur athletics in Eastern Oregon for many years in the capacity of timer, official and fan, has just been appointed A. A. U. commissioner for Eastern Oregon, according to announcement received by Mr. Peare yesterday. This is the first time that an A. A. U. official has been appointed for this part of the state.

Mr. Peare's duties will consist of investigating track meet equipment, officials, etc., in the event that competing teams desire the official sanction of the A. A. U. Any official approved by Mr. Peare will have A. A. U. status and records made before and certified to by such an official would be recognized in A. A. U. circles, it is said.

A. A. U. officials, etc., for high school meets are not arbitrary. In fact, this is optional, usually to be decided by the high school authorities themselves. Portland schools and many in Western Oregon are conducting their meets under A. A. U. officials. As a matter of fact, recent Eastern Oregon meets have also been run under A. A. U. sanction, as Virgil Kast, of the University of Oregon, who has acted as referee for the last few meets, is accepted by the A. A. U.

Locally, the appointment of an A. A. U. official in this part of the state, is considered as an upward step in that it makes possible official recognition of records whenever made under proper conditions and accepted officials.

## Baseball Times Change, Rookies Have Easy Life

By Walter Hall
(Associated Press Sports Writer)

NEW ORLEANS (AP)—Baseball times have changed. The lot of the recruit or rookie today is nothing like the old days when newcomers, were based almost completely add make good only after a survival of the fittest physically.

Now a youngster frequently rooms with a veteran and the two dwell together, during the training season, in peace and harmony.

"It was not so in the old days," said Manager Jack Hendricks of the Cincinnati Reds. "Then the old fellows would bite taking the young fellow's toasted, his shirt and his girl."

The "fresh newbloods" have passed, along with the hard hazing veterans. At any training camp there may be seen a group of players in which stars of the game and headliners of the minors or colleges are huddled together, with the schoolboy-looking immediately identifiable.

The old men now give the young men a hand, teach them the pitfalls they can acquire only in the major leagues, and help them to get ahead generally.

The big leagues expected from a major league training camp but no fresh youth but a player who is the ways of the majors, in the aftermath.

Days are long and pleasant for the young fellows under the watchfulness of the veterans and the baseball operation moves along smoothly. Soon it will go back to the minor leagues here, to be the same in fact, they have had a good time. They have experienced the six weeks with baseball's best players and no one can take that away from them.

The worst that they have suffered is to have been forced to bench as some coach had stories of the wonderful performances of his days during the winter. Bob Millar, coach of the Senators, has taken the stars nothing uncommonly.

## Plans New Idea In Golf Match Crowds

LONDON, Mar. 23 (AP)—Something new in golf matches—limited galleries so as not to interfere with play—is planned for the big professional match play championship which Walter Hagen and Aaron Compton, long hitting Detroit star will play shortly.

Announcement was made today that the match will be held at Silver Tree, on April 27 and 28. The number of spectators will be limited to 2500 daily and they will be charged six shillings each, a charge of fifteen shillings for the two days. This is the highest price ever charged in Britain for a match.
