HOROSCOPES *by Stella Wilder*

THURSDAY, JANUARY 28, 2021
YOUR BIRTHDAY by Stella Wilder

Born today, you know how to make an impact simply by walking into a room. This isn't something that you've learned exactly, but rather something that comes from within naturally -- a quality bestowed upon you by the stars themselves. Is it something you can learn to use and maximize? Certainly! But never forget that it is a part of you -- and a part of you that you're not likely able to turn off, much as you might try now and then.

FRIDAY, JANUARY 29

AQUARIUS (Jan. 20-Feb. 18) -- You'll be tempted to leave a certain task until tomorrow -- but haven't you waited long enough already? Now's the time to get it done!

PISCES (Feb. 19-March 20) -- You must work closely with others today to make the best use of your time. Yes, what they do -- and how they do it -- affects your solo efforts.

ARIES (March 21-April 19) -- You can do much today that will impress those who are already fans -- but now is the time to work on your critics, for they can be won over!

TAURUS (April 20-May 20) -- The clock is ticking, but you have things well in hand -- or at least so you think. A rival may be on the verge of mounting a surprise comeback.

GEMINI (May 21-June 20) -- It's time to catch up on work that has been left undone for far too long. No single thing is too difficult, but together it all adds up!

CANCER (June 21-July 22) -- You can impress the powers that be today with both the quality and quantity of your work. Indeed, even you may be surprised by your output.

LEO (July 23-Aug. 22) -- You have the chance to introduce someone to something new that he or she has only dreamed about. The day proves memorable for both of you!

VIRGO (Aug. 23-Sept. 22) -- Now is the time for you to take stock of what you have going for you -- and it is considerable, despite any recent doubts you may have had.

LIBRA (Sept. 23-Oct. 22) -- Reach out to one who used to be by your side; you can rekindle something of the intimacy that has been lost. You must tell the truth!

SCORPIO (Oct. 23-Nov. 21) -- Your assessment of someone's work may have you thinking that you're not doing enough. Turn your attention inward to find the trouble!

SAGITTARIUS (Nov. 22-Dec. 21) -- Certainty is likely to give way to questions today, but not without reason: You're facing something that no one else in your circle has.

CAPRICORN (Dec. 22-Jan. 19) -- What you do in secret today may not have any kind of impact until it is revealed -- and the timing must be just right for that to happen.
