Grange Growing At Ladd Canyon

LADD CANYON, Ore., May 14 (Special) — The Ladd Canyon grange held a very interesting and pleasant meeting last Tuesday evening with a good attendance. Nine more applications for membership were received, which will make a total of 40 members which is considered a very good rating for a grange less than three months old.

During the lecturer's hour a program was given. Mrs. W. H. Gekeler gave a humorous reading, there were songs by the grange and some of the women of the Get-Together club presented a play entitled "Way Down East." Those taking part in the play were: Mrs. A. E. Peebler, Mrs. Frank Poole, Mrs. Henry Counsell, Miss Ruth Drumsmith and Mrs. H. W. Peebler.

MORE BERRIES ON PORTLAND MART

Price to Be $7 a Crate—Spinach Supply More Than Demand

PORTLAND, Ore., May 14 (AP)—A shipment of about 12 crates of local Springbrook strawberries was expected today. Reports were that the berries would be of unusually good quality and it was announced that the price would be $7 per crate. Although a few local berries are dribbling in dealers do not look for many for another week or two, depending on whether or not the warm weather continues.

The market was overloaded with spinach of good quality and prices were weak around 75@90c per box. The asparagus market was also easier, prices ranging from 90c to $1 per dozen.

Heavy hens were in generous supply at the opening today and the price was easier at 23c. Other classes of poultry were steady, with receipts about ample to meet demand.

On the country dressed meat markets, trading was fairly active and there was good demand for choice veal. The price was firm to a shade higher, most sales fetching 19c or better. Lambs were plentiful and the market showed a weak undertone. Opening prices were steady at 27@28c for springers, but dealers looked for a drop perhaps to 25@27c before the close of the market. Other classes of dressed meats were steady and unchanged.

No changes were quoted in butter and egg prices today, but both markets looked strong. Into storage movement continued fairly heavy and practically nothing was accumulating on dealers' floors. Saturday's receipts were: Butter 19,385 pounds; eggs 1,285 cases. Storage holdings at the closing Saturday were reported at 197,371 pounds of butter and 46,792 cases of eggs.

Sales of the Bible have shown a great increase during the last five years. Lawyers defending murderers have to have some surefire quotations.

A Pittsburgh couple gave a $100,000 dinner to their friends in Paris. That ought to speed along payment of those war debts.

Anyone can argue with a woman—but seldom with profit.

Bulls Are Again In Control, Wall Street Is Strong

NEW YORK, May 14 (AP)—Speculation for the advance was resumed on a broad scale in today's stock market. Waves of profit-taking swept through the market at intervals but the realizing sales were well absorbed. Early gains in the bulk of the industrials ranged from 1 to 5 points, although a few of the volatile specialties were marked up six to 16 points. Trading continued at a brisk pace, total sales in the first three hours falling just short of 2,500,000 shares, with the ticker 45 minutes behind the market at 1 p. m.

Airplane stocks were again in the forefront of the advance. Curtiss soared 16 points to a new peak at 157¾ and Wright was marked up 11 points to a new top at 201.

The closing was strong. Adams express dropped 10 points in the final hour, but other shares reflected the swelling of the ranks of operators for the long account, a number of issues rising in spirited manner. Packard motor, Corn Products Refining, Kennecott Copper and Anaconda were among many well known stocks that surpassed their previous high figures. Total sales approximated 4,476,400 shares.

FOREIGN FORCES IN CHINA READY

(Contiaued from Page 1)

Lin's peace overtures.

It was understood in Tsantin that the Japanese intended to adopt three measures pending the settlement of the Tsinan affair:

First, occupation and direct operation of the Tsingtao-Tsinan railway; second, occupation of the foreign settlement at Tsinan; third, formation of a neutral zone ten miles along the railway and around Tsinan. Using its heaviest guns the northern gunboat Hai Chi shelled Amoy Island ports until driven off by answering fire. The populace, including foreigners was panic stricken. No casualties were reported.

The Peking gunboat was believed to be seeking the Norwegian steamer Vale, which was unloading arms and munitions for the nationalist forces.

Al Smith says he sees no difference between the people of North Carolina and the people of New York City. He'd better take his next vacation in some other state than North Carolina.

Silly questions are those to which you don't know the answers.

Customers for Generations

In the old world it is not the *business* alone that is handed down from father to son—but tradesmen so thoroughly master their particular business that succeeding generations patronize the same shops.

We have endeavored to build something of that spirit into our organization—that it is reflected in the quality of the furniture to be seen here is evident.

And the commission of furnishing the home of the daughter of a family whose first home we had furnished—was a more than welcome privilege accorded us last week.
