ARNOLD WILL FURNISH FAIR AMUSEMENTS

Directors Close Contract With Him Today—Many Attractions Will Be Here

The directors of the district fair association closed a contract with E. J Arnold, of Portland, today to furnish the amusement features at the fair to be held in Eugene September 8, 9, 10 and 11. Mr. Arnold came up from Portland this morning, transacted his business with the directors and returned to Portland on the noon train, having an appointment at Hillsboro for tonight to confer with the management of the fair there looking to furnish the amusements.

At the depot today Mr. Arnold told a Guard reporter that the amusements will consist of a balloon ascension each day of the fair, high dives, high wire exhibitions, a merry-go-round and other riding devices, and six first-class tented shows. The directors left everything to him in this line, which means that the fair will have the best there is on the coast.

Work is being finished up on the pavilion at the grounds and the track is being kept in first-class shape. Everything points to the most successful fair ever held in Eugene.

COLEMAN GETS MANY LETTERS FROM DEALERS IN AUTOMOBILES

Since J. B. Coleman, the Eugene capitalist, has won fame all over the United States as the philanthropist and donor of large sums to the Eugene Bible University, who swore so loudly at an automobile driver who came near running him down on the street that he was arrested and fined, he has been the recipient of numerous letters from automobile dealers offering to sell him one of their respective machines. He reads their letters and then throws them away with the disdainful remark that he "wouldn't have one of the derned things if they would give it to me." Nearly every day his postoffice box contains one of these letters.

BOUGHT INTEREST IN REAL ESTATE BUSINESS

J. B Tillmont, who recently came from Iowa to Eugene to make his home here, has purchased an interest in the firm of Epps & Reece, and has become an active partner in said firm in the real estate, loan and insurance business. Mr. Tillmont's large acquaintance in the Mississippi valley states—especially in Minnesota and Illinois, enables him to bring with him a large clientage to the new firm under the name of Epps, Reece & Tillmont, who have elegant office rooms in the Merchants Bank building, 491 Willamette street. If you require the services of an attorney see Mr. Epps, who has had thirty years' experience at the bar, largely in corporation and equity business If you wish to sell or exchange your farm, ranch or city property, if you want to make a safe investment, where your title can be relied upon, if you want to make a loan on first-class real esetate security, or if you want to insure your property, real or personal, call in and see us, as we represent some of the most reliable insurance companies.

HAYWARD GIVEN BANQUET

Seattle Athletic Club Pays Homage to Oregon's Trainer

Seattle, Wash., Aug. 17.—Bill Hayward, the foxy trainer who "prepped" the members of the Seattle Athletic Club track team so wisely that he sent them to the scratch Friday and Saturday in shape to run their rivals from the east right into the ground, left Seattle tonight for dear old Eugene.

But before going Bill attended a banquet at the Seattle Athletic Club, given in honor of the winning athletes, Tom McDonald and himself. Bill was toasted so many times that he became the hero of the evening.

Many Hunters Get Licenses

According to the statistics of the county clerk's office, the state of Oregon has made a clear profit of $1768 from the sale of hunting and fishing licenses in Lane county since the opening of the season. There were issued 635 hunters' licenses and 708 fishermen's licenses at $1 each, and 211 combination licenses at $2 each. The county does not share in the profits, but is put to the expense of printing the blanks and doing the clerical work.

GUN COMPANY TEAM NEXT

Burt Taylor, Spitball Artist, Will Twirl for Portland

There will be something doing at Midway Park next Sunday afternoon when Burt Taylor, the big spitball pitcher for the Portland Gun Company, begins slipping 'em over to the locals. The Gun Company team has won nearly every game it has played this season, having defeated the crack Kelso team last Sunday by a 3 to 2 score, Taylor allowing but three scattered hits. Fred DeNeffe says their team is a good one, and that the locals will have to play ball every minute to come out on top. Taylor is one of the best pitchers in Portland today, his spitball making him famous. Baker will again pitch for the locals, while Lemley will be at the receiving end. Paine will play first, Driver second and Hardesty third, Jewett short, and Coleman, Smith and Hobbs in the outfield. In order that the visiting team may catch the local train, which leaves at 5:30, the game will begin at 2:30 promptly instead of at 3 o'clock, as heretofore, the street car company running their cars accordingly.

Only Practice Game

The baseball teams of the Baptist and Christian churches played a practice game last evening, the Baptists wining by a score of 10 to 5. Neither team had its regular line up, and it is unjust to give the tabulated score of the game. The teams will play a regular game soon.

TO THE PEOPLE OF THE WILLAMETTE VALLEY

Recently the Commercial Club asked the S. P. Co. for several improvements in its passenger service, and the company promptly did as requested. Among these improvements is the observation car (in the rear half of which smoking is allowed). This car is attached to the 5:35 evening local going to Portland, and returns from Portland on the 8:15 a m.

Many people do not seem to know about this car being on, and unless it is better patronized the company cannot afford to keep it on. The extra cost for riding in this car is only 50 cents between Eugene and Portland; 25 cents between Eugene and Albany.

It lies with the public whether this added comfort and luxury in travelling between here and Portland will be maintained for them or not.

CHILD ATE AN ENTIRE BOX OF CUTICURA

Spread on Some Crackers—Not the Slightest Injury Resulted from Little Fellow's Escapade—In Most Positive Way Ingredients of

CUTICURA PROVEN PURE SWEET AND HARMLESS

A New York friend of Cuticura writes the following interesting letter:—

"My three year old son and heir, after being put to bed on a trip across the Atlantic, investigated the stateroom and located a box of graham crackers and a box of Cuticura Ointment.

"When a search was made for the box, it was found empty and the kid admitted that he had eaten the contents of the entire box spread on the crackers. It cured him of a bad cold and I don't know what else."

No more conclusive evidence than the above could be offered that every ingredient of Cuticura Ointment is absolutely pure, sweet and harmless. If it may be safely eaten by a young child, none but the most beneficial results can be expected to attend its application to even the tenderest skin or youngest infant. This feeling is shared by mothers and nurses to such an extent that Cuticura Soap and Cuticura Ointment have for many years been unhesitatingly used throughout the civilized world for preserving, purifying and beautifying the skin, scalp, hair and hands of infants and children from the hour of birth. And greater still, if possible, is the confidence reposed in Cuticura Remedies for the treatment of torturing and disfiguring humors of the skin and scalp. The suffering which they have thus alleviated among the young and the comfort they have afforded worn-out and worried parents have led to their adoption in countless homes as priceless agents in the speedy, permanent, safe and economical treatment of infantile and birth humors, eczemas, rashes, irritations, inflammations and chafings, and other itching, scaly and pimply humors when all other remedies suitable for children fail.

Cuticura Remedies are sold throughout the world. Depots: London, 27 Charterhouse Sq.; Paris, 5 Rue de la Paix; Australia, R. Towns & Co., Sydney; South Africa, Lennon, Ltd., Cape Town, Port Elizabeth, etc.; Russia, Poretz, Moscow; Japan, Maruya, Ltd., Tokio; U. S. A., Potter Drug & Chem. Corp., Sole Props., Boston.
