To IMPROVE SCAPPOOSE BAY.—A petition was circulated and numer-ously signed here this week and for-warded to Senator McBride to be pre-sented to congress asking for an ap-propriation for the improvement of Scappoose bay. A movement has been on foot for some time looking to government aid for this purpose, the inccessity of which is apparent to all persons familiar with that section of country. TO IMPROVE SCAPPOOSE BAY .- A

THE ASSESSOR'S WORK .- Assessor White will begin next Monday to make the assessment of 1896. His first work will be in the Russian settlements near Marshland and Clats- well as the two conveyances heretofore for the reason that a large number of those settlers engage in the fishing industry every year and in a short time will leave home for the summer and consequently could not be found by the assessor later in the season.

SIX MEN MISSING .- An Astoria dispatch of February 24, to the Oregonan, says: "Six men is a boat started from the camp of the bridge-builders,

try sgainst horse meat on February 1, and Germany is unfriendly to such a product. Since the Lianton estab-lishment has been in operation about 7000 horses have been slaughtered, and ends April 10th. If the fishermen the rivers during this period, some fieh may get up beyond their reach before it is over. and efforts have been made in various ways to find a market for the meat,

prizefight between Robert Fitzsim-mons and Peter Maher for the heavy-weight championship of the world took place near El Paso, Texas, last Fridsy, and resulted in a victory for Fitzsim-was a Miss Goss, who at different times and resulted in a victory for Fitzsim-mons in the first round, which lasted only one minute and 35 seconds. The which were well rendered. At the only one minute and 35 seconds. The purse was for \$20,000 and a side bet of \$10,000. Fitzsimmons is now the champion of the world, and although in the middle-weight class he has gained the heavy weight champion-ship, and has signified his willingness to defend the title against the world. Ex-Champion Corbett has sent a chal-lenge to Fitzsimmons agreeing to fight him for any amount, the fight to take gree of responsibility as to their duty place at any point in the world that the latter may suggest. But Fizsays Corbett must first whip Maher and mained most of the week. O'Donnell before he can consider the

not aware that when the property was transferred back to him the deed conmon can be taken from the Columbia river until the 10th of April.

Work will be done there first would revert to Mrs. Kelly as the legal Word was received here Tuesday morning by telegraph that Mr. Chas. Muckle, Mrs. Switzer and Mrs. George arrived safely in San Francisco on heir of Aaron Broyles. An opinion in the case will be handed down by Judge Shattuck next Monday. The state-ments herein are made only upon street talk by persons who claim to be familiar with the circumstances.

No HIGH WATER THIS YEAR .- The prospects are unfavorable to a big "June rise" in the Columbia this year. From all reports there is but little snow in any of the mountains about on Young's bay, the new railroad bridge, to come down the river clam-ing near Fort Stovens. They have not since been heard from, slthough a scarching party went after them. The for fishermen at the dalles and casfriends of the men fear they have been blown to see and drowned. The su-perintendent of construction says he good height of water. Fishermen who perintendent of construction says he does not think any more scrious acci-have been up the river looking over dent has happened than some slight damage to the boat, necessitating their have prevailed since they went out, and two of the men are old sailors." good height of water. Fishermen who have been up the river looking over the situation, imagine that the wheels at the cascades and dalles will not do any better this year than they did last, which was a poor season for them, on account of the low water. The traps ies and county convention. No More Horse MEAT.—The horse during the season in the lower part of ministered to the gentleman's comfort.

cannery at Linnton has shut down, the river that it is a wonder that any and will, perhaps, never resume operaand will, perhaps, never resume opera-tions again. The principal reason given is that there is no foreign mar-ket, upon which the projectors largely, in fact almost entirely, depended. The Belgium authorities closed their coun-

ENTERTAINING LECTURES .- Mrs. C. Owens, of Stockton, Cal., lectured here ways to find a market for the meat, but have not been successful in any considerable degree. The plant was erected at a cost of many thousands of dollars and will, no doubt, prove a heavy loss to the gentlemen who put their money into it. FITZSIMMONS THE CHAMPION.—The principle to the board Fitzsim.

