NOTICE TO MARINERS—THE OREGON Railroad & Navigation Company proposes to begin on September 2 tearing out a portion of the existing draw protection on the south, or up-stream, end of their bridge across the Willamette River, in the City of Portland; and about September 6 expect to begin driving piles for the new draw protection. During the time this work is under progress it will be necessary for boats to approach the draw with great caution; captains and pilots are therefore requested to exercise the utmost care in passing through the bridge while the renewals referred to are being made. W. H. Kennedy, chief engineer, the Oregon Railroad & Navigation Company.
