PLATFORMS AND PARTIES.

Senator Mitchell's drastic measure to exclude Chinese from the Philippines and to prohibit their employment on ships carrying the American flag was defeated in the Senate yesterday. How was the vote? Well, the Republican senators with few exceptions voted in favor of the Chinese, the Democrats for exclusion. How will our Republican friends and candidates throughout Oregon meet this vote? They cannot defend it. Here are the Chinese planks from the state platforms, both favoring exclusion:

REPUBLICAN.

We demand and insist upon the passage of the bill now pending in Congress for the exclusion of Chinese, known as the Mitchell-Kahn exclusion bill.

DEMOCRATIC.

We favor the pending Chinese exclusion bill and its strict and honest enforcement and we declare that we favor the taking of such steps as may be necessary by congress to restrict the immigration of Japanese labor, with which in many places American labor is being supplanted.

The one is empty-sounding, formulated with the certain knowledge that the Republican majority in congress did not vote for Chinese exclusion in the United States when it had the opportunity, and that the weak points in the Geary exclusion law, such as admission of so-called Chinese merchants and the ten year limitation clause, were only made possible through Republican opposition to the measure. The voter will have the opportunity the first Monday in June to to choose between Republican Chinese promises and Democratic performance.

MADE POLITICS A FINANCIAL SUCCESS.

William J Furnish, the Republican candidate for governor, has made a respectable fortune out of politics. He was first a deputy United States marshal under President Cleveland, farming the office to a finish by arresting white men for selling liquor to Indians and hauling them off to Portland where they would receive a fine in the Federal court, while he would receive hundreds of dollars in mileage and fees for each case. The graft grew to such proportions that Judge Bellinger put a stop to it by declaring that the Umatilla Indians were citizens and entitled to drink as much or as often as they pleased.

Then Furnish served two terms as sheriff of Umatilla County as a Democrat, the fee system enabling him to make thousands of dollars annually. From the sheriff's office he evoluted into a banker and when Bryan was nominated for president became a Gold Democrat. Always a shrewd politician he had within two year's time captured the Republican organization of the county and shoved the old-time leaders into the background. Now, less than six years from the time he first bolted the Democratic ticket, he becomes the Republican candidate for governor.

Will the people give him a chance to work the state treasury to personal profit?

NEVER EXERCISED HIS RIGHT OF CHOICE.

A rare specimen on the Republican county ticket! Dr C B King, nominee for coroner, gets space in this morning's Register to inform the people of "having voted the straight Republican ticket from my first to last ballot without scratching a ticket." That kind of a man takes anything that has got the party tag to it. He may be proud of the distinction of having voted "straight" all his life, but most men while they might have done so would be ashamed to admit it. This claim of "straight" voting is a tacit admission of lack of brains or judgment necessary to make a choice.

Albany is trying to keep up with Eugene, though a few years behind. A third public school building will be built down there this summer. Probably by the time they get it done Eugene will need a fourth one. Anyway if this place had tried to get along with two buildings, like Albany, a considerable proportion of scholars could not have been accommodated.

"Out of Sorts."

Nothing tastes good. Nothing gives pleasure. The mind is dull and sluggish. The will is weak. Little things cause great irritation. What's the matter? The probabilities are that the stomach is deranged and the liver involved.

Dr. Pierce's Golden Medical Discovery makes a man who is run down and dispirited feel like a new being. It cures diseases of the stomach and other organs of digestion and nutrition, stirs the sluggish liver into action, and increases the activity of the blood-making glands, so that there is an abundant supply of pure, rich blood.

Mr. Edward Jacobs, of Marengo, Crawford Co., Indiana, writes: "After three years of suffering with liver trouble and malaria I gave up all hopes of ever getting stout again, the last chance was to try your medicine. I had tried all the home doctors and received but little relief. After taking three bottles of Dr. Pierce's Golden Medical Discovery and one vial of his 'Pleasant Pellets' I am stout and hearty. It is due entirely to your wonderful medicines."

STRUCK OIL.

Crude Petroleum Found Near Monmouth.

The first crude petroleum struck in Oregon has made its appearance near Monmouth at Banker Hirschberg's boring plant, and the predictions of oil experts have thus been verified. The fluid began appearing at the top of the well shortly after a depth of 670 feet had been reached, and efforts have been made to suppress the news until more land can be secured in the vicinity, but the secret was too good to keep.

At the city election in Brownsville recently F M Brown was elected recorder; H F Haller, marshal; J H Glass, treasurer and S A Gentry, Henry Blakely and P E Hume for councilmen. The council stands two for saloons and four against.

The San Francisco Call remarks editorially that, "having noted that 80 per cent of the failures in class work were by students who frequent billiard rooms, the faculty of the state agricultural college of Oregon has prohibited students from playing billiards; but if the faculty expects the prohibition to diminish the failures there is going to be a disappointment. The student who does not like to study doesn't need a billiard table to tempt him to idleness."

The Southern Pacific Company has decided to double track its fifty-seven miles of road between Benecia and Sacramento. On the representation of the operating department that the present single track is inadequate for the needs of the service, President E H Harriman has authorized the big improvement, and preliminary arrangements are now being made to the end that the extra track may be laid as soon as the necessary rails can be secured from the East.
