Scio.—Shaving has been reduced to fifteen cents at Linch & Thomas' barber shop in this city.

The Mineral Paint company of this city received last Monday one of the Willford double rolls for use in grinding their paint. They expect to receive a flour packer in a few days, for the purpose of packing their paint in barrels. The preparation of this paint is exactly the same process as that of making flour as to grinding, bolting, etc.

CIRCULATING LIBRARY.—Mr Joe Talt, who organized a circulating library a year ago, and placed 100 books at the store of C E Brownell, has started out to increase the number of books by getting new members. It only costs $1.50 to become a member, and each member has the right to read all the books in the library. This is a very cheap way to secure reading matter. Remember each member has the right to read any book in the library or any that may be placed there by increase of membership. C E Brownell is librarian.

The stimulating action which they exert over the gastric region materially aids in restoring strength and energy to digestion, and the consequent building up of tissue and restoring tone to the general system."

BAD ECZEMA ON BABY

Head one Solid Sore. Itching Awful. Had to Tie His Hands to Cradle. Cured by Cuticura.

Our little boy broke out on his head with a bad form of eczema, when he was four months old. We tried three doctors, but they did not help him. We then used your three CUTICURA REMEDIES, and after using them eleven weeks exactly according to directions, he began to steadily improve, and after the use of them for seven months his head was entirely well. When we began using it his head was a solid sore from the crown to his eyebrows. It was also all over his ears, most of his face, and small places on different parts of his body. There were sixteen weeks that we had to keep his hands tied to the cradle, and hold them when he was taken up; and had to keep mittens tied on his hands to keep his finger-nails out of the sores, as he would scratch if he could in any way get his hands loose. We know your CUTICURA REMEDIES cured him. We feel safe in recommending them to others.
