PROPOSALS FOR CLOTHING AND EQUIpage.—Depot Quartermaster's Office, 36 New Montgomery street, San Francisco, Cal., August 7, 1902.—Sealed proposals in triplicate will be received at this office until 10 o'clock A. M., Tuesday, August 26, 1902, Pacific standard time, and then opened, for furnishing campaign hats, regulation muslin shirts, heavy wool stockings, heavy cotton stockings, russet shoes, waist belts and barrack chairs. Quantities to be subject to an increase of 20 per cent, if desired by this department. Bids will be opened for the delivery of the same articles at either the San Francisco, Boston, Chicago and Philadelphia depots. To avoid misunderstanding as to the exact nature of the articles to be furnished, bidders will carefully examine the standard samples and specifications, so that proposals may be submitted by them with a full knowledge of what will be required, as an absolute compliance with the standards and specifications will be insisted upon in the inspection of the goods. Unguaranteed bids, and bids upon samples differing from standards and specifications, will, under no circumstances, be entertained. Proposals for less quantities than advertised for will be entertained. Bids for delivery or inspection at other points than those named above will not be considered. Early deliveries are essential. Bidders must state in their proposals the rate and time of delivery, should contract be awarded to them. The articles advertised for are the same for which bids will be opened at the other depots. Preference will be given to articles of domestic production and manufacture, conditions of price and quality being equal (including in the price of foreign production and manufacture the duty thereon), and such preference will be given to articles of American production and manufacture produced on the Pacific Coast to the extent of the consumption required by the public service there. The United States reserves the right to accept or reject any or all proposals, or any part thereof. Information and blanks for proposals will be furnished on application. Envelopes containing proposals will be indorsed "Proposals No. 6426," and addressed to Major C. P. Miller, Quartermaster, U. S. Army, Depot Quartermaster.
