Estacada Tigers Riding High

The Estacada Grade School Tigers will open league play on Friday, Jan. 10 at Sandy. The Tigers will have twice before defeated the Sandy cage crew but were hard pressed the last time to come from behind and in by one point on the Sandy floor.

The Tigers returned from their annual trip to the coast with one win and one loss.The first night saw the boys from the banks of the Clackamas losing to Garibaldi by four points 30 to 26 after trailing by 13 points at half time.

Saturday night saw the Tall Tigers dump an outclassed, cold shooting,quint from Rockaway 20 to 13. The boys from Estacada tied the score and two all and then with Gary Tarter hitting 4 shots from 25 ft. out and a free throw for good measure moved into an insurmountable lead. The Rockets never quite recovered from the dead eye shooting of Tarter and his mates, lead by Howard Bess, Norman Underwood and Mike Carlson, as the Tiger record was brought to 3 wins and 2 losses.

The pre-league season has been highlighted by the tremendous team play and excellent rebounding.

The final game of the Tigers before heading into league play was a roll of host to St. Johns from Oregon City team. The Tigers dumped the once beaten St. Johns boys by a score of 26 to 20. The outstanding point of the game was the fine defensive play and rebounding on the part of the whole Tiger squad. A great team effort and as result a great team victory. This win brought the EGS record to 4 wins against 2 losses.

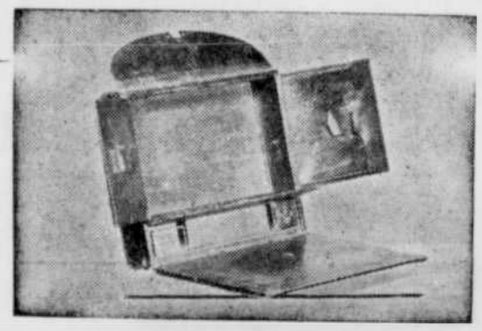
Tops As Calendar Girl

PACIFIC PALISADES, CALIFORNIA—Artist Earl Moran, an expert in his field, who has worked with many of filmdom's most glamorous stars, is arranging the draperies on Barbara Lang before putting her on canvas. Moran says she is the No. 1 glamor girl of the calendars. Moran revealed there is a trend to put more clothes on a calendar girl, but the girls who pose for him must "be bursting with healthy sex appeal."

This Week's
HISTORY MYSTERY



Who Owned This Writing Case?

CLUE: In the 1850's this case belonged to an army assistant quartermaster stationed at Fort Vancouver. Some years later, during the Civil War, this case was said to have held a checkbook with a balance of one million dollars.

ANSWER: Rufus Ingalls was the owner of this writing case. At the onset of the Civil War he was promoted to Colonel and assigned as Chief Quartermaster to the Army of the Potomac. Col. Ingalls was ready to leave Washington for Annapolis in order to accept and pay for 110 naval vessels to be used to transport McClellan's Army to Virginia. However, the battle between the Merrimac and the Monitor took place at this time, thus necessitating a revision of McClellan's plans.
