Wall Street Mart Unsettled Today

NEW YORK, Oct. 5.—(AP)—Heavy week end profit taking unsettled today's stock market after an early outburst of strength had carried more than a score issues to new high records. Lowering of the call money rate from 7 to 6½ per cent, and the announcement of another epoch of $1,000,000,000 in gold, kept the selling movement in check.

The closing was steady. Rubber issues advanced sharply along with a rush of new buying that carried Chrysler into new high ground at 123⅝. Bethlehem Steel and International Nickel also got into record territory, selling at 76½ and 135⅝, respectively. Sales approximated 4,200,000.

WOOL REPORT

BOSTON, Oct. 5.—(AP)—The Commercial Bulletin will say tomorrow:

The demand for wool was slightly better in this market in consequence of the uncertainty prevailing in London and America but this appears to have become fairly well established to the new level of values. On both sides the Atlantic the markets for goods and clothing are reported dull and with prices of wool at their present level, good business should not long be delayed. Some small lots of fall Texas have been purchased at 22 and 22½ cents.

The foreign market is firm with business light. About two million pounds of the fall clip in Texas is understood to have been moved and prices now are at 65 to 75 cents respectively for adult and kid lots. Foreign markets are firm.

The Commercial Bulletin will publish the following wool quotations tomorrow:

Scoured basis: Fine and F. M. staple, 1.15@1.20; fine and F. M. combing, 1.02@1.05; fine and F. M. clothing 95@1.01; valley no. 1, 1.10@1.[illegible].

Mohair: Original bag average 12 months, 61@68.

Graded stock—First combing 75@[illegible], good carding 65@68.
