It is announced that the Shah of Persia has in his retinue as he travels about Europe a handsome Circassian girl selected from his harem, whom he dresses in boy's clothes. She is described as a remarkably good looking young girl, not in the least resembling the ordinary Circassian girl of commerce as exhibited in the New York dime museum. She has short hair, very fine eyes, and, in fact, the classical combination which goes to make up the Oriental beauty.

Edwin Booth has not given up smoking as has been reported. He was observed recently at a small railway station on the Connecticut shore of Long Island Sound dressed in gray and puffing a black, strong cigar, with the air of an enthusiast. His face was pale, his eyes were haggard and he walked like an old man. One shoulder was at least two inches above the other.

Sam Wah Kee, the richest Chinaman in New England, is worth about $100,000. He wants to go to China with his family for two years, and has been hanging about the Boston Custom-House of late trying to prove to the authorities that he is not a laborer. He fears that he will not be allowed to land when he returns to this country from China. He is an importer and wholesale dealer of Chinese staples and has made a fortune since he came to America.

The spectacle of Andrew Carnegie hobnobbing with eminent free traders on the other side of the ocean at a feast given by himself, whilst his workmen on this side of the ocean are making a vain protest against a reduction of their wages, must put Pluto in a state of grim expectancy. As Mr Carnegie grinds exceeding fine in his own mills, he will hardly expect any change in the running when he shall come to be ground himself.

An Agent Missing.

LIVINGSTON, Mont., July 22.—It is reported here that the agent at Laurel station is missing. This station is at the junction of the Rock Fork with the main line. C A Lewis has been agent there for some time. Since 9:30 last night he has not been seen. His books seem to be all right, and nothing unusual in his conduct has been noted.

Becoming Mixed.

TACOMA, July 22.—Mrs Mary Grant, of San Francisco, who claims to have married C. C. Grant in Nebraska in 1873, arrived in the city last night. Startling developements are expected, as Grant married a lady in Spokane Falls two months ago, and who is also in the city.

Sheriff Price states that he has a clue to the whereabouts of Martin, who murdered Grant on Friday morning last, and that his capture may occur before morning.

An Odd Will.

NASHVILLE, Tenn., July 22.—An odd will has been filed for probate here. Mrs Mary Ann Schaub died without relatives. She had surrounded herself by a number of dogs and cats, and had accumulated propety valued at about $6000, and this she leaves in trust for two of her favorite dogs. She provides that a sufficient sum shall be reserved from her property to maintain these dogs in comfort as long as they live, and especially orders one bed and clothing for their occupancy.

Got Mad.

NEW YORK, July 22.—"Parson" Davies, of Chicago, arrived here to-night. He is stopping at the Continental hotel At the Hoffman house the "Parson" met E J Van Horn, a sporting man from North Platte, Neb. Van Horn won $30,000 on Sullivan and began blackguarding Davies, who was a Kilrain man, about the backing he had given Kilrain and Jackson, the colored pugilist. Davies became angry and knocked Van Horn down. Davies says that Jackson can get $20,000 backing to fight Sullivan. He is here to arrange the fight if possible.

Against Fighting.

INDEPENDENCE, July 22.—The city council is to take measures to place heavier penalties on persons disturbing the peace, as was done by the Smiths and Kays on Saturday. Much indignation has been expressed that the fine imposed was only $8, when the offense called for $50 each. The citizens are determined to maintain law and order, and are taking proper steps.

A Woman's Discovery.

"Another wonderful discovery has been made and that too by a lady in this county. Disease fastened its clutches upon her and for seven years she withstood its severest tests, but her vital organs were undermined and death seemed imminent. For three nights she coughed incessantly and could not sleep. She bought of us a bottle of Dr King's New Discovery for Consumption and was so much relieved on taking first dose that she slept all night and with one bottle has been miraculously cured. Her name is Mrs Luther Lutz." Thus writes W C Hamrick and Co., of Shelby, N C.—Get a free trial bottle at Foshay and Mason's Drug Store 2

The Verdict Unanimous.

W D Salt, Druggist, Buppus, Ind., testifies: "I can recommend Electric Bitters as the very best remedy. Every bottle sold has given relief in every case. One man took six bottles, and was cured of rheumatism of 10 years' standing." Abraham Hare, druggist, Bellville, Ohio, affirms: "The best selling medicine I have ever handled in my 20 years' experience, is Electric Bitters." Thousand of others have added their testimony, so that the verdict is unanimous that Electric Bitters do cure all diseases of the Liver Kidneys or Blood. Only a half dollar a bottle at Foshay and Mason's Drug Store. 2
