Never Without Tanlac Says Portland Lady

Mrs. Kebo Turns to TANLAC Whenever She Needs a Medicine.

"That I am never without Tanlac shows just what I think of it," recently said Mrs. E. E. Kebo of 1117 Chavner St., Portland, Ore.

"I shall never forget my first experience three years ago. I had stomach trouble so bad my suffering was almost intolerable. I was dreadfully weak, pale as a ghost, and hardly able to keep going.

"Tanlac soon stopped the stomach trouble and had me eating just everything and feeling and looking like a different person.

"I have used Tanlac several times since then and never has it failed to give prompt relief. Why, last winter when I was laid up with grippe and pneumonia, Tanlac increased my weight fourteen pounds in two weeks time. I'm taking Tanlac now to build up my appetite and strength and I know I will soon be feeling fine.

"My husband has also used Tanlac and he too says it is a grand medicine."

Tanlac is for sale by all good druggists. Accept no substitute. Over a million bottles sold.
