The Guaranteed Purity of Mennen's Borated Talcum Toilet Powder

Facsimile of Box.

Under the new pure drugs law the Mennen Company guarantees every box of **Mennen's Toilet Powder** supplied to the trade, and **each box** bears the **government serial number 1542**, guaranteeing that **Mennen's Toilet Powder** is made and sold in conformity with the terms of the new law.

Doubtless there will still be offered substitutes and imitations described as being "as good as Mennen's." But no one need be deceived by this flimsy excuse for counterfeiting a valuable article. Anyone who has used Mennen's knows that it is absolutely inimitable. There is nothing like it; nothing just as good.

To protect purchasers to the utmost, Mennen's Powder is now put up in the **"box that lox,"** a box which **cannot** be refilled with an inferior substitute. Insist on having **Mennen's** and only **Mennen's** as the only protection against imitations and substitutes.

Facsimile of Box.

Have you tried Mennen's Violet Borated Talcum Toilet Powder? Ladies partial to violet perfume will find Mennen's Violet Talcum fragrant with the odor of fresh-plucked Parma violets. For sale everywhere for 25 cts. By mail, postpaid, on receipt of price. **Sample free.**

SALEM WILL PAVE TWENTY BLOCKS WITH BITULITHIC

The city council broke the record last night by ordering about 20 blocks of bitulithic pavement put down on Court and State streets.

The committee on streets reported favorably and submitted specifications for bitulithic pavement of State street, from Church to Twelfth street. The specifications were read.

Mr. Fraser objected to the term "artificial Portland cement." It proved to be the usual term employed. Specifications adopted.

Also specifications and estimates for improvement of Court street from Commercial street to Church street. Adopted.

Also resolution adopted ordering improvement of State street from Church street to Twelfth street.

Also resolution adopted for improvement of Court street with bitulithic pavement.—Salem Journal.

AFTER S. P. LAND IN LINN COUNTY

Two or three days ago three or four men came to Albany, bought three fine teams of horses at $500 a team, and with wagons started for the foot hills. One of them was said to be the man who made the original surveys for the Oregon & California of its lands in Linn county. One of them remarked, it is said, that there would be something doing around Albany soon.

What did it mean?

It is said to be a move in connectioin with the property of the Southern Pacific in this county. The company owns about three hundred quarter sections. Some of them it is said will cruise as high as 18,000,000 feet and are worth at least $10,000, others less.

Elsewhere in the valley people are endeavoring to get in on the ground floor on the S. P. property, which the government will probably order sold at $2.50 per acre according to the original agreement.—Albany Democrat.

TRAIN WRECKED TO SAVE MAN WHO WISHED TO DIE

San Bernardino, Cal., May 21.—C. H. Clenin, recently from Chicago, attempted suicide this morning near Loma by standing on the track in front of an approaching Southern Pacific freight train. Engineer Konder wrecked the train by applying the emergency brake, otherwise Clenin would have been killed. He was completely nude. The engineer whistled to warn him, but seeing that the man was not going to budge Konder applied the emergency brakes and the train buckled in the centre, two cars being completely demolished. When the trainmen went forward he dropped on all fours and leaping through the brush barked like a dog. Near the wreck his clothing was discovered.

ALBANY'S PROTEST ON DEPOT IS REGISTERED

Salem, Or., May 21.—The people of Albany through the city council, have filed a complaint with the railway commission stating that the Southern Pacific depot at that place is inadequate to the growing needs of the city of Albany. The complaint was filed May 18, and will receive the attention of the commission.

EXAMINATION FOR NAVAL MIDSHIPMAN

There will be held in the public library at Portland on June 6, 1907, a competitive examination for the appointment of a midshipman to the Annapolis naval academy by Senator Bourne. This examination will be conducted by Dr. C. H. Chapman, of the Oregonian staff, and will embrace a list of applicants' attainments in reading, writing, spelling, punctuation and capitalization, grammar, geography, United States history, world's history, arithmetic, algebra and geometry. The applicants will be required to show what would constitute about 95 per cent grades in the grammar and high school studies embraced in this list, and they will have to be of sound constitution, in perfect health, each of the five senses unimpaired, and from 16 to 20 years of age. Those of 16 years shall be not less than 5 feet 2 inches in height and at least 105 pounds weight, and at least 5 feet 4 inches and not less than 125 pounds weight if 20 years old. The applicants will have to bear all their own expenses of both examinations, including railroad fares, and be prepared to incur an additional expense of about $265 for the required outfit of personal effects in case the Portland examination is passed and an appointment received. One candidate and three alternates will be certified by Dr. Chapman to the examining board in the order of their respective standings in the examination.

Senator Bourne will appoint the highest man to the position of midshipman, and if he shall fail to pass the physical or mental examination to be held at Annapolis on June 18 then the appointment will fall to the next highest man, and so on until one is found or all fail. This examination is open to every boy in Oregon who can afford to take it, and the first appointment will go to him who shall prove to be the best equipped physically and mentally, a position of final distinction in the United States navy.

It is to be hoped our high schools and colleges may prove themselves worthy of the money the taxpayers are spending on them by showing that there are numerous Oregonians qualified to pass the examinations.

AMUSEMENTS

In speaking of the "Bogus Prince" company, which will appear at the opera house next Monday evening, the Watsonville Register says:

"Ferner & Nutting presented Geo. E. Pixley's musical comedy, "The Bogus Prince," at the opera house last night. The chorus was remarkably well trained and the singing good. The audience signified its approval of the company's work by frequent applause.

"Willie Robinson was excellent as a negro comedian. He sensibly avoided rag-time affectation, and by sticking to the naturalness of the character showed his good sense and pleased the audience. He is one of the few who develop 'darkey' comedy as it really is, and this is the secret of the frequent applause he received.

"The finest voice in the company was that of Francis Carrier, a magnificent baritone. The song, 'Adieu, Marie,' sung by him, showed the wonderful compass of his voice and was encored, to which response was invariably given."

ANNOUNCEMENT

I beg to announce that I have purchased of Wm. Staiger, of Salem, Or., his business and entire stock of monuments, which is without doubt the largest, best finished and selected stock in the state, and consists of Scotch, Swedish and Eastern granite and Vermont marble; monuments, tablets, etc., of nearly every design.

I have some exceptionally good things to offer the people of Eugene and Lane county at this time. I can make prompt delivery. Besides the stock on hand I have also on the sea andcoming by rail Scotch and New England granites.

Now is the opportunity to make a good selection for summer and fall delivery, and have your work well set before the rainy season.
