The Doubtful Should Price Elsewhere First.

Spring House Renovating Specials

There is no time in the year which brings more to one's notice the want of housefurnishing than the present. Housecleaning about to commence one naturally looks about to find a place for improvement or to replace some indispensible article.

This spring we are showing many new and up-to-date articles in every department. Never were we better able to take care of your wants than at the present.

A Comparison Of Prices Always Benefits Us

Are Your Carpets Cleaned Yet.....

It's about time. This spring has been backward and house-cleaning has been postponed. When it does come it should be done with all possible dispatch. The main terror of house-cleaning is the carpets. We remove them, thoroughly clean them and put them back at a nominal price. You worry over it. Your husband hates it.

Let us Clean Your Carpets

Odd Dressers and Chiffonier

A beautiful Dresser or Chiffonier enhances the beauty of your bed room a hundred per cent, leaving aside the convienence it brings to you.

A large roomy chiffonier is more convenient than a trunk and stands without a rival for usefulness to a room without a closet.

For my "Lady's Boudoir" a dresser or dressing table is an absolute necessity---We have an excellent supply of either the above named aticle s, at way down prices.

A Rocker for the Parlor.

One seldom finds themselves with too many chairs—more often without enough, especially rockers. FOR THE PARLOR; we have some handsomely polished, quarter sawed Oak ones---The latest thing in Mission effect, with Spanish leather seat and back; beauties and O! so easy.

FOR THE SITTING-ROOM.

Large, roomy, comfortable, Morris chairs and rockers---massive polished Oak ones, and an excellent line of cheaper ones, made to stand and to fit the form and the pocket book as well.

ACORN STOVES AND RANGES

An Excellent Standard Of Good Stoves.

In high grade Stoves at a moderate price **ACORN STOVES AND RANGES** stand pre-eminently first. No scrap iron is used in their construction---nothing but the best, either in workmanship or material is used---no wonder they have attained the place to which they rightly belong.

"As good as an ACORN" is used by competitors to extol the virtues of their goods.

Let us explain to you their superiority. Over 1,000,000 in use.
