LOMSKI KAYOS GEORGE SMITH IN ROUND FOUR

NEW YORK, Aug. 21 (AP)—Back in the form that made him a terror among the light heavyweights a few months ago, Leo Lomski of Aberdeen, Wash., knocked out Georgie Smith of Newark, N. J., in the fourth round of a 10-round match at Dexter Park last night.

Lomski weighed 170 2-3 pounds; Smith 164½.

The Pacific coast slugger went after Smith at the bell and battered the New Jerseyite from pillar to post until the final blow—a hard left to the chin—after 50 seconds of fighting in the fourth round. In the third, just before the bell, Lomski floored Smith for a count of nine and the Newark boy could offer but little defense when the next and as it turned out, the final round began. Several weeks ago Lomski had great difficulty scoring a decision victory over the man who gave him no trouble at all last night.

Hack Wilson Gets 3-Day Suspension

NEW YORK Aug. 21 (AP)-Hack Wilson, the Chicago outfielder and national league home run leader, has been suspended for three days "for an outburst against the umpires yesterday," John Heydler, league president, announced today. Pierce Malone, Cub pitcher, drew a $50 fine for using "abusive language from the bench." Wilson objected to a strike called by umpire Pfirman yesterday as the Phillies were trimming the Cubs 11 to 6.

GIANTS RETAIN PLACE AT TOP

New York Yankees, Although Idle, Profit Half a Game Yesterday

By Herbert W. Barker
(Associated Press Sports Writer)

If John McGraw wins his 11th National league pennant this year, the Boston Braves, themselves assured of finishing no higher than seventh, can take a good share of the credit.

Some of the most important cogs in the New York Giant's machine came under McGraw's control after an apprenticeship at Boston. Without Larry Benton, Frank Horan, Joe Genewich, Jim Welsh and Les Mann, it's a bit difficult to believe that McGraw, great manager though he is, could drive the Giants into the leadership of a league boasting as many strong aggregations as does the National this year. All five of these regulars or semi-regulars made the trip from Boston to New York during the past year or so.

Genewich Wins

After Benton had pitched the Giants into first place at St. Louis Sunday, Genewich enabled them to remain there yesterday at Cincinnati, where Joe turned back the Reds, 5 to 2.

Nosing out the Brooklyn Dodgers, 3 to 1, the St. Louis Cardinals gained fractionally on the Giants whose lead dwindled to two percentage points despite their victory at Cincinnati. Lazzy Vance, who had won seven straight games, was the victim of a ninth-inning rally.

The Phils pounded four Cub pitchers for 18 hits and an 11 to 8 victory at Chicago. Four home runs were smashed out, one of them being Hack Wilson's 28th of the year.

36 Hits in Game

The Braves and Pirates battled for nearly three hours before Hornsby's crew beat the Corsairs 14 to 11 in a slugfest in which 36 safe hits were recorded by the scorers, 19 of them going to the Pirates. Burleigh Grimes, ace of the Pittsburg staff, was batted out of the box in the fifth inning.

In the American league, the idle New York Yankees added another half game to their lead over Philadelphia when the Athletics bowed to the St. Louis Browns, 9 to 2. Howard Ehmke and Joe Hosh were batted for 18 hits. Manush and O'Rourke getting four apiece. Meanwhile Jack Ogden was setting the A's down with four safeties. The A's now trail the Yankees by five and a half games.

Red Faber granted the Red Sox only six hits and the Chicago White Sox trimmed Boston 8 to 4. Walter Stiles, 20-year-old recruit first baseman, started on the offense for the White Sox, getting four hits including a triple.

Ready for a $5000 Ride

Miss Bernice Munke of San Antonio is flashing one of those thousand-dollar smiles—and why shouldn't she? The saddle she is exhibiting is worth $5000, and it will be given away at the rodeo which will be held in connection with the coming American Legion convention at San Antonio. There is more than $1800 worth of gold on the saddle which is the second most expensive thing of its kind in the world.

McGraw Purchases Veteran Twirler

CINCINNATI, Aug. 21. (AP)—John McGraw today announced the re-purchase by the New York Giants of the veteran right-hander, Jack Scott, from the Toledo club of the American association for Bill Walker and an unannounced cash consideration. Walker is a young southpaw recruited from Denver last fall. Scott always was a good "money pitcher," and McGraw desired his experience as an aid to the Giants in their stretch drive, he said.

Scott's official baseball age is thirty-four, though he is sometimes suspected of being older.

BOB O'LINK GOLF COURSE SOAKED

Second Qualifying Round in Western Amateur Is Under Way Today

BOB O'LINK CLUB, Chicago, Aug. 21. (AP)—John Dawson of Chicago, by scoring 33-36-69 today for a total of 141, topped the field in the qualifying rounds of the western amateur golf championship. He shot a par 72 yesterday with six birdies in it and burned up the first nine by taking three off par. He eased up to more par on the way home.

Dr. O. F. Willing of Portland, Ore., was out in 37 and home in 39 for a 76 and a total of 154 which was thought good enough to place him among the select 32.

Frank Dolp of Portland, Ore., who yesterday tied at 71 with Chick Evans of Chicago for second place, showed a reversal of form today and took 39-41-80 for 151, two strokes worse than Evans.

Don Moe scored 75 for 144 to take second place while T. P. Perkins, British champion, took a 35-36-71 to total 145 for third.

BOB O'LINK CLUB, Chicago, Aug. 21 (AP)—An overnight rain that soaked the course, then gave way to a brisk wind, made scoring a trifle more difficult today in the second qualifying round of the western amateur championship. However, Chester Williams, of Chicago, among the early starters, reached the turn in 34 while others were closed by.

The British Walker Cup team members expressed a liking for the conditions but most of them were late starters. It seemed likely that a total of 152 for yesterday's and today's round would be required to qualify for match play as there were no fewer than 70 golfers who scored under 80 yesterday and some two dozen with eight strokes or better of the leading total of 69 recorded by Don Moe of Portland, Oregon, who led by two strokes when today's round started.

Frank Dolp of Portland and Chick Evans of Chicago both former champions, were in second position with 71s while John Dawson of Chicago was next with the only par score—72.

About half the British seemed sure of qualifying while the others had a chance to survive.

Bob Stein of Seattle, defending titleholder is not playing in the elimination round as his title admits him to the matches automatically.

STOCKTON (AP)—Said to be a new Pacific coast mile trotting record, Harri I. owned by C. J. Giannini and driven by George Machado clipped off the distance in 2:05 at the San Joaquin county fair races yesterday.

Here is 15-year-old Carmela Yull of New York, who is the only girl playing with the West Side Rangers of Chelsea Park in this city.
