Teacher (sternly)—What makes you late this morning?

Erring Student—You see—there are eight in our family—

Teacher—Well?

Student—And the alarm was set for only seven.

John—What do you mean, dear, when you say I've been deceiving you for years?

Helen—I've just found out that you get $3000 allowance on your income tax return for being married and you only give me a miserable $40 a week.
