U. O. Notes.

Examinations were over and the young ladies of the Y W C A made the time happier by far to the fortunate as well as the unfortunate who tried the ordeal, by their signal hospitality at the Post-exam Jubilee given last evening in the parlors of the dormitory. About a hundred young people assembled and spent the hours in social good time. Unique cards in imitation of schedule cards were passed around to be filled out with subjects, hours and instructors, so no one lacked in something to say to somebody else. The rooms were neatly decorated.

Making Money in Prison.

A remarkable example of cunning has been unearthed in one of our large prisons. A convict had perfected a die and was making silver dollars, and distributing them through accomplices on the outside. Naturally the officials were very much surprised at the discovery, but no more so than the person who receives a counterfeit article in place of the genuine. It is therefore very important when you ask for Hostetter's Stomach Bitters to see that their private stamp over the neck is unbroken, if you value your health. For fifty years the Bitters has been recognized as the best health maker in existence, and if you are suffering from indigestion, dyspepsia, constipation, flatulency or nervousness, it is because you never tried it. Try it at once.

were known, have accumulated more money than any comedy team before the public. This year they have surrounded themselves with an unusually strong company, and have given close attention to detail, bringing with them numerous properties, sets of complete scenery, and the best and largest company of individual merit now on tour. The new edition of "Shooting the Chutes" is a fitting vehicle for the able talents of the stars and their merry associates.

DIED.—County Judge Kincaid received a telegram from J F Calbreath, superintendent of the Oregon insane asylum today, giving the intelligence that Mrs Ellen Brannan died in that institution this forenoon. Mrs Brannan was a pioneer woman of Eugene. She was about 65 years of age and committed to the asylum about ten years ago, her dementia being of a mild form. Her husband, Wm Brannan, was a pioneer stage driver on the big overland stage line from Sacramento to Portland before the time of the railroad. He is an inmate of the asylum, though nominally, making himself useful about the stables as coachman for the asylum carriage. The family resided for many years in the residence at the west end of Ninth street, just west of the Holt property. The interment will take place at the asylum.

SAD VISIT.—Mrs Bert Lake is visiting in Salinas, California. She went down a few weeks ago to attend the wedding of her sister and reached there in time to attend her funeral. Her sister was taken sick suddenly and died while she was enroute.
