BREEDERS, ATTENTION.

The imported French Coach Stallion, Vindicator, will make the season of 1889 at the following places: Brownsville Mondays and Tuesdays; Halsey, Wednesdays and Thursdays; Lebanon, Fridays and Saturdays. Here is an opportunity for the farmers of Linn county to get the service of the only French coach horse ever brought to Oregon. He was imported from France by Theo. Skillman and by him brought to this State. The French coach horse has been attracting great attention throughout the Eastern States the past few years and are being imported from France in great numbers. Vindicator is a fine representative of this famous breed of horses, standing 17½ hands high and weighing 1500 lbs. He has taken premiums over Clearland bays wherever shown. This stallion represents the general purpose now so much needed here. He will be allowed mares at $20, to insure a mare in foal. Keep your eye on his dates.

TELEGRAPHIC NEWS

A Sample.

CHICAGO, May 5.—William Tanser, in a fit of insane frenzy, jumped out of bed this morning, brained his six month old baby, attempted to murder his wife and then cut his own throat with a table knife. The wife had jumped from the bed when her husband arose, and, divining his purpose, she tried to save the infant, but he caught it up and beat out its brains against the wall. Then seizing a knife the maniac drove the woman from the house. The police, when summoned, found him in the room pacing up and down and singing a lullaby to the corpse of the infant which he held in his arms.

A Washington Club.

NEW YORK, May 5.—A new national patriotic club was organized last night. It is to be known as the George Washington Club, and its constitution provides: Every man, woman and child who subscribes to the doctrine of patriotism may become members." Letters of encouragement were received from ex-President Cleveland, Senator Evarts, Senator Blair, John G Whittier, George William Curts and others.

A Reservation Complaint.

HELENA, Mont., May 5.—Arlee, the venerable chief of the Flathead tribe of Indians, came in yesterday and made serious complaint against the management of affairs under the administration of Agent Ronan, who has been in charge of the reservation for a long number of years, objecting to the methods of punishment employed. He made complaint about these things some months ago, but the same inhuman forms of punishment seem to be still in vogue. According to his statements only last week an Indian who had broke jail was hung up by his hands and kept there for forty-eight hours. An Indian woman who is supposed to have deserted her husband was given 120 lashes, and is now lying in a precarious condition and her recovery is extremely doubtful.

Drowned.

SAN FRANCISCO, May 5.—Charles B McHenry, assistant manager of Roll U Watt's insurance agency, this city, was drowned early this morning. While going on board the steamer South Coast with the captain of the steamer McHenry's hat blew off. In attempting to recover it he fell into the water and drowned before assistance could reach him. He was 32 years of age and leaves a father, mother and sister in Orange, Los Angeles county.

Rain in California.

SAN FRANCISCO, May 5.—Rain was quite general throughout the state to-day. Reports received here to night indicate that in general the rain has been much benefit to grain, especially to that which was sown late. The rain may cause some early grain to lodge, and will be injurious to hay that is now in the fields.

A Snow Storm.

TRUCKEE, Cal., May 5.—It has been snowing constantly since yesterday afternoon. Two feet has fallen at Truckee and three at the Summit.

Many young ladies are ruining their complexion by the continued use of poisonous cosmetics and so called face washes. The greater number of these preparations contain mineral poisons, that in time, shrivel up the skin and give the appearance of dissipation and old age. Dalard's Specific is not a paint but a great beautifier, in as much as it removes all blemishes from the skin, instead of covering them. It cures chapped hands with one application. Sold by Foshay & Mason.
