HOROSCOPES *by Stella Wilder*

SATURDAY, AUGUST 8, 2020

YOUR BIRTHDAY by Stella Wilder

Born today, you are a quietly powerful individual with tremendous ambition -- and the talents you need to satisfy your ambition in any of a number of different ways. Indeed, when you are young, it may be quite difficult for you to decide how best to spend your life, for you may receive a calling of sorts from many different professions.

SUNDAY, AUGUST 9

LEO (July 23-Aug. 22) -- You cannot be everywhere at once, of course, so you must make a plan that allows you maximum flexibility and mobility. Many decisions will be made.

VIRGO (Aug. 23-Sept. 22) -- Domestic comfort is the very thing you need today -- and it's surely available to you, provided you make yourself available to loved ones.

LIBRA (Sept. 23-Oct. 22) -- What goes around certainly comes around today -- and this kind of tit for tat will continue for a long time if you let it.

SCORPIO (Oct. 23-Nov. 21) -- It's a good day to immerse yourself in something that you can enjoy entirely on your own -- but you mustn't disappear completely!

SAGITTARIUS (Nov. 22-Dec. 21) -- You know better than to cross a certain line today. You can approach it, though, and that will send an important message.

CAPRICORN (Dec. 22-Jan. 19) -- You will receive a challenge from someone who thinks he or she is ready to take you on. Though confident, you mustn't underestimate this opponent!

AQUARIUS (Jan. 20-Feb. 18) -- A more energetic approach to a long-standing problem gets things moving today. A solution may be at hand if you keep this up all day long.

PISCES (Feb. 19-March 20) -- This is a good day to test out a theory you've been developing for quite some time. Those who disagree with you provide good information.

ARIES (March 21-April 19) -- You can pick up the pace, but don't leave someone you care about in the dust. You may have further to go than you had anticipated.

TAURUS (April 20-May 20) -- You must remain open and receptive to those who come at things from a very different perspective. This may be a perfect time to work together.

GEMINI (May 21-June 20) -- Try a different approach today, and you may be surprised to learn that a certain problem can actually be solved without a lot of strain.

CANCER (June 21-July 22) -- Others come to a verdict about your efforts in little time today. What happens next depends in large part upon how you interpret the decision.
