NOTICE OF PUBLIC SALE OF THE franchises and property of the Oregon Traction Company. Notice is hereby given that the stockholders of the Oregon Traction Company have adopted a resolution authorizing and directing the dissolution of the said corporation and the disposition of all its property.

Pursuant to said resolution and the resolution of the board of directors authorizing and directing the sale of all of the said property belonging to the company, I will, at the hour of 10 o'clock A. M., on Thursday, the 15th day of March, 1906, at the front door of the County Courthouse, in the City of Portland, Multnomah County, Oregon, offer at public sale, to the highest bidder for cash, the franchises, roadbed, track, rights of way and contracts for right of way, together with all maps, profiles, office fixtures and furniture, and all property of whatever kind owned by said corporation. The said property will be sold in bulk, and as an entirety.

The said franchises of said company referred to are as follows, to wit:

A franchise authorizing the construction of a railway line through the City of Hillsboro and a franchise granting the right to construct a railway on and over certain streets in the City of Forest Grove, Washington County, Oregon, and a franchise granted by the City of Portland, Or., by ordinance No. 14,604, entitled, "An ordinance granting to the Oregon Traction Company, its successors and assigns, the right to construct, lay down, maintain and operate railways and poles and wires and underground conduits in the City of Portland, Or." (Approved by the Mayor of said city on the 6th day of April, 1905.)

The constructed track belonging to said company consists of about 3580 feet of double track laid on Twelfth street, in the City of Portland, Or., between Burnside and Overton streets, in said city, and 260 feet of double track on Pettygrove street, between Thirteenth and Fourteenth streets, in said city, and three crossings on Sixteenth, Twenty-third and Twenty-fifth streets, at the intersection of Pettygrove street. The maps and profiles referred to show the survey of the projected electric railway line of the company from the City of Portland, Or., to the City of Forest Grove, Oregon.

For full information as to all property of the company, inquire at the office of the company, room 82, Union block, City of Portland, Or.

The said corporation is now indebted in about the sum of $25,000. Of said sum about the amount of $3500 is due the Germania National Bank, of San Francisco, Cal., for which $100,000 par value in amount of the bonds of the company secured by a mortgage or deed of trust on all the property of the company are deposited as collateral and of which said total amount about the sum of $14,700 is secured by mechanics' liens on the franchise, roadbed and constructed track of the company in the City of Portland, the remainder of said indebtedness being unsecured.

The said property shall be sold to the highest bidder. The purchase price shall be paid in full, in cash, or by acceptable certified check at or before 2 o'clock P. M. of the day of sale. Payment to be made to the undersigned at the office of the company, Union block, Portland, Or. If the person offering the highest bid for all of said property shall not pay the entire purchase price by 3 o'clock P. M. of said day of sale, the person offering the second highest bid shall be entitled to the conveyance of said property, if he shall pay the entire sum bid by him before 4 o'clock P. M. of said day of sale; and if neither the said highest or next highest bidder shall pay on said day of sale the amount bid by him, the directors of the company at their option may sell said property to any person bidding at said sale who makes full payment on the day of said sale of the sum bid by him. The right to reject any and all bids is reserved. By order of the board of directors. W. L. GOULD,
Secretary Oregon Traction Company.
