REDS AGAIN WIN FROM PORTLAND

Mission Team Chalks Up 23rd Victory to Retain First Place in League

By the Associated Press

The league leading Mission Reds battered the Portland Ducks yesterday to win their twenty-third victory of the season, with a score of 6 to 4. The Killefer men were so far ahead of the other seven Coast league clubs, that there was little doubt that they had put forth consistent effor, and deserved he top notch place.

Aided by a timely rally in the seventh, when three runs rolled over, Herman Pillette virtually pitched the Reds to victory. Portland had tied the count in the sixth. Both Pillette and Ortman, opposing moundsmen, were hard hit, the former for ten bingles, and Ortman for one more.

Oaks Push Seals Over

A timely double by Pete Read, catcher, scored Vergez in the second inning and a double steal in which Reese scored in the fifth gave Oakland a 2 to 1 win over the San Francisco Seals. Gomez, young southpaw, pitched a fine game but his teammates could not solve the shots of Inglin, opposing hurler.

Buzz Wetzel blanked the Seattle Indians to four hits and gave Hollywood a 5 to 1 victory, evening up the series, two games apiece. The Stars bunched hits off Fred Piprgras in the second and eighth innings to put across their five scores. Walter Roha, Star right fielder, lead the Hollywood batting with two doubles and a single and stole home in the eighth inning to give Hollywood its last run.

Angels Trim Sacs

Augie Walsh proved to be in rare form, and held Sacramento to six hits, five of which came in the last three innings, to give Los Angeles a 5 to 3 victory. Until the start of the seventh only one man reached use, and that was Camilli with a double in the second. Bachar, Gould and Freitas hurled for the Sacs. The playing of Stan in center field was an interesting feature of the game.

University Takes Game From Idaho

EUGENE, Ore., May 4 (AP)—Three home runs at strategic moments, aided by hard and frequent slugging of a lesser caliber enabled the University of Oregon to defeat the University of Idaho baseball team 10 to 2 here yesterday in a conference game. Ray Edwards contributed to the scoring by slamming out a homer in the sixth with the bases loaded. McDonald scored another with Bidings ahead of him. Carter Gould hit another with Edwards on first.

SIR LIPTON TO AGAIN TRY TO REGAIN TROPHY

LONDON, May 4 (AP)—Sir Thomas Lipton, noted Irish sportsman, again has challenged for the America's cup, historic yachting trophy, according to an Exchange Telegraph dispatch from Dublin. The challenge filed on Sir Thomas' behalf by the Royal Ulster Yacht club, has been sent to the New York Yacht club and suggests September of 1928 for the challenge series.

Officials of the New York Yacht club said they had received no official word of Sir Thomas' challenge. Under cup rules, the challenger is required to give 10 months' notice in writing, together with the name of the owner of the challenging boat and the principal dimensions of the craft.

The original race for the cup, then a Royal Yacht club squadron trophy, was sailed in 1851 around the Isle of Wight. The schooner yacht America had sailed the ocean and decided to compete, winning by a wide margin. The cup has been held in America ever since.

Cleveland Exile Pitches Detroit To 6-1 Victory

By William J. Chapman
(Associated Press Sports Writer)

George Uhle, Cleveland exile, had the big league spotlight all to himself yesterday as cold weather caused further devastation in the baseball schedule. Uhle pitched Detroit to victory over the White Sox 6 to 1. The game was put on in the cold reaches of Comiskey park.

Cold weather and rain swept the National league schedule clean and prevented the one other championship engagement planned in the American. The Yankees went through with their exhibition at Pittsburg, a Pirate victory by 8 to 2, being the net result.

Games could have been played in New York and Brooklyn, among other places, but the grounds were in none too good condition, and the temperature was such that any contests outdoors would have been practically private affairs.

The growing favor in which the Cardinals are being held by National league critics will focus attention of the addicts upon the Polo grounds where Billy Southworth will parade his veteran pitching corps before the heavy masters of the Cam McGraw for the next few days. Only slightly less interesting will be the effort of the Cubs to shake off their Philly jinx at Baker Bowl.

The first stand of the American league clubs on the western front will find the Athletics besieging Sportsman's park in the first several series, real or suspected, of the young season.

The victory of Uhle over the White Sox yesterday revealed him at his best. He gave the Sox five hits, and never seemed in any danger after his mates tied the score for him in the second. The Chicago troops pushed one run across the plate in the first on a single and a pair of errors by Heinie Schuble.

The triumph was Uhle's fourth of the season. It was helped along by Charlie Gehringer's homerun.

Middleweight Wins From Robin Reed

EUGENE, Ore., May 4 (AP)—Robin Reed, former Olympic champion, was defeated here last night by Gus Kallio, middleweight wrestler, after he had taken the first fall in 29 minutes with his famous flying tackle.

Kallio took the second fall in 18½ minutes with a half Nelson and bar chancery. Reed's head was slammed down on the mat and he was too groggy to continue.

200 Athletes In Seattle Today For Track Meet

SEATTLE, May 4 (AP)—Five records were seriously threatened when nearly 200 athletes gathered here for the tenth annual University of Washington relay carnival in the Washington stadium this afternoon. Thirty schools were represented in five different divisions, namely, Pacific coast conference, Northwest conference, P. C. C. freshmen, Western Washington and Seattle high schools.

Steve Anderson, Washington's Olympic hurler, was out to shatter his own carnival record of 15 seconds for the high sticks while the 400, two mile, four mile and medley relay marks were likely to be broken. The record of 42.7 for the 440 relay has been repeatedly bettered in practice by both the Washington and Washington State college quarters. The Washington Husky squads have also made faster times in the two mile and four mile relays than the present records. The medley relay figure was in danger of falling before the W. S. C. powerful entry. Individual stars competing in the meet included Wesley Foster, he Washington State sprint flash; Paul Jessup, Husky shot putter and discus tosser; Ed Moeller, University of Oregon weightman; Hein, W. S. C. discus hurler and Steve Anderson.

The six coast conference entries were the Universities of Oregon, Washington, Idaho and Montana, and Washington and Oregon State colleges. Athletes from these institutions were to compete in 11 events, the Northwest conference cinder artists in three, freshmen one, sate high schools two and Seattle high schools a like number.

The carnival was scheduled to open at 2:30 o'clock.
