N. Y. Exchange In Powerful Spurt

NEW YORK, Aug. 31 (AP) — Under the impetus of unexpectedly favorable speculative monetary conditions and favorable trade developments, transactions on the New York stock exchange surpassed 4,000,000 shares today for the first time since June 12. Prices were again tossed upward as the public rushed to buy and powerful pools grabbed up huge blocks of shares.

High-priced specialties were whirled upward at a dizzy pace, many of them at the expense of an overcrowded short interest.

The closing was strong. Both General Motors and Radio went forward in a spectacular finish to the day's proceedings, touching 202¼ and 216, respectively. Chrysler gained 3⅝ pts. Baldwin Locomotive, which is seldom traded in nowadays, shot up 25 points to 270. Other issues conspicuous in the final upturn included Dupont, American International, A. M. Byers and Mathieson Alkali. Total sales approximated 4,100,000.

More Confidence In Chicago Wheat Pit

CHICAGO, Aug. 31 (AP) — A healthier tone at Liverpool brought a little more confidence into the Chicago wheat pit at today's opening and prices ranged unchanged to ¼c above Thursday's close. The trade, however, continued uninteresting and there were enough offers on the upturn to bring a small recession. Cool weather lent firmness to the corn market and with shorts covering and some buying by local interests prices were unchanged to ½c higher. Oats were steady and provisions easy.

Wheat closed firm, ⅝ to ⅞c up, and corn firm at ½ to 1⅛c advance. September gaining the greater margin. Oats were unchanged to ⅛c higher and provisions irregular, lard down 7 to 15c, ribs unchanged to 12c lower and bellies unchanged.

Hello, and Good-bye—I am still here and will be here all day tomorrow and we are closing for inventory Monday morning. I just want to tell you that D. D. Miller, the sash and door man that makes the window frames and also makes windows and window sashes, cupboard, cooler, screen doors, flour bins, drain boards, in fact all kinds of mill work. Well, sir, Mr. Miller is too valuable a man to leave La Grande so the Home Lumber company has decided to keep him. Whenever you need a window glass put in or a bunch of windows made up or anything else that is sawed into a circle or planed and sanded, remember Dan Miller and don't forget Claude Pratt even though you are not buying anything of me I would like to have you remember me anyway once in a while, and if you ever come down through Dayton, Cuba, look us up. We will be here for a short time yet collecting in some bills that are outstanding. We sincerely urge all those who owe us to do your level best in squaring up as soon as possible. Come in tomorrow and buy some more bargains. Shingle stain, barn paint, house paint. We are out of linseed oil and shingles. We still have wallpaper and turpentine.
