Smith Remembers Talk With Hoover

NEW YORK, Aug. 24 (AP)—A truckman and an engineer who once spoke at the same meeting are now rivals and their names are in the papers every day.

"Have you ever met Herbert Hoover?" Governor Smith was asked.

"Yes, we spoke from the same platform in the Academy of Music in Brooklyn during a Red Cross drive. I wasn't governor then. I was just a truckman." (The governor was chairman of the directors of a trucking corporation after his one defeat for governor).

Peach Shortage In Portland Is Relieved Today

PORTLAND, Ore., Aug. 24 (AP)—Walla Walla yellow globe onions were scarce and very firm on local wholesale produce markets here today, selling at $2 to a shade higher for most desirable stuff.

An occasional small lot of Oregon yellow Danvers onions was to be had but offerings were rather immature and off grade. Reports from the Lake Labish district indicate that the crop this year will be fairly large and of good quality. In the Sherwood district, on the other hand, the prospects are not quite so good and the harvest is expected to be somewhat smaller than usual.

Other commodities were mostly steady in price today. Yellow corn was more plentiful and weaker at $1.25@1.50 per 6-dozen sack. White corn was in liberal supply at considerably lower prices.

Tomatoes continued in oversupply and went all the way from 25c to 40c per box. Lettuce and cabbage were steady and unchanged with supplies liberal.

Peaches Arrive

Several cars of Takima Elberta peaches were on the track this morning, relieving the shortage which has prevailed in the market the past few days. They were of average good quality and sold mostly at $1@1.25 per box. Other varieties of peaches were practically absent but quotably steady at previous figures.

Pears were in generous supply and sold all the way from $1@1.25 for unwrapped jumbo packed stuff up to $2.25 for the most desirable standard packed boxes. It is reported that canneries are paying $40 per ton for Oregon Bartletts.

Seedless grapes of exceptionally fine quality were selling at $1.25@1.35 in large packs of 24 to 28 pounds.

All classes of country dressed meats were steady to firm at the opening today with demand good for all varieties. Veal was scarce and receipts light. Hogs were in sufficient supply to satisfy active demand. No price changes were quoted.

Poultry values were likewise unchanged, although the market was fairly active. Heavy hens and light broilers were scarce.

Although butter and egg receipts yesterday were insufficient to fill current orders and some stock was withdrawn from storage, prices were unchanged today.

John Coolidge Is Not Much Enthused

SUPERIOR, Wis., Aug. 24 (AP)—Although President Coolidge has on different occasions expressed the thorough enjoyment with his vacation at Cedar Island Lodge, his son John is said to be anticipating the departure in the fall.

"What do you do at Cedar Island Lodge?" John was asked.

"Eat breakfast," he replied. "Take a walk; read; eat lunch; walk; read; eat dinner; walk; read; go to bed."

"I like to golf, but father doesn't care anything for it. Father likes to fish, and I care nothing for fishing."

Dolores Del Rio Against "Talkies"

LONDON, Aug. 24 (AP)—Dolores Del Rio, American film star, said today on her arrival in London that she does not like the new "talking movies."

"The noise they make is horrible," she said. "People who go to the movies to sleep and there must be millions of them, must find the 'talkies' very annoying, poor things."

Lumber Industry In Upward Swing

NEW YORK, Aug. 2 (AP)—Resumption of the upward swing in the lumber industry is indicated in reports received by the National Lumber Manufacturers' association.

New business in the hardwood branch reached a new high for the year last week, when orders gained about 9,000,000 feet. In the softwood group, new business fell off somewhat but production and shipments were unabated.

WOOL REPORT

BOSTON, Aug. 24 (AP) — The Commercial Bulletin tomorrow will say:

"There appears to be a somewhat broader demand for wool this week, although no large volume of business has been accomplished. Fine wools have been possibly a shade in favor of the buyer, while medium descriptions are, possibly, a bit firmer. On the whole, there has been very little price change.

"The opening of the Australian season at Sydney was perhaps a bit stronger than some people had hoped and about where the majority expected with prices a scant five per cent below the high point of the closing sales last season. Other foreign markets are substantially unchanged.

"The demand for goods seems to be improving and manufacturers are looking for a much better movement after Labor day.

"Mohair continues rather quiet with prices firm throughout the list."

The Commercial Bulletin will publish the following wool quotations tomorrow:

Scoured basis: Oregon—Fine and F. M. staple, $1.10@1.12; fine and F. M. first combing, $1.02@1.05; fine and F. M. clothing, 95c@$1; valley No. 1, $1.02@1.05.