defendants asked the court to grant \$5000 damages, says the Astoria Bud-get. The court subtracted \$4,985 from the amount asked and turned over the remainder, which the O. R. & N. Co. will give to the poor. this town next Sunday evening, March 1st. Every body is invited to attend; admission free. The usual church col-lection will be taken. This announcement will please the large number of people who have attended her lectures in this vicinity lately, as they are something that can be apprciated by all.

OREGON FRUIT EAST-Willis Brown

O'Donnell before he can consider the challenge. To Protect SALMON.—Scarcely an issue of any paper on the Lower Co-fumbia appears without an expression of the desire for a proper salmon law. This paragraph from the Ilwaco Jour mais our cherrise, parar and green fuilt is a case in point: "The extraor, dinary large pack of salmon made law arts to the cherrise, parar and green primes. In a market where we ship makes a statement that will throw fruit that people want. Everyone dinary large pack of salmon made law arts to cherrise, parar and green primes. In a market where we ship makes of the desire for a proper salmon law. The Northwestern fruit will be the fruit that people want. Everyone dinary large pack of salmon made law in the state of the fail pack, has set many wild to get into the pack in pock, prices will rule higher, I am sures. The harvest respect from the Columbia last eason was the pack ing business. The harvest respect from the Columbia last eason was the barter to pack and this truit, this may prove so again this season, but some sensible, practic, and to cause the restock ing of the river with sturgoon, while to needed very pack and to cause the restock ing of the river with sturgoon, while to needed very pack and to cause the restock ing of the river with sturgoon, while to needed very pack and to cause the restock ing of the river with sturgoon, while to cont bits. There is money in to the samon, and to cause the restock ing of the river with sturgoon, while to needed very pack and marketed. This can only in the origon fruit if it is properly have in a first to fail fail, and in big demand all the time. The whole proposition figured to the samon, and to cause the restock ing of the siture pay any state to on the server in and to cause the restock ing of the river with sturgoon, while to needed very pack and marketed. This can only in the state, and it is only to orwing Oregon fruit if it is properly have the state for the setter into the setter into the setter into the setter into the setter in experiment has preved more successneighbors of Hazel Grove. ful, keep on improving on the same

MOUNTAIN MEADOW MASEACRE .---heated discussion took place on our streets Wednesday between severa citizens who could not agree as to the exact date or year the Mountain Meadday ow Massacre occurred. No two could agree, and the discussion spread like a prairie fire from one to another until with typhoid fever. the question was made a general querry by people meeting on the streets and in the business houses. All were wrong, however, as none claimed the massacre occurred later than 1860. Later in the evening someone more studious than the others consulted his history wherein the truth was learned, to-wit: That the Mountain Meadow Massacre took place on Tuesday, the 13th day of September, 1857, under the leadership of John D. Lee, a Mormon, who twenty years later, in Sep-tember, was executed for the part he had taken in the great Mormon slaugh-ter of men, women and children, where an entire emigrant train, known as the Arkansas Company, consisting o about 140 people, were butchered.

A DECISION MONDAY .- The case of day and Tuesday evening, and a part of the forencon Wednesday. It is a case in equity to test the validity of a certain conveyance to land at Houl-ton, made by Aaron Broyles to John Frantz, and afterwards from John Frantz, and alterwards from John Frantz back to Aaron Broyles and wife. Aaron Broyles married a Mrs. pital, Portland. Frantz years ago and at the time of the marriage each of the contracting parties held a donation land claim, and each had children by a former wife or husband. Mrs. Broyles, it is said, divided her claim during her life time, between her own children, and poose next Sunday at 11 o'clock in the the home of the old couple being the forenoon and at Warren at 3 o'clock claim of the husband, was not sold or in the afternoon.
