To Salem.

Colonel Geo O Yoran and members of staff, the Fourth Regiment band, Companies A and C, left on the 1:08 train today for Salem where they will be in camp with the national guard of the state for one week. Nearly every business house in Eugene will be short handed during this time, and it is greatly to the credit of the proprietors that they willingly do extra work during this time, enabling the National Guard to improve in efficiency by having a full attendance. Eugene is one of the most military towns in the state, and her citizens take a just pride in the citizens soldiery, for as volunteers they reflected honor on the entire state.

Last fall I sprained my left hip while handling some heavy boxes. The doctor I called on said at first it was a slight strain and would soon be well, but it grew worse and the doctor said I had rheumatism. It continued to grow worse and I could hardly get around to work. I went to a drug store and the druggist recommended me to try Chamberlain's Pain Balm I tried it and one-half of a 50-cent bottle cured me entirely. I now recommend it to all my friends. F. A. EUGENE, OREGON.

MARRIED.—Cottage Grove Nugget: Sunday, July 1, 1900, at the home of the bride's parents, Mr and Mrs N P Chrisman, of Creswell, Oregon, Mr Robert Martin, of Cottage Grove and Miss Rena Chrisman were united in marriage Justice Chas Wintermier officiating. Mr Martin is one of Lane county's most popular young, steady and industrious, and largely interested in mining property in Bohemia, while the bride enjoys an enviable social reputation in Creswell and Cottage Grove society. Mr and Mrs Martin arrived here on Monday's train, and will make this their future home.

DEMOCRATIC VIEW.—Weiser, Idaho Signal: Hon. Wm. Galloway, of Oregon City, Ore., is in Weiser visiting his brother, Thos. C Galloway. Mr. Galloway is receiver of the U S land office at Oregon City, and is rather a good stayer, considering that he is a democrat and has held office for five years straight. He thinks McKinley hasn't discovered him yet, probably because the president is busy practicing for the various political flops he is making so frequently, or prosperity is so thick that no republican cares to be chained up to a petty $3,000 a year office.

TO THE ENCAMPMENT.—The GUARD contributes to the National Guard encampment, Captain R S Huston, Sergeant Claude Sylvester, and Musician H W Rowland. As in most of the business houses in the city, the force will be very short next week Mr Bert East'and will assist in the office, doing local work and any courtesy extended him will be appreciated.

CURIOS.—In the north window of DeLano's drug store may be seen two Indian dolls and a scorpion, sent from Arizona. The scorpion is one of the largest species and is said to be deadly poisonous. They were sent by Mrs Ada Millican to Miss Iula Bradley, her sister.

BAND ELECTION.—The Fourth Regiment Band held an election last evening at the Armory, placing in office the following members: H W Rowland, president; Frank McAlister, secretary-treasurer; Frank Gilstrap, business manager.

DIED.—Mrs Eliza Ford, aged 34 years, died of consumption Friday, July 6, 1900, at her late residence below Irving. The funeral services will be held at the family home and the burial will occur tomorrow at the Luper cemetery.

TIMBER LAND FOR SALE.—160 acres of good fir and cedar, one-half mile from saw mill. Logging creek runs through land. Inquire of Frank Reisner, Ax Billy's store, Eugene Oregon.

LOST REWARD.—P E Peterson, of Estrup has lost 21 goats from his farm 9 miles west of Junction City. A reward of $1.00 each will be paid for their return; mark a round hole in each ear. Address P E Peterson, Estrup, Or.

RIBS BROKEN.—Yesterday C Bonnett fell from a load of hay north of town and had two ribs broken. Dr T W Harris attended the injured man who is resting easily.

LOST.—Between Eugene and Bangs' park, July 3rd, a large leather pocket book, property of T D Linton. Finder please return same to owner and receive reward.

NOT GUILTY.—A verdict of not guilty was rendered in the case of the State of Oregon vs W W Marquam, tried yesterday before Judge Wintermeier in the court house.

Would Not Suffer So Again for Fifty Times Its Price

I awoke last night with severe pains in my stomach. I never felt so badly in all my life. When I came down to work this morning I felt so weak I could hardly work. I went to Miller & McCurdy's drug store and they recommended Chamberlain's Colic, Cholera and Diarrhoea Remedy. It worked like magic and one dose fixed me all right It certainly is the finest thing I ever used for stomach trouble. I shall not be without it in my house hereafter, for I should not care to endure the sufferings of last night again for fifty times its price. G. H. WILSON, Liveryman, Burgettstown, Washington Co, Pa. This remedy is for sale by W. L. DeLano.

Does your hair split at the end? Can you pull out a handful by running your fingers through it? Does it seem dry and lifeless?

Give your hair a chance. Feed it. The roots are not dead; they are weak because they are starved—that's all.

JULIUS WITT,

"Ayer's Hair Vigor completely cured me from dandruff, with which I was greatly afflicted. The growth of my hair since its use has been something wonderful."
LENA G. GREENE,

RUNNING UP A BIG BILL

For doctor' fees wouldn't be necessary, when you are attacked with colds at this season of the year, if you would keep a bottle of our pure and high grade Cyrus Noble Whiskey in your house and then take it in the form of toddy, or as your taste dictates, at bedtime or any other old time. There is nothing like it for colds, La Grippe or kindred ailments.

A Mother's Plain Words

"I suppose you will be astonished when I tell you that six years ago I was in a most dangerous condition with bronchitis and lung trouble, because you can see how well and strong I am now. The attack at that time caused terrible pain in my chest and lungs. I could hardly move, and to stoop caused intense suffering. Someone advised Acker's English Remedy, and I thought I would try it, although I confess that down in my heart I had little faith in it. The first bottle gave great relief, and the second bottle made me the healthy woman I am today. My husband's lungs are weak also, and he cured himself with the same grand old remedy. Our boy and girl have both been saved by it from death by croup. I know this is so, for when they were attacked in the night I had a bottle in the closet, and by acting quickly that fatal malady was easily overcome. We always give it to the children when they have a cough or cold, and we would not be without it for anything. My sister will tell you also, if you ask her, that it is a medicine that can always be depended upon for all the troubles of the breathing organs. I tell all our neighbors about Acker's English Remedy whenever I get a chance, and there are plenty of people around Mechanic Falls, N. Y., where I live, who would no more think of going to bed at night with out a bottle of it in the house than they would of leaving their doors wide open. As I look at it, parents are criminally responsible when they allow their children to die under their very eyes with croup, because here is a certain remedy that will conquer the terrible monster every time."
(Signed) MRS. FLOYD FOWLER.

Acker's English Remedy is sold by all druggists under a positive guarantee that your money will be refunded in case of failure. 25c., 50c., and $1 a bottle in United States and Canada. In England, 1s. 2d., 2s. 3d., and 4s. 6d.

We authorize the above guarantee. W. H. HOOKER & CO., *Proprietors, New York.*

An Epidemic of Whooping Cough

Last winter during an epidemic of whooping cough my children contracted the disease, having severe coughing spells. We had used Chamberlain's Cough Remedy very successfully for croup and naturally turned to it at that time and found it relieved the cough and effected a complete cure.—John E Clifford, Proprietor Norwood House, Norwood, N Y.
